From Dr. S. Subbiah, M.B.B.S., B.S.Sc.,

THRO' The Director of Public In-
struction, Madras & The Chairman,

R.O.C.No. C3. 8165/50.

DATED 25/5/1950

Sir,

SUB:- Establishment - Salem Municipal College
Sri A. Subramaniam, M.Sc., Lecturer in Che-
mistry - extension of service for one year -
Grant of - requested.

Ref:- G.O.Ms.No.3691 Edn., dated 1-12-1949.

In G.O.Ms.No.3691 Edn., dated 1-12-1949 Government were pleased to sanction the re-employment of Sri A. Subramaniam as Lecturer in Chemistry, Salem College, from the date of his retirement that is from 25-12-49 to the end of the academic year 1949-50. Accordingly, he was re-employed till 30-4-50 and he continues to draw vacation salary now. He has presented a petition before the College Governing Body stating that the Central Advisory Board of Education has recommended that the age of retirement would ordinarily be 60 but extensions may be allowed upto 64 in certain cases and that the Central Ministry have been asked to implement them as early as possible. He has also requested to recommend to the Government to continue him in service till the Madras Government come to a decision about these proposals or to permit him to continue as a Honorary Lecturer, in the Salem College, till these proposals are accepted by the Madras Government. In resolution No.181 dated 25-5-50 the College Governing Body resolved (copy enclosed) that Sri A. Subramaniam be continued in service till the end of academic year 1950-51, subject to the approval of Government in view of the fact that experienced men are not available from the staff of Chemistry Department of the Salem College.

Though Messrs R. Shanmugham, B.Sc., (Hons) and V. Kameswaran, B.Sc., 1st Class, who are working as Demonstrators in the College are also qualified, yet they do not have sufficient experience for promotion as Lecturers and the other Lecturer in the Chemistry Department is also a juniorman who had hardly put in one year service. Hence it is quite necessary in the interest of the students who are appearing for the University examinations that a senior experienced Lecturer with 21 years standing should be retained in service for another year as Head of the Chemistry Department.

Sri A. Subramaniam, M.Sc., is an experienced lecturer, having served in the same institution for more than 21 years. At the time of his retirement he was drawing a pay of Rs.240/- p.m. in the scale of Rs.100-10-250. His work and conduct have always been found to be satisfactory and he is very popular. He is also physically and mentally strong enough to work for one more year.

In the circumstances explained, I request that the Government may be pleased to accord sanction to the re-employment of Sri A. Subramaniam during the academic year 1950-51. During the period of re-employment his pay will be regulated in accordance with G.O.Ms. No.1350 Edn., dated 4-9-45.

COPY OF GOVERNING BODY RESOLUTION NO. 181 DATED 25/5/1950.

Read Petition from Sri A. Subramaniam, Retired Lecturer in Chemistry, Municipal College, Salem, requesting to continue him in service till the Madras Government accept the recommendations of the Central Advisory Board of Education regarding the age of retirement or to continue him as a Honorary Lecturer till these proposals are accepted and office note thereon.

NOTE:- It is not definite whether the proposals will be accepted by the Madras Government and when it will come into effect. In the absence of definite ruling on the subject and according to the present orders on the subject no person in superior service can be retained in service after he completes his 55 years. Accordingly, Sri A. Subramaniam, retired from service on 24-12-49 on attaining the age of 55 years. In G.O. Ms. No. 3691 Edn., d/- 1-12-49 Government sanctioned his re-employment to the end of the academic year 1949-50. If he has to be re-employed any further, the special sanction of the Government will have to be obtained. At the time when his re-employment was applied for the Director of Public Instruction, Madras, called for information as to whether there are Junior Lecturer in the Chemistry department suitable for promotion to the post of Chemistry Lecturer and it was reported that Messrs R. Shanmugham, B.Sc., (Hons) and V. Kameswaran, B.Sc., 1st Class are qualified and suitable for promotion.

SRI A. SUBRAMANIAM BE CONTINUED IN SERVICE TILL THE END OF ACADEMIC YEAR SUBJECT TO THE APPROVAL OF GOVERNMENT IN VIEW OF THE FACT THAT EXPERIENCED MEN ARE NOT AVAILABLE FROM THE STAFF OF CHEMISTRY DEPARTMENT OF THIS COLLEGE.

Chairman, & President.
