GOVERNOR'S SECRETARY

GOVERNOR OF MADRAS

SECRETARY

15 MAY 1950

GOVERNMENT HOUSE
Ootacamund,
11th May 1950.

Dear Mr. Paul,

1147

Post War Services Reconstruction Fund - Grant of educational concessions to children and dependants of soldiers.

In G.O.No. 2230, Education, dated 11-7-49, the Government ordered that no new applications for the educational concessions to children and dependants of soldiers should be admitted from the academic year 1949-50. The Government also ordered that the concessions already granted to the children and dependants of soldiers should be continued only till the end of the particular course which they were undergoing at the beginning of the academic year 1949-50. The Director of Public Instruction represented to the Post War Services Reconstruction Fund Committee that there were a number of children and dependants of ex-servicemen who would apply for educational concessions for the first time and those who had finished a particular stage during the year 1949-50 and wanted to continue their educational career, that they were not eligible for the concession from the Government funds and that they were also unable to pay the fees etc., themselves. He enquired whether the P.W.S.R.Fund would aid these categories of students. The Committee considered his request at its meeting held on 3-2-50 and agreed in principle to meet this expenditure. The Director of Public Instruction was asked to frame rules to ensure that only deserving cases got these concessions. The Director of Public Instruction has accordingly sent a set of draft rules for the purpose for the Committee's approval. A copy of the draft rules is enclosed.

The following remarks are called for:

Draft rule 2. This rule may be redrafted as follows so as to conform to the definition of the term 'beneficiaries' in G.O.No. Ms.1770 Public (Resettlement) Department dated 14-8-46 as amended by G.O.No.Ms.4609 Development dated 12-9-49.

"Persons eligible for concessions: Children, wives and direct dependant brothers and sisters of the following personnel are eligible for the concessions:-

(i) persons of Indian domicile including subjects of Indian States who served in the Defence Services during the War of 1939-46 in the ranks of including non-combatants but excluding Commissioned officers and shall include also ex-servicemen refugees.

Note. 'Refugees' shall mean persons who have entered the State of Madras on or after the 1st March 1947, having, on account of Civil disturbances or the fear of such disturbances, left their usual places of residence in the Dominion of Pakistan or in any part of the territories, which, on the 15th August 1947, formed part of that Dominion.

(ii) I.N.A. personnel who went over from the Indian Armed Forces to the I.N.A.

(iii) Indian Pioneer Force personnel enrolled under the Indian Army Act."

Note under draft rule 2: It does not seem necessary that cases of adoption should be referred to the P.W.S.R.Committee. The Head of the institution may decide such cases himself after satisfying himself on the genuineness of the claim.

Draft rule 4 - Conditions for the grant of concessions: In clause (3) of this rule it is stated that children and dependants of soldiers whose pay including all allowances exceeded Rs.200/- per mens

are not eligible for the concessions. The limit of income should be that of the present income of the parent or guardian. It does not seem correct to take the past emoluments of the ex-soldiers who after their discharge may have little or no means now.

Clause (7) of draft rule 4: The Head of the Institution with the approval of the Director of Public Instruction may continue the concessions for another year in the same class, where failure to secure promotion is due to extraordinary reasons like illness, change of residence etc.

I would be grateful if you could kindly have the draft rules sent by the Director of Public Instruction examined with the above remarks very urgently and let me know as the rules will have to be sent to the Heads of Departments having educational institutions under their control before the schools and colleges open for the academic year 1950-51.

Yours sincerely,

P.Govindan Nair

ASSISTANT SECRETARY
1 OCT 1951
EDUCATION DEPARTMENT

I am to send herewith the enclosed [illegible] received from Sri K. Padmanabhan, Student, C.E., [illegible] Polytechnic, Kozhikode.

Till the year 1948-49 the Government were granting Educational concessions to all children and dependents of ex-service personnel. In G.O.No.2250 Education, dated 11-7-1949 the Government ordered that

(1) No new applications should be admitted from the Academic year 1949-50;

(2) Concessions already granted to children and dependents of Defence Service personnel (other than those killed or incapacitated as a result of war service) should be continued until the end of the particular course, Primary, Middle, High School or College which they were undergoing at the beginning of the academic year 1949-50.

Under the above orders, candidates who were not already in receipt of Government concessions in 1948-49 or earlier but who wished to apply for them for the first time in 1949-50 or in subsequent years became ineligible for the Government concessions. In such cases, the P.W.S.R.F. have agreed to grant the concessions from the year 1950-51.

As regards the children and dependants of other Defence Services personnel (i.e. soldiers other than killed or incapacitated) the following is the position.

If a student already in receipt of Government concessions was studying in IV Form at the beginning of 1949-50, he will continue to get the concessions from the Government till he completes his High School Course in 1951-52. If he wants to continue his education in the College, he will not be eligible to get Government concessions, but he may apply for assistance from the P.W.S.R. Fund for his college course in 1952-53, which is a fresh stage of education. Sri K. Padmanabhan would appear to have completed his school or college education in 1949-50 and joined the Kerala Polytechnic in 1950-51 for a professional Course. This is a fresh stage of education for which he is not eligible to get educational concessions from the Government but he will be eligible for the grant of educational concessions from the P.W.S.R.F. under Rule I. Appendix to G.O.1879, Education, dated 27-6-1950 if he satisfies the other conditions prescribed for the grant. The petition may kindly be disposed of in the light of above remarks.

In deserving cases, a shorter period may also be admitted. This condition as to approved military service will apply also to members of the Indian Navy, and the Indian Air Force. Mere recruitment to these two services does not confer on their children or other dependants eligibility for the concessions.

(2) The soldiers concerned should have rendered at least six months' approved military service with liability to serve overseas in a theatre of war between 3rd September 1939 and 31st August 1946.

(3) Children and Dependants of soldiers whose pay including all allowances exceeded Rs. 200/- per mensem are not eligible for the concessions.

(4) Children and dependants of soldiers ~~or~~ officers who have been killed or permanently incapacitated will not be denied the concessions by reason of the pension exceeding Rs. 200/- per mensem if their financial circumstances make the grant necessary.

(5) Claims for concessions should be supported by the following certificates:

(a) A certificate in the form prescribed in the Annexure to these rules either from the Officer Commanding of the Unit concerned or the Secretary D.S.S.& A. Board of the District concerned in the case of demobilised soldiers.

GOVERNOR'S SECRETARY'S REMARKS.

4. CONDITIONS FOR THE GRANT OF CONCESSIONS:

In clause (3) of this rule it is stated that children and dependants of soldiers whose pay including all allowances exceeded Rs. 200/- per mensem are not eligible for the concessions. The limit of income should be that of the present income of the parent or guardian. It does not seem correct to take the past emoluments of the ex-soldiers who after their discharge may have little or no means now.

Clause (7) of draft rule 4: The head of the Institution with the approval of the Director of Public Instruction may continue the concessions for another year in the same class, where failure to secure promotion is due to extraordinary reasons like illness, change of residence etc.

EDN. DEPT.(D).

With reference to 'X' of the Governor's Secretary's remarks above it is submitted that the condition regarding the income limit in respect of the children and dependents of military personnel who are getting the military concessions at present is that if a soldier was in receipt of an income over Rs. 200/- a month while in military service his children or dependents are not eligible for the educational concessions. Similarly if an ex-serviceman is in receipt of a monthly income of Rs. 200/- and over after his demobilisation his children or dependents are not eligible for the grant of the educational concessions. The Governor's Secretary's suggestion is ~~in his remarks above states that it is proposed~~ to restrict the award of the concessions from the Post War Services Reconstruction Fund only to children and dependents of persons whose present income exceeds Rs. 200/- a month and not to those who while in military service were in receipt of Rs. 200/- and over but ~~now getting Rs. 200/- and less a month.~~ This Deptt. need not stand in the way of the P.W.S.R. Fund granting the concession to the children and dependents of the type referred to at 'K' above.

As regards clause (7) of draft rule 4 those who fail to secure promotion for want of term days due to illness may also be declared to be eligible for the continuance of the concession for another year. Otherwise the draft rule may be accepted.

WAR - Educational concessions to the children and dependents of Military personnel - Grant from the Post War Services Reconstruction Fund Rules.

From the Governor's Secretary, No. 559/PWSR/50-3 dated 11-5-50.

The Governor's Secretary has forwarded a set of rules framed by the D.P.I. for the award of educational concessions to the children and dependents of ex-servicemen from the P.W.S.R. Fund. In G.O. No. 2230, Edn., dated 11-7-49 Govt. have ordered the discontinuance from 1949-50 of the educational concessions sanctioned for the children and dependents of Military Personnel in G.O. No. 610, Edn., dated 20-4-45 as subsequently amended. Consequent on the stoppage of the educational concessions there have been several representations from the institutions and individuals regarding the way in which the order No. G.O. No. 2230, Edn., dated 11-7-49 caused hardship to individual cases. The D.P.I. reported that he was in correspondence with the Administration of the P.W.S.R. Fund to see if the administration caused much grant from the Fund, educational concessions to individual cases considered being hard. The Governor's Secretary however reports that the Committee has agreed in principle to meet the expenditure on the grant of educational concessions to deserving cases of the children and dependents of Military personnel from the P.W.S.R. Fund and has forwarded a set of draft rules drawn up by the D.P.I. for the purpose of ensuring only deserving cases got the concessions. The Governor's Secretary has also forwarded his remarks in the draft rules.

> "The head of the institution with the approval of the Director of Public Instruction may continue the concessions for another year in the same class, where failure to secure promotion is due to extraordinary reasons like illness, change of residence, etc."

The term "reasons like illness" includes want of term days owing to illness. But, if the Education Department desire that this should be made plain in the rule such addition as is necessary may be made to the above note.

The rules will be issued by the Committee, but it may be preferable for Government to record them in a formal G.O. and issue to all heads of departments concerned.

CHIEF MINISTER'S

Honoured Sir,

Sub:- Free Concession-Military- to my brother-
applied to the Director of Public Instruction
-Madras-dated 23rd August 1953-reminder-
speedy sanction-prayed for.

With due respect I beg to bring the following lines to your kind consideration and favourable orders.

I beg to state that I have applied to the Director of Public Instruction,Madras for Military Free concession to my brother L.Jayaraj,Inter Senior,Madras Christian College,Tambaram in August 1953.

I beg to submit that though more than 18 months have elapsed nothing has been heard so far in spite of my repeated reminders. In fact the Principal of the College has stated in his letter dated 24th August 1954 that he has forwarded the application to the Director of Public Instruction in February 1954- a copy of which is enclosed for your perusal.

In this connection I beg to state that I incurred loss to an extent of about Rs.1000/- As a military servant I am not in a position to afford expense of my brother's education being stressed by other financial burden. As a result I fear that his studies may be discontinued in the near future if the Popular Government would not consider the matter and grant him the necessary concession.

I also beg to state that I am a converted Christian I am a clerk in the Military Department from the year 1943 serving loyally without any blemish.

Considering all the above circumstances I wonder why the Director of Public instruction has not considered my application and turning deaf ~~to~~ ear to my requests.

Above all I beg to state that because of my entire steps proved futile I submitting this petition direct to your honour for the speedy disposal of the paper by directing the Director of Public Instruction, to sanction the free concession asked for and render justice.

Yours faithfully,
Asirvadam

This was communicated to him in my letter of the 4th February 1954. Since then the Department of Public Instruction has not sent any orders sanctioning the concession . In the circumstances will you kindly address the Director of Public Instruction and find out for yourself why the concession has not been sanctioned

Sir,

SUB:- WAR — Educational concessions to children and dependants of soldiers - L. Jayaraj, I U.C. Madras Christian College, Tambaram.

****

REF:- Government endorsement No.7116 E4/55-1 dated 4-2-55.

****

1 With reference to the petition referred to me for remarks with the Government Endorsement cited above, I have the honour to state the following:-

2 An application for the grant of educational concessions under G.O.No.1879 Education dated 27-6-1950 on behalf of the student L. Jayaraj, I U.C., for 1953-54, was received in this office, and it was found, from the details furnished, that the soldier is not the direct brother of the student as the name of the student's father differed from that of the soldier's father. The poverty certificate produced along with the application (copy enclosed) was not in the prescribed form. Instead of a straight statement certifying the relationship of the student to the soldier, a modified form of certificate had been adopted, and the student had been certified to be under the 'guardianship' of the soldier C. Asirvatham. It had been added further down in the certificate that the initials of the student and of the soldier differ because the student is the step-brother of the soldier.

3 According to Note 2 under rule 2 of the Rules issued in G.O. 1879 Education dated 27-6-1950, step-brothers and half-brothers are also eligible for the concessions; step sons and step daughters are excluded.

4 The word step-brother has been understood to mean a child of one's step-mother by one's own father, though it is seen that, strictly according to the meaning in the dictionary, that would be a half brother. In the present case, the fathers of the student and of the soldier were different. So the Tahsildar's statement that the soldier and the student were step-brothers was not accepted, as, apart from what has been stated in para 1 above, it went counter to the commonly understood meaning. The Principal was informed, accordingly, in my Proceedings No.1728 MC 2/53 dated 2-3-54, (Copy enclosed) that the student was not eligible for educational concessions.

5 I may state that the meaning given in the Concise Oxford Dictionary for step-brother or step sister is, "Child of previous marriage of one's step-parent". Under this meaning, there would be no direct blood relationship between a soldier and his step-brother any more than between a soldier and his step-son and step daughter, who are excluded from the benefits of the scheme.

(p.t.o.)

6 I may also state, in this connection, that a question has been raised by the Collector of Malabar and the Secretary, District Soldiers' Sailors' and Airmen's Board, Madras, whether step-sons of soldiers who rendered qualifying war services are eligible for the concessions authorised in G.O.1879 Edn., dated 27-6-50. As step sons and step daughters have not been mentioned in the rules appended to the G.O., I am to conclude that they are not eligible for the concessions.

7 I request orders of Government whether the concessions may continue to be confined to brothers and sisters, including half brothers and half sisters, of a soldier or ex-service personnel and denied to step brothers and step sisters as they will have only nominal relationship with a soldier without any blood relationship.

Yours faithfully,

for DIRECTOR OF PUBLIC INSTRUCTION.

POVERTY CERTIFICATE.

This is to ~~verify~~ that L. Jayaraj, a student reading in I U.C. of the CHRISTIAN COLLEGE, MADRAS is under the guardianship of C. ASIRVADAM serving /served in the Defence Services in connection with the WAR of 1939-1946 and is too poor to continue his studies without the concessions, taking into account the financial circumstances of the family.

I have satisfied myself that the "Soldier's pay in the Defence Service does not exceed Rs 200/- a month.

The initials of the above mentioned individuals differ as the student is the step brother of the soldier who is the sole guardian of the student.

Sub: WAR - Educational concessions to children and dependants of soldiers - Step brothers and Step sisters and Step children - Clarification.

Ref: Government Memo.No.7116 EV/55-5 Edn. dated 23.8.55.

With reference to G.O.No.272, Education, dated 16.2.19[illegible] in which orders regarding the sanction of educational concessions were first issued, children of the soldiers who took part in the second world war only were eligible for the concessions. Subsequently, in G.O.605 Education, dated 11.5.1942, these concessions were extended to brothers and sisters of soldiers, provided they were mainly dependant on the soldiers. In G.O.No.610, Education, dated 20.4.1945, Government issued consolidated rules relating to the grant of educational concessions. While issuing the said consolidated instructions, it was stated that the term 'Brothers and Sisters' also include step-brothers and step-sisters and half-brothers and half-sisters (Vide: Note 2 to rule 1 in the Appendix to G.O. No.610 Education, dated 20.4.1945). No other previous orders regarding the eligibility of step-brothers and step-sisters seem to have been issued. It is, therefore, not known how Note 2 to rule 1 in the G.O cited was included.

2. As regards the eligibility of step-children, I invite the attention of Government to Government Memorandum No. 36773-C3/Education dated 7.12.1943 (copy enclosed), wherein educational concessions to step-children were also authorised. In view of this, even though step-children are not specifically mentioned in the consolidated instructions issued in G.O.No.610 Education, dated 20.4.1945, (vide note (1) of Clause 5 of the Appendix to this G.O. which reads 'Children include adopted children etc..) perhaps, it may be taken that step-children (step-sons and step-daughters) are not excluded, even though not specifically mentioned, and have to be taken as tacitly implied in the term 'children'

War - Educational concessions to the children of soldiers etc.
L. Jayaraj, I U.C Madras Christian College, Tambaram.

From Sri C Asirvadam, petition dt 17.1.53
" the D.P.I Rcm 1728 Mc2/53 dt 6.5.53

Sri C. Asirvadam has submitted a petition for the grant of war educational concession on behalf of L. Jayaraj Student I U.C Madras Christian College, Tambaram The D.P.I did not sanction the concession to the student as it was found that he was not the direct brother of the soldier, the names of the father of the student and that of the soldier being different

According to Note 2 under rule 2 of the Rules in Go Ms 1879 Edn dated 27.6.50 'step brothers' and 'half brothers' are eligible for the concession - The word "step brothers" according to the meaning given in the dictionary are children of a parent by another marriage. In the present case since fathers of the student and the soldier were different the D.P.I has not sanctioned the concession. As interference is necessary the petition

may be informed accordingly.

The D.P.I. has in this connection raised the question whether step brothers and step sisters may be excluded from the scope of the Concession as there is no direct blood relationship between the soldier and the step brother. No mention is made on this point in the note leading to G.O.No.1879 Edn. dt. 27.6.50. If "step brothers" are understood to mean 'children of a parent by another marriage' as stated at 'A' ante, there is blood relationship. The D.P.I's view in this regard does not seem to be quite correct. It seems that no change is necessary. Law may advise in this point in regard to 'M'

With regard to 'B' ante, the D.P.I's view seems to be correct. He may be informed accordingly.

The file may be sent to Law for remarks with reference to 'M' above.

and half-sisters. A step-brother or a step-sister of a soldier being the child of previous marriage of one's step-parent cannot claim blood relationship with the soldier. All the same, such a step-brother or step sister may be "a dependent brother or sister" of the soldier. As the note refers to half-brothers and half-sisters, the intention underlying it, is to specifically enable step-brothers and step-sisters also to claim concessions under those rules. Step-brothers and step-sisters cannot be understood as children of a parent by another marriage. In such a case, they can be rightly called only as half-brothers and half-sisters. It is a question of policy whether step-brothers and step-sisters should be excluded from the purview of the rules.
