In their orders referred to above, the Government have sanctioned the employment of two Lecturers in Botany in the Madras Educational Service with effect from the academic year 1950-51, one in the Government Victoria College, Palghat and the other in the Government Arts College, Coimbatore. The post of Lecturer in Botany, Government Arts College, Coimbatore is being filled by the transfer of Sri T.N. Venkatanathachari, the present Additional Professor of Botany, Presidency College, Madras. I submit the following proposals for filling the resultant vacancy in the post of Additional Professor of Botany, Presidency College and the new post of Lecturer in Botany, Government Victoria College, Palghat.

2. One of the two vacancies may be filled by the re-appointment of Sri N. Venkatasubramaniam who is a probationer in the "Natural Science Unit" of the Madras Educational Service awaiting re-appointment to the Madras Educational Service. Sri N. Venkatasubramaniam officiated as Lecturer in Natural Science, Teachers' College, Saidapet from 12-11-1947 to 25-11-1948 and again from 3-3-1949 to 23-6-1949. Vide G.O.Ms.2307 Edn., dated 30-10-1947. He has also officiated as Additional Professor of Botany, Presidency College, Madras, from 26-11-1948 to 1-3-1949. He reverted to the Subordinate Educational Service on 24-6-1949 for want of a vacancy in the Madras Educational Service and is awaiting re-appointment to the Madras Educational Service.

3. The other vacancy may be filled by the appointment of a suitable Assistant Professor or Assistant Lecturer under emergency provisions, as there is no other 'Probationer awaiting re-appointment to the Madras Educational Service' or 'an approved candidate' for appointment to the Botany Unit of the Madras Educational Service. Among the Assistant Professors and Assistant Lecturers in Botany, Sri K.S. Venkateswaran, B.A.(Hons.)(First Class)(Botany), L.T., is the senior-most. His record has been satisfactory. He has put in over 8 years of service as Assistant Lecturer. I consider him suitable for appointment as Lecturer in Botany.

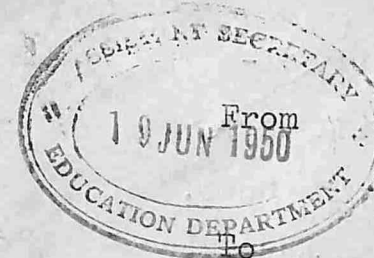

4. I recommend that Sri N. Venkatasubramaniam, Assistant Professor of Botany, Presidency College, Madras, may be re-appointed to officiate as Additional Professor of Botany in the same college, vice Sri T.N. Venkatanathachari transferred. I also recommend that Sri K.S. Venkateswaran, Assistant Professor of Botany, Presidency College, Madras, may be appointed to officiate as Lecturer in Botany, Government Victoria College, Palghat, temporarily, under Rule 9(a)(i) of the General Rules relating to the Madras Provincial and Subordinate Services.

5. The personal file of Sri K.S. Venkateswaran is enclosed herewith for perusal and return.

CL. No. 48/50, Dated the 15th of June 1950.

Sir,

Subject:- Madras Educational Service - Lecturer in
Zoology, Government Victoria College, Palghat -
Filling of the - Proposals submitting.

Reference:- G.O. Ms. No. 1337 Edn., dated 26th April
1950.

IN their orders referred to above Government have sanc-
tioned the employment of a Lecturer in Zoology in the Government
Victoria College, Palghat, for a period of two years from the date
of employment. I submit the following proposal for filling the
above post.

2. Sri H. Enoch, Assistant Professor of Zoology, Presi-
dency College, Madras, is the only probationer in the Zoology Unit
of the Madras Educational Service who is awaiting re-appointment
to that Unit. He officiated as Additional Professor of Zoology,
Presidency College, Madras, from 13th January 1949 to 3rd March
1949 and reverted to the Subordinate Educational Service for want
of a vacancy in the Madras Educational Service. He has to be re-
appointed to the present vacancy in the Zoology Unit of the
Madras Educational Service.

3. In this connection I may submit that as the Zoology
department in the Government Victoria College, Palghat is to be
organized from scratch, it is necessary to post a Lecturer who
has is more experienced than Sri H. Enoch. I, therefore, propose
to transfer Sri K.C. Ramaswami Ayyar, the present officiating
Additional Professor of Zoology, Presidency College, Madras, as

as Officiating Lecturer in Zoology, Government Victoria College, Palghat. Sri K.C. Ramaswami Ayyar, besides being very experienced in Arts Colleges, knows the conditions in the Govt. Victoria College, Palghat, having served as Assistant Lecturer in that College for about 8 years from 1938. He is a native of Malabar district.

4. I recommend that Sri H. Enoch, Asst. Professor of Zoology, Presidency College, Madras, may be re-appointed to officiate as Additional Professor of Zoology in the same College, vice Sri K.C. Ramaswami Ayyar proposed to be transferred to Palghat.

5. I solicit the favour of early orders.

Yours faithfully,

a break in continuity of service in the M.E.S. for the period from 24-6-1949 to 4-7-1950 he could not put in full 2 years service within a period of 3 years commencing from the date of his first promotion in the M.E.S. i.e., from 13-11-1947 to 12-11-50. The period falls short by 11 days.

Sri N. Venkatasubramanian represents, (His letter addressed to the Director of Public Instruction attached) that in as much as the post of the additional Professor in Botany, Presidency College fell vacant on 23-6-1950 due to the transfer of Sri T.N. Venkatanadhar, as Lecturer in Botany, Government Arts College, Coimbatore till 4-7-1950, i.e. the date prior to his taking charge of the post as Additional Professor, he may be considered to have been officiating in that post with effect from 23-6-1950, so as to enable him to cover up this deficiency of 11 days for the completion of probation of 2 years within the period of 3 years. He also expresses his willingness not to claim any upward salary in the M.E.S. for the period from 23-6-1950 to 4-7-1950. If this be done, then he need not be asked to recommence his probation from 5-7-1950; i.e. the date of his continuous service in the M.E.S. after that lapse. If necessary, the Government may kindly be addressed on the matter.

I regret the mistake in the calculation of the dates about probation and I am sorry for the recommendation of the completion of probation.

Copy of letter from N. Venkatasubramanian, M.A., L.T., Additional Professor of Botany, Presidency College, Madras to the Director of Public Instruction, Madras.

I wish to place before you the following facts for your kind perusal and favourable disposal

I was promoted to the M.E.S. on 13-11-1947 and reverted back to the S.E.S. on 24-6-1949. I was again promoted as Additional Professor of Botany from 5-7-1949.

I could not complete my probation of two years in the M.E.S. within a continuous period of three years - falling short by eleven days. Sri T.N. Venkatanathachari who was transferred to Coimbatore handed over charge of his office as Additional Professor of Botany on the forenoon of 23-6-1950. So this post was vacant in this college from 23-6-1950 to 4-7-1950, and if only I had been allowed to join duty on 23-6-50, I would have completed the probation of two years with the stipulated period. After twenty two years of service, it will be a real hardship if I am again asked to re-commence probation from 5-7-1950.

I, therefore, request you to be good enough to address the Government to make up this 11 days break and to consider me to have joined duty as Additional Professor of Botany, from the forenoon of 23-6-1950, the day on which Sri T.N. Venkatanathachari handed over charge. I may also state, in this connection, that I will not claim any extra difference in my pay due to my probation from the S.E.S. to the M.E.S. for these days.

11.3-4

There is a substantive vacancy in the Botany Unit of the Madras Educational Service (i.e. in the post of Professor of Botany in the Presidency College, Madras). This has been reserved for eventual confirmation of a Chief Professor when one is recruited. Hence, by completing his probation earlier, Sri N.Venkatasubramanian is not likely to be confirmed immediately. However, if the period from 23.6.50 to 4.7.50 is allowed to be counted towards his probation, he will become eligible for increment a few days earlier. If the period is not counted the postponement of increment is a recurring loss to him. Moreover, the Officer will have to wait for two more years to gain the status of an "approved probationer" while many of his juniors would have completed their probation in the Madras Educational Service.

2. As regards the other point, it is reported that, as the post of Additional Professor in Botany was vacant during the period from 23-6-50 to 4-7-50, Sri N. Venkatasubramanian who was then Assistant Professor of Botany, Presidency College, actually attended to the duties of the post of Additional Professor.

Probation.

The probationary period for the Profs. and
Lecturers in the M.E.S. is 2 years, in total, within a continuous
period of 3 years.

Sri N. Venkatasubramanian commenced his pro-
bation as Lecturer on 13-11-47. After putting in service for
1 yr., 7 mths. & 10 ds., he reverted on 23-6-49 for want of a
vacancy. After a lapse of more than ^{one} year, he was re-apptd.
as Addl.Prof., Presy. College, from 5-7-50. On 12-11-50, ^{C.E.} the

be taken into account for probation. But he has now represented
that he may be deemed to have been re-apptd. as Addl.Prof. from
23-6-50, instead of from 5-7-50, to enable him to complete his
probation ~~fr~~ before 13-11-50. The Prl. and the D.P.I. recommend
the request. The reasons given by the Dir. are at p.5 C.F. In
view particularly of the fact that the officer was attending to
the duties of the Addl.Prof. ~~post~~ from 23-6-50 to 4-7-50, ~~which~~
~~post was then vacant~~, it is for orders whether the Dir.'s recom-
