COPY OF THE PETITION DATED 25-12-48 RECEIVED FROM V.M.VENKATRAMAN,
TAILORING INSTRUCTOR, MUNICIPAL HIGHER ELEMENTARY SCHOOL, PONNAMMAMPET.

COUNTING of continuous service under single service register
payment of the difference in salary - providing appointment
in the new scale viz., 50 - 2 - 90.

I, V.M.Venkatraman, the undersigned, most humbly beg to bring
for your kind consideration and favourable orders the following:

I was first appointed as the acting Head master of the Sivaswami-
puram extension boys' school, as per enclosure No.1 on and from
9-9-1933 and on 7-6-1937, I was relieved to join my new appointment
as sewing instructor at Peramakudi High School under the South
Ramanad Dt.Board as per enclosure No.2., wherein my service register
No.1 pages 4 and 5 it is stated, as transferred to South Ramanad Dt.
Board. As my transfer was only made on the mutual consent of both
the local bodies, it was stated so above.

Since I am the old student of Salem Municipal High School and that
I had my first appointment as acting Headmaster of the Municipal Ele-
mentary school, Salem, I was more inclined to go over here when the
Tailoring Instructor of Salem Ml.High School retired from
his service. Hence I applied through the Dt.Board, Ramanad to the
Commissioner, Salem Municipality, for appointment to the above post,
and to which I was appointed as per enclosure No.3. Now, the Ramanad
Dt.Board granted me leave on loss of pay for two years with permission
to seek employment elsewhere, as it could be seen from my service book
volume No.2 maintained by the Ramanad Dt.Board.

In the Salem Municipal High School, I was started on Rs.30/- p.m.
only though my salary at Ramanad Dt.Board at the time of my relief, was
Rs.34/- p.m. and my representation to the Municipal Council, Salem, in
the matter was of no avail as it could be seen from enclosure No.2.
In the meanwhile, the notice of abolition of the post of the Tailoring
Instructor and the consequent vacating of my permanent lien in the
Ramanad Dt.Board was served on me on 29-5-1944, enclosure No.5. On service
of above notice, the Salem Municipality asked me about my willingness
to my continuance of service and I agreed. Now, on 13-9-48, I have
been given 3 months notice of termination of service on account of
abolition of the Tailoring Section, ec.No.6. and whether I would be
willing to take up appointment as Tailoring Instructor in the Ml.H.E.
Schools in ecn.8. I have stated in my reply to the above, that I
would be willing to take up the appointment if I could be given the
salary I was last drawing viz., Rs.54/- p.m. in the grade of Rs.50-2-90
and I have not been so far favoured with any reply at all. I was
relieved on 13-12-42. Here I have to point out that my above service
has a separate service register volume No.3. This being so, as per
Roc.C2.15160/43 of the Commissioner, Salem Municipality I have joined
duty as a tailoring instructor in the scale of Rs.30-1-45 from 13-12-43
encl. No.7.

In the above circumstances, I beg to request you to kindly treat this
as a special case and recommend in consideration of my past services from
9-9-33 to 12-12-48 for taking in the grade of Rs.50-2-90 scale and recog-
nise my past services by continuing in one and the same service register
and sanction payment of the difference in salary.

Sd/- V.M.Venkatraman,
TAILORING INSTRUCTOR.

Sir,

Sub:- Education - Elementary Education - Prevo-

fixation of pay - appeal regarding.

REF:- Your letter No.578-B2-49 d/- 13/8/1949.

In connection with the fixation of pay etc., of Sri V.M.Venkataraman, Tailoring Instructor, there are three references from this office in the current numbers as noted below:

(1) C3.9952/48 dated 16/18-2-1949.

This is a reference on the appeal of Sri V.M.Venkataraman. In his appeal he has stated that his past services should be counted for advance increments in the revised scales of pay. This has been dealt with in detail in my forwarding remarks.

(2) C2.13160/48 dated 16-2-1949.

The post of the Tailoring Instructor, Municipal High School, Salem, was abolished and the incumbent Sri V.M.Venkataraman, who was drawing Rs.54/- p.m. in the scale of Rs.50-2-90 was given 3 months notice to quit the service. Meantime he was appointed as a Tailoring Instructor in the Elementary Schools which post was vacant then on Rs.30/- provisionally in the scale of Rs.30-1-45. As he was drawing a pay of Rs.54/- p.m. as Tailoring Instructor in the High School it was recommended to Government in the reference cited that his pay may be fixed in the elementary school at Rs.54/- p.m. i-e., at Rs.45/- maximum in the scale of Rs.30-1-45 plus Rs.9/- personal pay.

(3) C2.403-49 dated 17-2-1949.

This is an appeal from Sri V.M.Venkataraman wherein he has requested that he should be paid at Rs.54/- p.m. in the scale of Rs.50-2-90 even though he works as a Tailoring Instructor in the Elementary School. The scale of pay attached to the post of Tailoring Instructor of Elementary Schools is only Rs.30-1-45.

Orders are requested on the points mentioned below

(1) He was taken as a new entrant in the Municipal High School and he joined duty on 23/7/42. He was not taken on foreign service terms or on transfer. He was in service in the Ramnad District Board from 10-6-37 to 21-7-42. He wants that while calculating service for advance increments his service in the Ramnad District Board should also be taken into account for purposes of granting advance increments and fixing his pay in the revised scales of pay. Whether his services put in under another local body can be taken into account in fixing his pay in the revised scale of pay under the Municipality is a question to be decided by Government. The post of Tailoring Instructor of the Municipal High School, has also been abolished now (Item No.1 above)

(2) He has been appointed from 13-12-48 date of cessation of his service in the Municipal High School, Salem, as a Tailoring Instructor in the Elementary Schools under the same management. The scales of pay of Tailoring Instructor in Secondary School and in elementary school are different viz., Rs.50-2-90 and 30-1-45

(p.t.o)

Rs.30-1-45 respectively. At the time of cessation of his service from Municipal High School he was drawing Rs.54/-. It was recommended that his pay in the elementary school may be fixed at Rs.54/- i.e., 45 plus 9 personal pay. He has put in a petition that he should be allowed the same pay viz., Rs.54/- and the same scale of pay viz., Rs.30-1-45 (Items 2 and 3 above). Orders of Government are requested whether he should be paid at Rs.54/- p.m. i.e., Rs.45/- plus 9 personal pay in the scale of Rs.30-1-45 as recommended in this office letter No.C2.13160/48 dated 16/2/49 or whether his pay should be fixed at Rs.54/- p.m. in the scale of pay of Rs.50-2-90.

His Service Register wherein entries have been made from 23-7-42 is sent herewith.

Sub:- Elementary Education - Prevocational Instruction - Sri V.M. Venkataraman - - Fixation of pay - Municipal Elementary School, Salem.

One Sri Venkataraman was a teacher under the Municipal ^{Council} High School, Salem, for the following periods:-

9.9.37 to 7.6.37
23.7.42 to 12.12.48

During the period from 10.6.37 to 22.7.42 he was employed under the Dt. Board, South Ramnad. This ^{teacher} was in ~~continuous~~ ^{uninterrupted} service either under the Municipal Council, Salem, or the District Board, South Ramnad during the period from 9.9.1937 to 12.12.48. On account of the abolition of the post of Tailoring Instructor in the Municipal High School, his services were found superfluous. He was accordingly employed as a teacher in an elementary school under the Municipal Council, Salem, on the minimum of Rs.30/- in the scale of 30-1-45, ^{from 12.12.48} while he was drawing a salary of Rs.54/- under the same Municipal Council as a teacher in the Municipal High School. ^{from 12.12.48}

The teacher requests that in view of the service of 15 years rendered by him as a teacher in the ~~secondary department~~, he may be allowed to draw a pay of Rs.54/- in the elementary school. The Examiner of Local Fund Accounts has no objection to the fixation of the pay of the Instructor at Rs.45/- the maximum of the time-scale admissible to such teachers of the elementary schools. The excess of the pay drawn by the teacher previously over the present maximum is only Rs.9/-. It is for orders whether

the teacher may not be permitted to draw this salary as a personal pay in view of the fact that he has

been rendering continuous service from 7.9.33 with a break for only 2 days (8th and 9th June 1937)

The remarks of the D.P.I and those of the Exr will be found at pp 13+15 respectively. Their recommendation is that the teacher's pay may be fixed at Rs 45/- the maximum in the scale admissible to an elementary school teacher. E & P have, however, proposed that the teacher may be allowed a personal pay of Rs 9/- in addition to the maximum pay so that there may be no loss in his emoluments which he was getting in the post of Tailoring Inspector before it was abolished.

This proposal is based on the recommendation of the Commr. Strictly speaking, the teacher is not entitled to the pay of Rs 54/- in view of the hardship involved in the denial of the personal pay of Rs 9/- the proposal may be agreed to.

The file may be passed on to Fin.

There seems to be no case for the grant of anything more than Rs 45, the maximum pay of the post of the Tailoring Instructor

which he is now holding in the D.P. School. This itself would be a concession.

The note on pp 1-3 above (and the remarks of the D.P.I & the Exr) may be perused. This Dept need not object to the proposal as it also

The teacher was found surplus in the D.P. School and was employed in the Elementary School evidently in view of his long service. The pay of the latter post is Rs 30-1-45. He is now drawing the minimum. It is proposed to fix his pay as Rs 45 + P.P. 9 so as to prevent him from losing in emoluments.

It has to be noted that his employment in the Elementary School is by itself a concession. However, in view of the remarks of the Exr on page 15 CF, he may be allowed Rs 45 p.p. the maximum of the scale, as a special case.

It does not seem necessary to fix him any personal pay as this is given only when the incumbent of a post loses in emoluments on account of the revision of the pay of the post held by him and not when he is appointed to a definitely lower post.

The file relates to the question whether the pay of

him a personal pay of Rs 9 p.m. so as ^{that he may not} ~~to make him~~

to the ~~same~~ proposals. Finance ^{have} ~~have~~ objected ^{only}

by them at 'M' on p 3 ante. In view of the long service of

COPY OF THIS OFFICE LETTER ROC.NO.C2.13160/48 DATED 16-2-49 ADDRESSED
TO THE SECRETARY TO GOVERNMENT, EDUCATION & PUBLIC HEALTH DEPARTMENT,
THRO' THE DIRECTOR OF PUBLIC INSTRUCTION, MADRAS.

Sub: EDUCATION - Elementary - Ponnammampet and Kitchipalayam
Higher Elementary Schools - appointment of a Tailoring
Instructor.

In M.C.R.No.916 dated 26-8-48, copy enclosed, the council has
approved the abolition of the tailoring section in the Municipal
High School, since tailoring was not one of the subjects included
in the secondary education reorganisation scheme. An Instructor
in tailoring appointed permanently was working in the High School
in the scale of Rs.50-2-90 and he was drawing Rs.54/- on the date
when the section was abolished.

In M.C.R.No.1532 dated 28-2-48, copy enclosed, the council had
sanctioned the appointment of a tailoring instructor in the Pon-
nammapet and Kitchipalayam Higher Elementary Schools. As per
Elementary Education syllabus, in Higher Elementary Schools, a
prevocational subject had to be taught and tailoring was the
subject selected for teaching in the above two schools. The
scale of pay in the Elementary School for a tailoring instructor
is Rs.30-1-45 and no qualified instructor was available for appoint-
ment in the above scale of pay.

The tailoring instructor of the High School was given notice on
13-9-48 that his services will not be required after three months
in the High School as per M.C.R.No.916 dated 26-8-48. He was also
asked to state whether he would be willing to take up the appoint-
ment of a Tailoring Instructor in the Elementary School in the
scale of Rs.30-1-45. In his petition dated 14-9-48 he had expressed

the High School.

The District Inspector of Local Fund Accounts, Salem, was addressed in this office letter No.C2.13160/48 dated 29-10-48 for remarks whether the Tailoring Instructor may be paid Rs.54/- p.m. in the Elementary School in the scale of Rs.30-1-45. In his letter No.L.F.1014 dated 3-1-49 he has replied that sanction of Government is necessary for allowing him to draw the pay of Rs.54/- in the Elementary school.

The instructor is working in the elementary school from 12-12-48 temporarily.

As the tailoring instructor is a permanent employee of the council, and as qualified instructors are not available for appointment in the Elementary Schools, I request that the Government may be pleased to fix his pay in the elementary school at Rs.54/- p.m. i-e., at Rs.45 + 9 personal ~~pm~~ pay on the scale of Rs.30-1-45
