2) The class and Form-war strength of the school during 1949-50 was as shown below:-

|           | Strength. | No. of sections.                            |
|-----------|-----------|---------------------------------------------|
| Form. VI. | 82.       | 2.                                          |

| " IV      | 90.       | 2.                                          |

| " I.      | 110.      | 4. -do-                                     |
| Class. V. | 93.       | 2.                                          |
| " IV.     | 95.       | 2.                                          |
| " III.    | 47.       | 1.                                          |
| " II.     | 45.       | 1.                                          |
| " I.      | 46.       | 2. (One Tamil and one Telugu).              |

3. The strength of Forms III to V necessitates the continuance of the second sections in Forms IV to VI and of the staff employed therefor during 1950-51. The total strength of the two Tamil sections in Form III alone was 90 during 1949-50, and there is therefore need for the continuance of two Tamil sections in Form IV during 1950-51.

4. The strength of the additional sections in Forms I to III with Malayalam and Telugu as media of instruction during 1949-50, is furnished below:-

|          | Telugu. | Malayalam. |
|----------|---------|------------|
| Forms I. | 25.     | 13.        |
| " II.    | 21.     | 14.        |
| " III.   | 17.     | 24.        |

There is need for the continuance of these additional sections and of the temporary posts of Secondary Grade teachers sanctioned therefor. There is also need for the continuance of the Telugu section in class I opened in 1949-50 (vide G.O. Ms. No. 2512 Edn. dated 6-8-1949) and of the post of Secondary Grade teacher sanctioned therefor. The circumstances that necessitated the creation and further continuance of the two posts of Secondary Grade teachers for imparting instruction in Telugu and Malayalam in the Primary classes continue to exist and these posts also have therefore to be continued. There is need for the continuance of the posts of the laboratory peon and the Music Mistress also.

5. The additional sections (second sections) in Forms IV, V and VI in the school were opened during 1943-44, 44-45, and 45-46 respectively -vide- G.O. Ms. No. 825 Education dated 9-6-44 and 914 Education dated 18-6-45 and they have been in existence ever since. Thus all the three additional sections and the three posts of L.T. Assistants sanctioned therefore have completed five years of continuous existence and more by the end of the school year 1949-50. I therefore request that Government may kindly sanction the permanent retention of these three posts of L.T. Assistants with effect from 1-6-1950.

6) Sanction may also be accorded for the continuance during the school year 1950-51 of the remaining posts viz:-

- 1) One Laboratory peon.
- 2) Three Secondary Grade teachers, for the additional sections in Forms I to III with Malayalam as medium of instructions.
- 3) Three Secondary Grade teachers for the additional section in Forms I to III with Telugu as medium.
- 4) One Secondary Grade teacher for the Telugu section in class I.

- and 5) Two Secondary Grade teachers for imparting instructions in Telugu and Malayalam to the pupils of the primary classes  
and 6) One Music Mistress.

7. Two additional sections have to be opened in 1950-51, in Form IV one with Telugu medium and the other with Malayalam to provide for those promoted from the Telugu and Malayalam sections in Form III. The Inspectress has reported that 16 girls have been promoted to Form IV from the Telugu Section in Form III and 21 from the Malayalam section. The strength justifies the opening of an additional section in Form IV with each Telugu and Malayalam as media of instruction. I therefore request the sanction of Government for the same and for the employment of two L.T. Assistants for the two additional sections for a period of one year from the school year 1950-51.

8. An additional Telugu section has to be opened during 1950-51 in class II to provide for those promoted from the Telugu section in class I opened last year (i.e.) 49-50. During 1950-51, the second section in class IV will be abolished and the post of permanent Secondary Grade teacher released thereby will be utilised during 1950-51 for the second section in class II (with Telugu medium). This arrangement may kindly be approved.

9. I request that Government may kindly issue very early orders in the matter. To avoid dislocation of work, I am permitting the continuance of the temporary posts referred to above, in anticipation of Government sanction. My action may kindly be approved. The proposals received from the Inspectress were defective and further correspondence had to be entered into with subordinate officers. Hence the delay in submitting the recommendations to Government.

Yours faithfully,
