Islands - Laccadives - Kalponi - Govt. Ele.School - Appointment
of an additional teacher - sanction - requested.

B/ A
There are six standards (I to VI) in the Government
Elementary School in Kalponi Island. The present strength of the
school is 77. But there are only two teachers. The headmaster
requests that an additional teacher may be appointed. The Dt. Educational
Officer, N.Malabar, who was consulted in the matter, says that there
is no objection to have three teachers. The Inspecting Officer, who
visited the islands recently, also recommends the appointment of
an additional teacher. I agree with him, and recommend the appointment
of an additional teacher to the Government Ele. School in Kalponi
Island.

A copy of the Island Inspecting Officer's report in
the matter is enclosed.

The D.E.O. has ~~been~~ endorsed on the petition of the Headmaster of the Government school Kalponi that there is no objection to have three teachers. Though the strength of the school has slightly fallen now from 100 to 77 my enquiry shows that appointment of one additional teacher will be desirable as there are still quite a large number of school going boys and girls who are not now attending the school. Government may be addressed for sanction of an additional teacher for the school.

The post if sanctioned may be offered to C.N.Beebi, daughter of the present Headmaster, who has just passed the S.S.L.C. Examination. I have seen her. She appears to be quite suitable. The Islanders favour her appointment.

The Collector of Malabar

has requested that an additional (third) teacher
may be appointed in the Govt. H.S. School in
Kasperi Island. The proposal it is stated has
also been recommended by the St. R.O. Malabar
and the Inspecting Officer. The entire cost
involved in the proposal works out to Rs. 732/-

It is stated in the report of

the Inspecting Officer that though the strength

of the school has fallen now from 100 to 77 it
would be desirable to have an addl. teacher
as there are still quite a large number of
school going boys and girls who are now
not attending the school.

not put up

According to Rule 71 of the
Madras Educational Rules, an addl. teacher
may be employed for every 35 pupils
though it is quite desirable that 30 pupils
may be taken as the maximum. That a
teacher can handle. ~~According to strength~~
of the school ~~the strength is 77~~
and has already got two teachers. ~~and there~~
an excess over the standard basis of only 7
pupls for which it seems unnecessary to appoint
an addl. teacher now.

Pls refer to

Enclosures advise of air the proposal

and suggest that the question of appointing
an addl. teacher may be considered when
there is an improvement in the school strength.
The proposal in this case relates
to a school in the Laccadive Islands. The
standard cannot be applied to backward areas
of this kind very strictly. Adopting 30 as the
desirable maximum number of pupils per class, there
will be an excess of 17 pupils. A third teacher
may be agreed to further, as it is stated that
there are a large number of school-going children and
the strength may increase.

Pl. see to above. The draft order
may now issue

Sir,

SUB: ISLANDS:--Laccadives--Kalpeni--Government Elementary
School--Sayed Koya(Sri) C.N. Additional teacher--
claim for higher rate of pay--report--submitted--
orders.

In this Office proceedings.A7.30498/54 dated
17.9.1954, Sri.C.N.Sayed Koya, an outsider, was appointed as a
temporary teacher in place of Sri.K.Abdulla Koya, who was granted
leave for 6 months from 1.11.1954. According to the certificate
then produced by Sri.C.N.Sayed Koya it was found that he had
completed secondary training. As he was an untrained hand then,
he was sanctioned a pay and D.A. of Rs.20/- and Rs.18/- respectively
per mensem, the rate admissible under G.O.Ms.1100, Public(Refugees)
Department dated 7.5.1948. Sri.C.N.Sayed Koya was again appointed
as temporary Asst.Teacher on the above mentioned rate of pay
and D.A. from 1.6.1955 in the post sanctioned in G.O.Ms.924,
Education, dated 19.5.1955. He still continues as temporary
teacher. He requests that, as he had passed the secondary training
school leaving certificate examination held in March, 1954, he
may be paid the rate of pay admissible to Secondary trained
teachers during the period of his service as teacher in the Govern-
ment Elementary School Kalpeni. He has also produced his secondary

training school leaving certificate.

2. The temporary post of the additional teacher Kalpeni was first sanctioned in G.O.Ms.1899, Education, dated 29.6.1950 for a period of one year. The term of the post has been extended from time to time. The present sanction of the post is to expire on 31.5.1956 and proposals for retention of the post for a further period of one year have already been submitted to the Government through the Director of Public Instruction, Madras in this Office Ref.C.10.4235/56 dated 23.2.1956. Before Sri.C.N. Sayed Koya was appointed as additional teacher, one Srimathy C.N.Beebi another untrained hand was working in the post and she was also given a pay of Rs.20/- and D.A. of Rs.18/- p.m.

3. The Government orders mentioned above in which the post of the teacher was sanctioned and the term of the post extended from time to time do not specify the grade of the teacher or pay scale of the post sanctioned. There are no sanctioned posts of Secondary trained teachers at present in the Government Elementary School, Kalpeni. Sri.C.N.Sayed Koya was working as teacher from 1.11.1954 to 30.4.1955 and from 1.6.1955 onwards. From the certificate produced, it is seen that he had passed the Secondary training school leaving certificate examination held in March 1954. In view of the fact that the service is in the island, I recommend the grant of pay ~~service-is-in-the-island~~ of Rs.45/- per mensem the rate applicable to Secondary Grade teachers to Sri.C.N.Sayed Koya, with effect from the date of the order to be issued by Government.
