From Dr. B. S. Baliga, Ph.D. (Lond.),
Curator, Madras Record Office,
CHITTOOR.

To The Secretary to Government,
Education and Public Health Department,
Fort St. George, MADRAS.

Sir,

Sub:- Madras Record Office - Access to
records - Sri V. Shanmugasundaram -
Permission - Requested.

I enclose a letter which I have received from
the Professor of Indian Economics, University of Madras,
forwarding and recommending an application from Sri V.
Shanmugasundaram, a research student working in his Depart-
ment, for permission to consult the printed records available
in this office from 1919 to the present day relating to the
subject "Recent Trends in Federal Finance".

2. According to the rules governing access of the
public to the records in this office for purposes of bona fide
historical research, the permission of the Government is
necessary for consulting the records of all the departments
subsequent to 1856. Besides, the records of the last 50 years
being current records, the originals of the records of this
period are not thrown open to research and only the printed
copies of the records placed at the disposal of the press
during this period are made available to research students.

-2-

3. The Research Student desires to consult the records relating to his subject up to the present day. But as the records subsequent to 1944 have not yet been transferred to this office, he can examine the papers placed at the disposal of the Press only from 1919 up to 1944.

4. I do not see any objection to his being granted permission to consult the printed copies of the records relating to his subject which have been placed at the disposal of the Press from 1919 to 1944. As all printed copies are however now kept at the Egmore branch of this office, the research will have to be done at that office.

5. If the Government grant the permission applied for, the usual precautions will be taken to see that he does not consult the records which are not relevant to his subject and that the notes taken by him are scrutinised before he is allowed to make use of them. Care will also be taken to see that the rules governing research contained in G.O.No.58, Finance, dated 5-2-1932 and 297 Finance, dated 2-5-1935 are duly observed by the Research Student.

Yours faithfully,

M. Mahalingam
