Sir,

Sub. Memorial for reconsideration for exemption from the prescribed qualification for the post of Headmaster.

Ref: G.O.Ms.No.3135 Education dated 12th October 1949

I beg to submit this memorial for favourable consideration of my just claims. I claim exemption only for the post of the Headmaster in this institution, in terms of seniority and promotion and not as a general exemption. It is not even an exemption to be newly granted but only a confirmation of the exemption already granted to me on previous occasions to be extended in this matter as well. In view of my satisfactory work all these 14 years I pray that the Government may be pleased to grant me the extention of a favour granted to me in this matter of seniority and promotion also.

1. I entered service in 1935 and have put in 14 years and 4 months continuous service in the Municipal Deaf and Dumb School and officiated thrice as the Headmaster from 2-7-35 to 8-4-1936, 5-4-44 to 5-1-45 and 6-10-1948 to 4-2-1949 in all, a period of 1 year and 4 months and I am still holding that office.

2. The Council with Government sanction was pleased to give me the Headmaster's allowance of Rs.10/- for the periods I was officiating as such.

3. The council with Government sanction was also pleased to give me the scale of pay applicable to the Secondary grade Teacher in a special school as a special case, in appreciation of my honest and satisfactory discharge of duties.

4. The Rules fixing the trained Teachers Certificate came in force in 1942 (G.O.No.1827 dated 22-12-42) when I was already in service and had more than once officiated as Headmaster.

5. In 1935, when I went for the Competency Examination the rules did not require a trained teachers certificate for this purpose. Therefore this new rule is not applicable to me as it can apply only to new adherents to service.

G. issued in Proceedings 4551/49 Dn

6. Even after the G.O. came into force I have officiated as Headmaster and I am still holding the post. The council with Government sanction was pleased to give me the just and proper exemption in this matter of my scale of pay as per G.O. MS. 3314 Education dated 28-12-1948 and officiating allowance as per G.O. MS.2797 dated 30-6-36 and G.O.No. 1781 dated 27-11-44 and Government Memorandum No.30-1 D.Edn. dated 8-1-45.

7. As per R.C.1931 G/41 dated 5-1-43 of the D. I. P. the special qualification required under G.O. No.1827 in 1942 can be relaxed by the Director of Public Instruction and in granting the Headmaster's allowance and fixing the scale of my pay as per G.O.3314 dated 28-12-1948, the D.P.I. has virtually granted to me, this exemption and not to extend this now when permanency has occurred, is to cancel this favour, of exemption already granted. This injustice affects me seriously.

8. Ever since I was appointed as an assistant I have been entrusted with the work of accounts, correspondence and submission of periodical returns and have discharged my duties to the entire satisfaction of my superiors. I may be allowed to submit that my application, I understand, has been very favourably considered by the Council and recommended for favourable orders.

9. In spite of my honest, sincere and satisfactory discharge of duties, my 14 years experience, the exemption already granted is not extended, my assistant with no experience as mine and to one to whom I have given training will replace me and it will be a great hardship and injustice to me.

Therefore I humbly submit that the Government may be pleased to consider

(1) my just claims,

(2) the injustice and hardship that will be caused to me in case my claim is not favourably considered

(3) the long experience of 14 years,

(4) the appreciation of service I was able to get from my immediate superiors,

(5) the fact that the rules in force in 1935 when I entered service did not require this certificate of the ordinary grade,

(6) that even after the rule came into force in 1942 I was given exemption in the matter of scale of pay and officiating allowance, and

(7) what I now justly claim is not any new exemption, but only

(8) a confirmation of what has already been granted to me

(9) and that too in the matter of promotion and seniority alone.

I further submit that this confirmation, if not granted to me now as fully stated in para 7, will virtually amount to a cancellation of a favour already granted to me and I pray that justice may be done to me.

I beg to remain,
Sir,
Your most obedient servant,
J. Rangaveda Pillai

Thangavelu Pillai, Assistant, Municipal Deaf and Dumb School, Coimbatore for exemption from qualifications prescribed for the post of headmaster of the school cannot be complied with. He has now petitioned for a reconsideration of the orders. In view of the teacher's long experience and in view of the fact that he had acted as headmaster on previous occasions when temporary vacancies arose, the petitioner's request has been supported by the commissioner, Coimbatore Municipality.

2. The D.P.S, to whom the petition was referred, has pointed out that the teacher is now acting as headmaster and that therefore he will have to be exempted at least temporarily from the possession of the prescribed qualifications. The Director has therefore suggested that notwithstanding the orders refusing permanent exemption from the qualifications, ~~the petitioner may be~~ the question of granting temporary exemption will be considered by him under the provisions of Rule 6(b) (ii) on the merits of the case. The Director does not apparently consider it necessary to reconsider the orders refusing permanent exemption from the possession of qualifications prescribed for the post of headmaster. In the circumstances it is for orders whether the petitioner may be informed
