14th June,

1950.

My dear Mr. Madhava Menon,

Ref: Building of Hostels for the Colleges
of Engineering & Technology in the -
Annamalai University.

The accommodation of Engineering students in hostels is becoming an acute problem to the University. At present there is no hostel - built specially for them. Till now they have been accommodated in hostels intended for Arts, Science and Oriental sections. The result is a feeling in the members of the hostels that they have not been accommodated in the best manner possible. Proper and sufficient amenities, such as bath-rooms, lavatories, sufficient space for sleeping etc., are lacking. This overcrowding has brought about in the past considerable dissatisfaction among the students of Arts, Science & Engineering, tending towards frequent - clashes and disturbances. Recently 24 rooms with closets of the English pattern have been added at a cost of Rs. 36,000/- and even this will not meet the needs of the students that seek hostel accommodation.

I therefore, considered it necessary, as a sort of information to the students, to notify in the prospectus that there is no hostel for the Engineering students excepting one, the Travancore Hostel.

It is, therefore, time that the University seriously takes up the matter of the construction of hostels for the students of the College of Engineering and Technology. The plans and estimates are ready for the construction of second hostel at a cost of nearly two lakhs of rupees. Provision has yet to be made for the accommodation of another 250 students which may cost about 5 lakhs of rupees. In all for the Engineering hostels alone, the amount needed is 7 lakhs.

The Government have approved construction of hostels in the University at a cost of Rs. 10 lakhs for the Arts and Science, and Engineering and Technology Colleges. The Government in their communication have promised a half grant of 4½ lakhs deducting the donation of one lakh by the Maharajah of Travancore for the hostel named after him.

As a result of starting the College of Engineering and Technology for which all available resources

My dear Premier,

I am enclosing herewith a copy of my letter to the Hon'ble Mr, K.Madhava Menon, Minister for Education regarding full grant for construction of hostels in the University. As the letter is full, I do not propose to take up your time with a reiteration in this letter. I most earnestly request you to kindly give the full consideration for all the points I have urged in the letter. I need hardly add how anxious I am to provide hostel accommodation for all the students. With grant assured, I can proceed with the work immediately and complete the scheme in record time. The University would be grateful if you would kindly accord Government sanction for full grant of Rs.9½ lakhs towards the 10 lakhs scheme.

With kind regards,

Yours sincerely,

Copy to the Hon. the Premier.

University - Annamalai -
of hostels for the students of
and Technology courses. En
of grant - Orders passed.

From the Vice-Chancellor, Annamalai
University d 14.6.1950
Order No 1915 Ednd 3/7/50
MS

In G.O. No 779 Ednd
d 10-4-1946, the Govt approved
the proposal of the Annamalai
University for the construction of
additional hostels for the students
at an estimated cost of Rs 10 lakhs;
and ^{after} taking into account the sum
of Rs 1 lakh borne by the Maharajah of
Trawancore, they sanctioned a
half-grant subject to a maximum of
Rs 4.5 lakhs towards expenditure
on the above scheme, the amount
being payable to the University
with reference to the actual progress
of the work executed from time to time.

The Vice-Chancellor of the University
has requested the payment of an
additional grant of Rs 4.5 lakhs
for the scheme. The Govt regret
that they are unable to sanction
a ~~the~~ full grant of Rs 4.5 lakhs
however, direct that the sum of
Rs 1 lakh (Rupees one lakh only)
provided for in the current year's
budget for the scheme be paid
to the University immediately as a
block grant without any reference to the

P.T.O

Education (F)

UNIVERSITY - Annamalai - Construction of hostels
for the students of the Engineering and Technology
courses - Request for enhancement of grant.

C.No.16080/50.

PP1-49

From the Vice-Chancellor, Annamalai University, dated
14.6.1950.

Extract of the minutes of H.M.(E.&L) dated 16.6.50:-

"Treat this as very special."

"Secretary, Education."

I discussed this with Pro-Chancellor and Vice-Chancellor. They want either Government grant be made a lump grant instead of the conditional half-grant or to give a loan of the other half. It is true that it is difficult for them to make the other half as it is not an affiliating University. So, if it is made a lump sum grant they might contribute as much as ~~they can possibly~~ they can and construct as much as possible. One of the two alternatives above has to be agreed to. Put up papers urgently".

PP12-13 of (V)

In G.O.No.779 Edn., dated 10.4.46, the Govt. sanctioned to the Annamalai University a half-grant of Rs. 4.5 lakhs for the construction of new hostels for the students, on the basis of the total estimated cost of Rs. 10 lakhs for the scheme, out of which Rs.1 lakh has been borne by the Maharajah of Travancore. Now the Vice-Chancellor represents in his letter on p.p. 1-4 c.f. that additional accommodation is to be ^{urgently} found for the students of the Engineering and Technology courses for whom hostels are to be built, that the University cannot afford to meet the balance of cost of the hostel scheme, viz. Rs. 4.5 lakhs and that the Govt. should sanction an additional grant of Rs. 4.5 lakhs for the purpose, so as to cover the entire cost of the scheme. The request of the University for a ~~full~~ grant to cover

P.ing of (Y)

PP1-4cf

the full cost of the scheme, viz. Rs. 9 lakhs was considered Govt. twice and negatived. In the present financial state of the Province, there does not appear to be any ease for reconsidering the matter. In the circumstances, the request of the University for a full grant for the scheme should be proceeded with. considered.

2. The two alternatives suggested by H.M. (E.&L)

are (1) Grant of a loan of Rs. 4.5 lakhs to the Annamalai University for the construction of hostels

or

(2) Conversion of the half-grant of Rs. 4.5 lakhs

already sanctioned for the scheme into a block grant, without attaching any condition thereto and leaving it to the University

to adjust the grant in the best manner it ~~thought~~ thinks fit.

As regards the former alternative, ^{it is submitted that} the Govt. have not on any previous occasion ~~made~~ sanctioned loans to Universities. The

request of the Annamalai University for a loan for the construction

of residential quarters for the teaching staff within the University ^{campus} ~~staff~~ was ^{previously} considered and turned down. Vide notes and orders on p.p.

1-3 n.f. of Lr.36710-G3/48-3 Edn., dated 10.7.48 and the letter to the University on p.p.7-8 c.f. thereof, and the notes and orders

on p.p.1-3 n.f. of Lr.No.1695 Edn., dated 5-6-1950 and the letter to the University on p.19 c.f. of this letter. ^{it does not} ~~There is therefore no~~ ^{therefore} ~~case for reconsideration~~ of the University's request for ^{the} grant of

loan of Rs. 4.5 lakhs for the scheme, ^{can be accepted.}

3. The ^{second} ~~other~~ alternative seems to be the only feasible

one. Of late, Govt. have been ~~converting~~ making block grants to

the Universities so as to cover ~~the~~ half the cost of the scheme,

without attaching any condition to its disbursement. ~~and not making~~ Such

~~the University liable to meet the other half of the expenditure. The~~

~~block grants were sanctioned in the~~ following ~~new~~ cases. ~~and instances to~~

the point:--

(1) ~~Converting the~~ Grant ~~for~~ the Andhra University for the opening of a new course in Geophysics.

(2) Grant to the Andhra University for the construction of a hostel for 200 students.

(3) Grants to the Madras University for the various new

P.T.O.

departments of studies inclusive of the Department of Hindi.

In the circumstances, it is for orders whether the grant of Rs. 4.5 lakhs already sanctioned on a half-grant basis may be converted into a block grant and the amount be paid to the University as a lump sum, without reference ~~attaching making the University liable for meeting to the actual expenditure incurred by the University.~~ the other half of the expenditure of the scheme. So far,

the University has spent Rs. 2,42,292/- on the construction of the hostels and the Govt. have sanctioned a grant of Rs. 1,21,146/-, up to the end of 31.3.50. The

balance of grant ~~remain~~ that would be payable to the University, out of the sanctioned amount of Rs. 4.5 lakhs, would be Rs. 3,28,854/-. If it is proposed to make a

block grant, this amount may be paid as a lump sum to the University during the current year. There is a provision of Rs. 1 lakh for this scheme in the

current year's budget. The additional expenditure

^{required} can be met either by re-appropriation or by additional appropriation in due ~~xxxx~~ course.

4. Grant to the Annamalai University ~~making~~ for construction of hostels is a Post-War Development Scheme approved by the Govt. of India - vide copy of ~~xxxx~~ ^{xxxx} telegram from the Secretary to the Governor-General ~~xx~~ (Public) on ~~xxxx~~ p.11 c.f. and the letter from the Govt. of India, Department of Planning and Development on p.16 c.f. of G.O.No.779 Edn., dated 10-4-46. Expenditure on this scheme is debitable to the Central Grants, ~~xxxx~~ ^{xxxx} It is therefore necessary that the Govt. of India's approval should be obtained, if it is now ~~proposed~~ ^{half-} decided to convert the grant for this scheme into a block grant.

The file may now be sent to Devt. (P&D) and Finance u.o. for remarks prior to circulation.

Des. (P.D.) / Fin.

Letter from the Vice-Chancellor, Annamalai University at pp.1-4 c.f. and notes of Education, at pp.1-3 ante may be perused. The case has been sent to this Dept. with reference to para 4 on p.3 ante.

The scheme relating to the ~~grants for~~ 'Construction of hostels, Annamalai University' is a Postwar Development Scheme approved by the Government of India. But the Government of India after a review of their financial position have stated definitely that it will not be possible for them to sanction any grants to State Governments for financing Postwar Development scheme during 1950-51. In the circumstances, any expenditure incurred in respect of the scheme during the current year will have to be met entirely from Provincial Funds. With these remarks, the case may be passed on to Finance.

20650
20650

20650
20650

Finance

Finance (Exp. A.) Deptt.

In G.O. No. 779 Edn. dated 10-4-46, Government approved a scheme of Hostel construction to the ^{Students} school of Annamalai University costing about Rs. 10 lakhs and agreed to a grant of Rs. 4½ lakhs, ^{represent} half the net cost of the scheme after deducting 1 lakh contribution by Travancore Maharaja. The grant was to be disbursed in instalments equivalent to half the value of work done from time to time and certified by the Executive Engineer. The University has incurred an expenditure of Rs. 2,42,292 upto 15-3-50 ¹²⁻¹³⁻⁵⁰ and ¹²⁻¹³⁻⁵⁰ claimed a grant equal to half the amount. The proposal of E.P.H. is to sanction the balance of Rs. 3,28,854 as a block grant without ^{HRP} condition at 'A' above. The minutes of H.M.(E.L.) extracted on p.1 above may be perused.

the University had not made any effort to raise money from private donors. The financial position of this State has deteriorated considerably since 1946, and there is no justification to agree to the present proposal, involving an additional payment of Rs. 2.29 lakhs over the current year's budget provision of Rs. 1 lakh. As the Government of India have stopped payment of Development grant for 1950-1, the proposal to sanction the balance of Rs. 3.29 lakhs in the current year itself would mean that the entire amount will have to be met by this Government. In view of the present ^{difficult ways & means position of the Govt.} ~~financial difficulties~~, it does not seem justifiable for this Government to incur any additional expenditure over the budget provision, especially at a time when we are trying to cut down even the expenditure provided for in the budget estimates. This Department may therefore suggest that on the analogy of ~~the orders~~ ^{order} ~~in G.O. No. 341~~ ^{dated 8-2-50}, and the University may be paid immediately the sum of Rs. one lakh provided for in the budget estimates as a block grant without reference to actual expenditure. The ^{payment of} ~~question of~~ paying the balance ^(Rs. 2.29 lakhs) also as a lump sum grant on similar terms may be ^{sanctioned early} ~~brought forward~~ ^{in April 1951 after necessary provision is made in the Budget for} ~~ward as a Part II Scheme for 1951-52~~ ^{that year for this purpose}.

Finance may agree that it is unnecessary to address the Government of India ^{now} regarding the ^{proposal to give a} ~~block grant~~ ^{and to give a loan to meet the question of} ~~giving a~~ ^{loan to the University. This Deptt may agree, as apart from the fact} ~~that no loans have been granted to Universities in the past, the difficult~~ ^{ways & means position of the Govt. precludes the grant of loans.}

H.M.(Fin.) may also see before issue of orders.

Education (F)

The file relates to the request of the Annamalai University Vice-Chancellor for ~~the payment~~ an additional grant of Rs. 4.5 lakhs to the University for the ~~XXXX~~ scheme regarding the construction of hostels for which the Govt. have already sanctioned a half-grant of Rs. 4.5 lakhs, and which amount is being disbursed to the University in instalments with reference to the actual progress of work executed. This request was previously considered more than once by Govt. and negatived. Now this Department suggested that in view of the present financial difficulty of the State the request for an additional grant of Rs. 4.5 lakhs to the University for the scheme may be negatived. It is for orders whether the University's request for an additional grant of Rs. 4.5 lakhs ~~may be~~ should now be considered again.

2. The alternative suggestions made by H.M.(E.&L) in the matter are

(i) the sanctioning of a loan of Rs. 4.5 lakhs for meeting the expenditure incurred by the University on the scheme;

or

(ii) the payment of ~~XXXXXX~~ ^{already} the grant sanctioned for the scheme ^{by Rs. 4.5 lakhs} as a block grant without reference to the University's expenditure in this behalf, during the current year.

This Department suggested that alternative (1) viz. the grant of a loan need not be considered, as Govt. have not so far sanctioned any loans to Universities ~~so far~~. Finance agree with the above suggestion of this Department and point out also that the present ways and means position of the State will not permit the grant of a loan to the University during this year. In the circumstances, it is for orders whether the ~~University's~~ proposal ~~XXXXXX~~ for the grant of a loan of Rs. 4.5 lakhs to the Annamalai University for the scheme relating to the construction of hostels may be dropped.

As regards the second alternative, ~~xxxx~~ this Department suggested

suggested that after deducting the grants so far disbursed in instalments to the University, from 1946, from the sanctioned grant of Rs. 4.5 lakhs, viz. Rs. 1,21,146/-, the balance due to the University, viz. Rs. 3,28,854/- may be paid during the current year ~~xxxx~~ in a lump sum, as a block grant without any reference to the actual expenditure incurred by the University, meeting the expenditure from the current year's budget provision of Rs. 1 lakh and by re-appropriation or ~~additional~~ ^{by obtaining} supplementary grants if necessary in the course of the current year. But Finance Department Devt.(P.&D) to whom the file was sent for remarks as this scheme is a Post-War Development Scheme, point out that since the Govt. of India have stopped making any grant on Post-War Development Scheme in 1950-51, the entire balance of grant due to the University for the scheme should be paid by this Govt. Finance Department however suggest that a block grant of Rs. 1 lakh (representing the current year's provision for the scheme) ^{may} be made to the University during the current year for the scheme, and that the balance of grant viz. Rs. 2,28,854/- may be paid early in April ~~1950-52~~ 1951, after making the necessary provision for the ~~scheme~~ purpose in the B.E. for 1951-52. In the circumstances, it is for orders whether this Department will agree ~~with the~~ with the suggestion of Finance and recommend that a sum of Rs. 1 lakh may be paid to the Annamalai University immediately ~~to the University~~ as a block grant for the hostel scheme and whether the balance amount, viz. Rs. 2,28,854/- may be paid as a block grant early in April 1951, after making the necessary provision for the scheme in Part I of the Budget for 1951-52. The file may now be circulated to H.M.(E.&L) and H.M.(Fin) ^{for orders}.
