Re.No.1746 K4/48 dated 5th June 1950.

Ref:--Government Memorandum No.63981B/49-8 Edn.
dated 13-2-50.

With reference to paragraph 2 of the Government Memorandum cited above I have the honour to submit the following proposal for the employment of additional staff in the Government School for the Blind, Poonamallee.

2 Excluding the Principal, the School has the following teachers at present for standards I to V

Three Secondary Grade teachers.
Two Higher Elementary Grade teachers.
Two Physical Training Instructors (one male and one female)
One Music teacher
Two Rattan Instructors.
One weaving Instructor.

3 It is reported that there were 27 pupils in Standard I and that two were instructing them during the school year 1949-50. During the current school year i.e. 1950-51 four pupils from Standard I will be promoted to Standard II and the remaining 23 will continue in Standard I. With the new admissions in the current school year the Principal expects the strength of 30 for Standard I. This strength will be too large for two teachers since individual attention has to be paid to the pupils, and therefore the maximum strength that can be assigned to a teacher is 10. At this rate an additional teacher is required for Standard I.

4 The Principal has proposed to open Standard VI in the School in the current school year and requested sanction for the employment of an additional secondary grade teacher therefor. I feel that the opening of Higher Elementary standards in the school is quite necessary as the existing knowledge upto the fifth standard may not be sufficient especially for children who are inclined to continue their studies. The opening of higher standards will also prevent them from lapsing into illiteracy. He has also proposed the conversion of one of the two Higher Elementary Grade teachers posts into a Secondary Grade post in the interest of efficiency.

5 It is reported that as many as 44 students secure instruction in Music, both vocal and instrumental and it is found that this number is too many for one

one music teacher and the employment of an additional music teacher is necessary. The Principal reports that the two teachers would be fully employed as the additional music teacher proposed to be employed would be asked to give instruction in Thabala in addition to Music. He also requests the supply of one Thamboora and one Violin.

6 In the circumstances I request that Government may be pleased to sanction the employment of two additional Secondary Grade teachers (one for Standard I and one for Standard VI) and an additional Music teacher, and for the conversion of the post of one Higher Elementary Grade teacher into a Secondary Grade teacher's post for a period of one year from 1-7-50. Sanction may also be accorded for incurring an expenditure of Rs.300/- towards the purchase of Musical instruments.

Yours faithfully,

N. Srinivasan

The reference from the D.P.I. on pp 1.2 of and the notes on pp 1.2 above may be perused.

- The D.P.I. has proposed that
- (a) sanction may be accorded for the employment of two addl. Secy. grade teachers (one for Standard I and one for Std. VI) in the Victory Memorial School for the Blind, Poona-wallee.
 - (b) an addl. music teacher may be appointed to give instruction in Dhabala in addition to music.
 - (c) sanction may be accorded for the conversion of the post of one Higher El. grade teacher into a Secy. grade teachers post for a period of one year from 1.7.50; and
 - (d) sanction may be accorded for incurring an expenditure of Rs. 300/- towards the purchase of musical instruments.

Education has agreed to the proposal. The extra cost to Govt. on account of the above will be Rs. 3,700/- roundly per annum recurring and Rs. 300/- non-recurring. The D.P.I. has submitted the

present proposals in accordance with the instructions issued in para 2 of ^{memo} No. 6398/B-1/49-8 (Education) dated 13-2-50.

Item (a) on p.2 above. It is stated by the D.P.I. that, with the new admissions in the current school year, the strength of Standard I is expected to be about 30 and that this strength will be too large for two teachers since individual attention has to be paid to the pupils. He has then ^{before} proposed that the maximum strength that can be assigned to a teacher is 10. The opening of Standard VI is also proposed during 1950-51 for the reason that the existing knowledge up to Fifth Standard may not be sufficient especially for children who are inclined to continue their studies. In the circumstances, Finance may agree to the part of this proposal subject to the remark that the total strength of Standard I is not below 30.

Items (b), (c) and (d) on p.2 above. Though it ~~is~~ ^{may be} desirable to have a secondary grade teacher in lieu of a Higher Elementary Grade teacher and an addl. teacher for Music in the interests of efficiency, ~~Finance are not able to concede the urgency in these proposals for being given effect to in the current year itself.~~ ^{the proposal does not seem to be so urgent or essential that it should be sanctioned} Finance may advise that this part of the proposal may be considered in connection with the Part II schemes for 1951-52.

3. If the suggestion of this department above is accepted, the addl. expenditure to Govt. will be reduced to Rs 2,200 ^{p.a. and accumulation to Rs 41 for will not be necessary. If however} during the current year. Education press for the introduction of the entire proposals in the current year, they may be requested to circulate the case to H.M(Fin) also before issue of orders, as the cost exceeds Rs 3,000 p.a.
