SUBJECT: MR. G. F. D. GONSALVES,
MADRAS SPONSORED SCHOLAR.

Sir,

With reference to endorsement to your letter No.F.3-11/8.38/45-S.2, dated 6th, June, 1949, I am to state that Mr. Gonsalves did not find it possible to do his Ph.D. in June, ~~1949~~ 1950 as originally intimated. In this connection I attach copy of our letter dated 16th February to Prof. Diefendorf, as also copy of Professor Diefendorf's reply, dated February 25th.

Professor Diefendorf, in a personal talk at the Embassy, also informed us that it was always very difficult to state exactly when the student would finish his Ph.D, and that, therefore, no other explanation of this postponement could be given.

As at present Mr. Gonsalves has been told that his Scholarship cannot be extended beyond the 24th August, 1949 and that before he leaves the country he must undertake practical training as arranged. In this connection it will be noted that this student will be working with the New York State Highway Department beginning July 7th.

As the Ministry is aware, the student has already obtained his M.S.

The student's passage has been arranged for August, 24th.

Yours faithfully,

(P. GANGULEE)
FOR EDUCATION SECRETARY.

Also attached herewith is student's letter, dated 6th February, with enclosures.

Dear Mr. Gangulee:

With reference to your letter No.G.97/45 dated January 24, 1949, I have to state as follows. The graduate committee draw up my program of study as per the enclosed schedule. As such, I shall be able to complete my studies only in June 1950. I request therefore, that I be given an extension up to that time to complete my studies, and a further suitable extension for practical training.

In this connection I may add that Prof. A. Diefendoff, Head of the Department of Civil Engineering is at present in Washington, at the Statler Hotel, in connection with the convention of the American Road Builders' Association, He will be there till the 9th instant, and I hope that you will be able to reach him in time. I also request you to see him regard to my practical training, etc., so that the necessary arrangements may be made.

The delay in replying to the letter, is due to the graduate committee not drawing up the final schedule up to this time.

Yours sincerely

G. F. D. Gonsalves.

Dear Prof. Diefendorf:

This letter concerns Mr. G. F. D. Gonsalves, You will remember that Mr. Gonsalves had applied for an extension of scholarship and had therein stated that he would finish his Ph.D. by June 1949. As a matter of fact, this information had been repeated by him in his letter as late as December 1948. Mr. Gonsalves has now stated that he will not be able to finish his Ph.D. before June 1950.

The Government have granted him an extension up to the 24th of August, 1949, on the strict assumption that by this date he would finish both his Ph.D. as well as to take up three months practical training.

I have written to the student and have told him that the Government will not agree to any further extension of his Scholarship and that if, as he says he cannot finish his Ph.D. before June 1950, he would have to abandon the idea of appearing for this examination. I have further suggested that he should take up practical training in Highway Engineering with immediate effect.

May I request you to favour as with your advice in the matter, especially with a view to his practical training arrangements, lasting up to August, 1949.

With best wishes.

Sincerely Yours

Dear Mr. Gangulee:

In reference to Mr. G. F. D. Gonsalves, I recommend that he be permitted to stay in school until June and then take three months training which should get him back to India sometime in September. If he can stay until that time, he will get his school work lined up so that he can complete the balance of it in India and return sometime in the future and take his final examination.

Dear Mr. Gangulee:

I am in receipt of your letter of September 14, 1949, concerning Mr. Gonsalves.

I should like to make it clear that the postponement of completion of the work for the Doctorate came about through a change in interpretation of the minor requirements and not through negligence on the part of Mr. Gonsalves. Throughout his work here at the University of Utah he has been a conscientious and hard working student.

I would like to make it clear that it is necessary for Mr. Gonsalves to complete the mathematics courses listed in his schedule in order to complete requirements for a Minor in mathematics. Mr. Gonsalves' mathematics Minor includes some 37 credit hours in this subject and fulfulls the University requirement for a minor subject for the Doctorate degree. According to University regulations a minimum of 30 credit hours must be taken in a minor field and the remaineder of the work (approximately 60 credit hours) in thesis and class work in the major field.

I do not believe it will be possible for Mr. Gonsalves to complete his minor course work sooner than June 1950 due to the fact that these course are not offered every quarter and there are scheduling difficulties.

I trust that this information will serve your purpose. If you require further information, please let me know.

Sincerely yours

SUBJECT:_EXPENDITURE INCURRED ON MEDICAL TREATMENT OF MR. G.F.D.GONSALVES, 1945-46 MADRAS GOVERNMENT SPONSORED SCHOLAR AT MIDTOWN HOSPITAL.

Sir,

I am direcred to refer to your letter No.43275E2/-49-5-Edu. dated 26th October, 1949, on the above subject and to state that an enquiry was made from the Indian Embassy in Washington regarding the exact amount spent on the hospitalisation of Mr.G.F.D. Gonsalves in the Midtown Hospital for the period from 25th July, 1949, to 31st July, 1949.

P. 22-23 c/p

(A)

It is now learnt that a sum of $ 364.25 was billed for in connection with the said hospitalisation and after adjustment of $ 60 assumed by the scholar and a further sum of $ 25.80 being the maintenance allowance for the period of hospitalisation in question which was not paid to them, a net sum of $ 278.45 was actually spent by the Embassy. It is further understood, from the Embassy that the scholar had met another sum of $ 60 in connection with nasal operation and X' ray charges in 1946-47.

3. In the above circumstances, in the light of your letter dated 26th October, 1949, under reference, Government can now call upon the scholar to meet only a sum of $ 60 out of $ 278.45 incurred on his hospitalisation in Midtown Hospital. The State Government are accordingly requested to kindly effect recovery of $ 60 from Mr.Gonsalves at an early date and credit half the amount to the accounts of the Government of India. The Government of India agree as a special case to share equally with the State Government, the balance of the expenditure amounting to $ 218.45 and presume that the State Government will agree to meet their share thereof. Kindly confirm.

Sir,

Subj:- Overseas Scholarships Scheme--1945--46-
Sri. G.F.D. Gonsalves--Expenditure on
Medical treatment.-
Ref:-- Your R.C. No.2598. E3/50 Dated 1-12-50.

I have to state that I was in the United States of America from 25--8--1946 to 27--8--1949-a period of three years. Under the rules in regard to medical expenses, it is stated that the scholar has to undertake expenses upto $ 60 per annum, and that in the event of grave illness the additional expenditure incurred will be met by the Government. I have had to undergo two operations, one in March 1947, and the second in July 1949, both on the recommendation of competent authority. As per the rules an amount of $ 60 was paid by me in either case, these being undertaken in two different financial years.

Under orders now from you, it appears that a scholar has to contribute $ 60 for every year of his stay abroad towards medical expenses, whether he falls ill or not, in any particular financial year; or in case he falls ill even on a single occasion, he has to contribute to the extent of $ 60 per annum for every year of his stay in the United States of America. I have to submit that my medical expenses relate to two separate financial years. In these circumstances I request that the recovery ordered may be waived.

I have further to submit that I have incurred medical expenses far in excess of $ 60 on my own, during the three years put together. If only I had been informed in time in regard to present interpretation of the rule, I would have submitted all the necessary vouchers in this regard, which now have been destroyed.

I may also be permitted to point out that the present interpretation of the rule is tantamount to penalising one, to the extent of $ 60 for every year of his stay abroad, for falling ill, even a single time, during his stay abroad.

In the above circumstances I request the Government to waive the recovery.

Sir,

I am directed to refer to your letter No.29796/G/50-4, Education, dated the Ist February,1951, and to the enclosures attached thereto on the above subject and to say that this Ministry are inclined to agree with the contention of the scholar that since his medical expenses in the U.S.A. related to the two different financial years i.e. 1947 & 1949, he should pay a sum of $ 120.00 only and not $ 180.00 demanded from him.

Attention of the Government of Madras in this connection is invited to para VI regarding medical charges of this Ministry letter No.F.29.2/46 OD II, dated the 21st January,1947, copy enclosed for information, wherein it is stated that the approved medical expenditure over and above $ 60.00 per annum will be met by the Government.

pp.14-18 infra

3. Since the scholar had already assumed liability for expnditure of $ 120.00 vide statement of financial accounts in the U.S.A. forwarded to you with this Ministry letter of even number dated the 18th May,1950, it is considered that recovery of $ 60.00 as suggested by the Government of Madras in their letter No.43876 E2/49-5 Edn., dated the 23rd September,1949, may be dropped. In that case the Government of Madras will, it is hoped, share equally with this Government, the entire expenditure of $ 348.45 incurred on medical account of the scholar in the U.S.A. SUBJECT: CENTRAL OVERSEAS SCHOLARS - AMOUNT OF SCHOLARSHIPS IN THE UNITED STATES OF AMERICA.

Sir,

I am directed to refer to the correspondence ending with your cable No.561/E., dated the 21st November, 1946, on the subject mentioned above, and to say that in modification of the orders contained in this Department letter No.F.21-2/45-E.IV, dated the 16th March, 1946, the Government of India are pleased to sanction, with effect from the 1st July, 1946, the following payments to the sponsored students selected by them for advanced studies in the United States of America and Canada under the Overseas Scholarships Scheme :-

(i) SCHOLARSHIPS (MAINTENANCE ALLOWANCE):-

Each Scholar may be paid a maintenance allowance of $ 160 per mensem without any distinction between different areas. This allowance is intended to cover boarding, lodging and all other expenses apart from those detailed below and may be paid quarterly or monthly as you may find more suitable.

(ii) TUITION FEES :-

Tuition fees, examination fees and other charges levied by the educational institutions may be paid direct to the institutions in all cases. Special fees charged by Universities for games, recreation and entertainment and also subscriptions to voluntary associations and societies are however to be met by the scholars themselves from their scholarships.

(iii) DEPOSITS :-

Library, laboratory or other deposits charged by Universities may in the first instance be paid by you to the institutions concerned and recovered from the institutions when the scholars terminate their courses of studies. Breakages or losses incurred due to the negligence of the scholars should be borne by the students.

(iv) BOOKS AND APPARATUS :-

Each scholar may during each academic session be paid upto $ 125 per annum in respect of books and apparatus approved by you. If, in any particular case, certain expensive equipment or books are required necessitating a grant exceeding $ 125 per annum, the case may be referred to this Department for disposal. Such cases can be considered only where

P.T.O.

the requests for additional grants are supported by the University authorities and by you. Where such additional grants are sanctioned, the equipment and books which are of a permanent nature should be regarded as Government property and may be kept by you for the use of later school.

(v) STUDY TOURS :-

For educational tours recommended by the University authorities and approved by you, Travelling allowance and Dearness Allowance may be sanctioned by you according to the scale allowed in the case of Junior Officers of the Embassy, subject to a maximum of $ 250 per annum. Where an additional grant is needed the prior sanction of the Government of India should be obtained.

(vi) MEDICAL CHARGES: -

It is expected that the scholars will themselves meet their medical expenses upto about $ 60 per annum (dollars sixty only) Approved medical expenditure over and above $ 60 per annum will be met by the Government if you are satisfied that it is necessary and reasonable. Cases where such expenditure is sanctioned by you, should be reported to this Department as soon as possible.

(vii) OTHER EMERGENT EXPENDITURE :-

Under powers which have been delegated to you in paragraph 3 of this Department letter No.F.21-2/45-E.IV, dated the 16th March, 1946, you may sanction additional amounts in cases of emergency. Cases of this kind should, however, be reported to this Department with full details as to the urgency and nature of the circumstances. The Government of India will then decide, in the light of your report, whether any amount so spent on behalf or account of a scholar should be recovered from the scholar concerned.

2. The expenditure incurred is debitable to the sanctioned budget grant for the current year under "Demand No. 68 - Postwar Planning and Development - D. 9 - Scheme for Advanced Stdueis Abroad ".

Sir,

I am directed to refer to your letter No. 29796/G/50-6 Education dated the 9th April 1951, on the subject and to say that the exact amount which has to be shared equally by the Government of Madras and the Government of India on account of the medical expenditure of the scholar is, as indicated in this Ministry letter of even number dated the 21st March 1951, $348.45. The discrepency between the amounts specified in this Ministry letters dated the 27th Sept. 1950 and 21st March 1951, referred to in your letter under reference has arisen from the fact that the expenditure of $278.45 shown in this Ministry letter of 27th Sept. 1950 related to the period of 1949 only whereas the expenditure of $348.45 mentioned in this Ministry letter dated the 21st March 1951 covers the entire expenditure borne by the Indian Embassy in the year 1946-47 and 1949 respectively, as will be evident from a copy of the Indian Embassy letter No.G.97/45/A dated the 9th Jan. 1951, enclosed herewith for information.

The G of I have forwarded a copy of the Progress Report in respect of Mr. G.F.D. Gonsalves, 1945 Scholar, and have invited suggestions if any, from the point of view of the employment he is expected to take up on return. The scholar is undergoing advanced studies in the U.S.A in 'Civil Engg.- Highways Engg" and he is intended for absorption in the Highways Dept on return. His scholarship has been extended upto 24-8-49 in order to enable him to complete the work for Ph.D degree by June '49 and to do practical training thereafter. In his application form for extension the scholar had suggested that on completion of Ph.D work in June '49, he would do practical training in the study and use of modern highway machinery and in modern construction practice. The G of I may therefore be informed that the scholar may be asked to do this training and then return to India. A draft letter is submitted for approval. P.W.D may see for remarks, if any.

No. F.3-11/S-38/45 S II d/ 16.8.49 pp 9-10 cf.

Please see the telegram from the G of I at pp 9-10 cf. regarding extension in the period of scholarship of Mr. G.F.D. Gonsalves, a 1945 scholar. This scholar was granted seven months extension to complete the Ph.D Course in Highways Engg. As he could not complete the Course by that time, he was granted further extension for five months so as to enable him to complete the Ph.D Course by June '49 and to do practical training for two months thereafter. It is now seen from the telegram at p 9 cf. that he wants further extension for one year to complete Ph.D Course and to do practical training. It is also stated in the telegram that his professor recommends that he should discontinue Ph.D. Course. This shows that the scholar's progress is not satisfactory.

A/31-32 cf.

This Govt may agree with the G of I that further extension is not necessary and that the scholar should return to India in August '49. A draft telegram ~~to the~~ is submitted for approval. P.W.D. may see before issue.

Not necessary he is reported to be an excellent student

From the G of I, Ministry of Edn.
No. F.3-11/S.38/45 S2 d/ 23.9.49 p 19 cf

The G of I have reported that Mr. G.F.D. Gonsalves, a 1945 scholar intended for absorption in the Highways Dept on return from Overseas, had to undergo operation in the U.S.A for Fistula & Hemorrhoids and that the medical charges were approximately $375. The exact amount is being ascertained by them from the Indian Embassy. They suggest that this Govt may consider whether they will be prepared to meet this expense or whether they would like the scholar to bear it himself. They also suggest that it may be ascertained whether the scholar's parents are able to meet this expense.

p 19 cf

ibid

2. Under the Overseas Scholarships Scheme, Scholars are expected to meet themselves medical expenses upto about $60 per annum in the U.S.A. Approved medical expenses over and above this limit will be met by the Govt if the Ambassador is satisfied that the expense is necessary and reasonable. In a recent case in the P.W.D. the Govt therefore declined to meet the medical charges amounting to $61 and the deputationist was asked to meet the expense himself. But in another case in the D.W. Dept (Sri P.V.B. Reddi), the Govt paid the dental charges amounting to $351 over and above the $60 limit. In the present case, Mr. Gonsalves

was granted scholarship for 3 yrs from 25.8.46 to 27.8.49. At the rate of $ 60 per annum he is liable to meet medical charges upto $ 180 for the 3 yrs. In accordance with the terms of award of scholarship he may be asked to meet this expre. The balance is $ 195 and according to the terms mentioned above this is to be met by the Govt, if the Ambassador is satisfied that the expre was necessary and reasonable. In this case, the Ambassador's remarks are not available. But the medical certificates are in the file and it is stated therein that the illness was not due to the scholar's misconduct or intemperate habits. It does not appear that under the terms of offer of scholarship the scholar or his parents can be asked to meet the ~~entire~~ expre exceeding $ 60 per yr. If the scholar is asked to meet $ 180, it is the same as asking his parents to meet the expre. From the Scholar's appln for the award of scholarship, it is observed that his father is a retired Forest Range Officer having a monthly income of Rs 110/- and that he is not in a position to supplement the scholar's allowances. It does not therefore seem necessary to ascertain from him whether he will meet the entire expre. In the circumstances it is for consideration whether the G of I may be informed that the scholar may be asked to meet $ 180 and that the balance may be shared equally by the two Govts. If the G of I, however, refuse to meet 50% of the expre this Govt may perhaps meet the whole expre. For orders.

Under the Overseas Scholarships Scheme 1945-46 Sri. G. F. D. Gonsalves was sponsored by this Govt. for higher studies abroad in Civil Engineering (Highways). On his return after the completion of studies he has been appointed as Asst. Engineer (Highways). In their letter on page 19 f (A) the Govt. of India reported that the scholar had to undergo an operation in the U.S.A. for "Fistula and Hemorrhoids" and that the medical charges were approximately $. 375–. In that connection they enquired whether the medical charges would be met by this Govt. or recovered from the scholar or his parents. After a careful examination of the case the Govt. of India were informed in this Govt. letter on pp. 22-23 f (A) that, in the circumstances stated therein, the scholar should bear $. 180. at the rate of $. 60 a year and the balance should be met by the State Govt. and the Govt. of India. The Govt. of India were asked whether they ~~are~~ would agree to the proposal to meet half of the excess amount over $. 180.

pp 3-4 f (A) –

The Govt. of India now point out that a sum of $. 364. 25 was spent on hospital charges and that after

deducting a sum of $ ~~120~~ 60 which the Scholar had spent on medical charges himself and a sum of $. 25. 80 which was due to him towards his maintenance allowance during the period of his hospitalisation the net amount payable towards hospital charges is $. 278. 45. They now suggest that a sum of $. 60. alone may now be recovered from the Scholar towards this expenditure, being the medical charges that he is expected to meet himself in the ~~third year~~ three year period of his Scholarship and that half the amount recovered may be credited to their accounts. The balance is $. 218. 45 which the Govt. of India agree to share with this Govt. The Govt. of India's suggestion may be agreed to. Finance may see before circulation.

No. 157 From the Govt. of India letter no. F. 3-11/S-38/45-S2 dated 21. 3. 51.

It is observed from the letter on page 1 of that a sum of $ 364. 25 was billed for in connection with the hospitalisation of Sri G.F.D. Gonsalves in the Midtown hospital and that after adjustment of $.60 assumed by the scholar and a further sum of $ 25.80 payable to him towards maintenance allowance for the period of hospitalisation a net sum of $ 278.45 was actually spent by the Embassy but the letter dated 21.3.51 shows that a sum of $ 348.45 was incurred on the medical account of the scholar. The Govt of India may be requested to reconcile the discrepancy in the accounts furnished in the two letters referred to and to intimate the correct amount which has to be shared equally by this Govt and the Govt of India on account of the medical

Notes from page 1 ante may be read.
With ref to the representation from Sri. G. F. D. — NN 9 C
Gonsalves, the Govt of India in their letter dated

to agree with the contention of the scholar
that since his medical expenses in the U. S. A
related to two different financial years i.e
1947 and 1949 he should pay a sum of
$. 120.00 only and not $. 180.00 demanded
from him. Since the scholar has assumed
liability of $. 120.00, which he is expected
to meet towards his medical expenses at
the rate of $. 60.00 per annum for the years
1947 and 1949, the Govt. of India consider
that the recovery of $. 60.00 as suggested
previously in their letter at page 1 C. might | M
be dropped. In this case they expect this
Govt. to share equally with them the entire
expenditure of $. 348. 45 incurred on the medical account of the scholar. over and above
$. 120.00 assumed by the scholar and $. 25.80
being the maintenance allowance during the — NN. 21 C
period of hospitalisation, which was not paid
to the scholar. (Vide the letter from the Indian — NN. 23 C
Embassy at page 23 C). This Govt. may

In September 1950 the Govt. of India suggested that a sum of $. 60.00 might be recovered from Sri. After obtaining orders in circulation this Govt. agreed to the G. of India's suggestion and asked the D.P.I to recover $. 60.00 from Sri. Gonsalves. Thereupon Sri. Gonsalves submitted a petition to the Govt. requesting a reconsideration of the orders regarding the recovery. A copy of the petition was forwarded to the Govt. of India for their remarks. The Govt. of India have now stated that they are inclined to agree with the contention of the scholar that since his medical expenses in U.S.A related to two different financial years, he should pay a sum of $. 120.00 only and not $. 180.00 as demanded from him.
