READ—the following papers :—

G.O. No. 2813, Education, dated 8th September 1949.
From the Commissioner, Cuddalore Municipality, dated 17th November 1949, R.O.C. No. C-1. 15761/49.

From the President, District Board, Ramanathapuram, dated 7th February 1950, R.O.C. F. Dis. No. 2040/50.
From the Director of Public Instruction, dated 2nd March 1950, R.O.C. No. 537-G1./46.

Order—No. 1930, Education, dated 4th July 1950.

In G.O. No. 2813, Education, dated 8th September 1949, the Government ordered the publication for general information of a draft of an amendment to rule 2 (1) of the rules relating to the appointment of headmasters and headmistresses of the Board and Municipal high schools. They have considered the objections and suggestions received. The Cuddalore Municipal Council has suggested that as the proceedings of the Appointment Committee are not confidential, the list of suitable candidates for appointment as headmasters of high schools may be prepared by the Chairman of the Municipal Council in consultation with the other members of the Appointment Committee and forwarded to the Divisional Inspector of Schools or the Inspectress of Girls' Schools. The Government consider that the list of names of Assistants with recommendations need not necessarily be recorded in the minute book of the Appointment Committee and that the proceedings of the Committee on the subject should be kept confidential. They do not therefore accept the suggestion.

2. The rules as altered with reference to the other suggestions are hereby confirmed.

3. The appended notifications will be published in the *Fort St. George Gazette*.

The list of names of suitable candidates to be drawn up for appointment to the post of headmaster should be a confidential one. If the Appointment Committee is to send the list to the Divisional ~~Offixxxx~~ Inspector of schools, the committee should record its proceedings in respect thereof in its minutes book. In that case, the list cannot be kept confidential as the minutes book is a public record. It is therefore desirable that the list is prepared by the Chairman in consultation with the other members of the Appointment Committee. This suggestion may kindly be considered by the Government.

In response to the publication in the Fort St. George Gazette dated 18-10-1949 of the draft rules for the appointment of headmasters of high schools under the District Boards calling for objections and suggestions, I humbly beg to submit the following for your kind consideration before the draft is finalised.

In reckoning the period of ten years of service required as per the draft rules, I request that it may be recognised that the service may be one put in under the management of the Board or the total service put in under the Board and under the previous management as in the case of teachers who have come into the Board along with the schools which have been taken over by the Board from private management.

I may submit here that the principle has already been recognised in G.O.Ms. NO. 1353 Edn dated 30-4-1949 in which the service put in by a pundit in a college in the Cochin State was recognised and counted for granting him the first grade pundit's post in a District Board School. Further the Director of Public Instruction was informed by the Government that this rule could be applied to all such cases (D.P.I.'s orders R.C.NO.2665 G 148 dated 4-3-1949).

If this principle is not recognised now, it would ~~would~~ be a hardship for many like me. In my case, I have put in more than 19 years of continuous service till now, while under the District Board my service is is only 6½ years. There was not even a day's break of service as all the members of our staff were absorbed into the service of the District Board as per G.O. NO. Ms. 1252 dated 2-9-1942 according to which the Surangi High School was taken over by the District Board.

Not put up

As matters stand at present according to the seniority list of L.T. assistants prepared by the Visakhapatnam District Board recently, my past service and the pay drawn by me now have both been ignored and I have been ranked very low in the list below others drawing far less salary and putting in far less service than I.

So I once more request that the total service under the past and present management, be taken into account for satisfying the rule of ten years of service mentioned in the draft.

I beg to remain,
Sir,
Your most obedient servant,

Having read in the 'Fort St. George Gazettee ' dated/8-10-'49 , the draft amendment of rules relating to the appointment of Head masters of High schools under District Boards I would like to offer my suggestions below for your kind consideration before finalising the rules.

In the light of my long experience as member of the Visakapatnam District Board I am of opinion that the total service put in by an L.T. Assistant whether in one school or in different schools under different managements as in the case of teachers whose services have been absorbed into the Boards along with the transfer of management of private institutions to the District Board, should be treated as one put in under the District Board and counted for purposes of determining the seniority and making him eligible for recommending his name into the pannel of headmasters.

It is also highly desirable that the pay drawn by the assistant should be taken into consideration for such a purpose.

Besides the above two, general efficency, capacity for orgnising the various activities of the shhool in addition to the curricular should be taken into account.

I place these suggestions before you for what they are worth.

I consider that the suggestion of the Chairman, Municipal Council, Cuddalore in his letter Roc.No.Cl.15761/49 dated 17-11-49 needs no consideration. The Chairman's argument does not seem to be acceptable. It should be possible to separate the confidential part of the proceedings from the general decision of the appointment committee and read the latter only in the minutes, maintaining the confidential list and the statement of reasons together with notes of the confidential discussion in a confidential box kept by the executive authority of the Municipality.

2. With regard to the suggestion of the President, Panchayat Board, Ichapur contained in his letter dated 27-11-1949, I recommend the suggestion for acceptance by Government provided the interests of the seniors in service of the local body are safeguarded. To this end in view I suggest that in cases where no teacher has put in the required 10 years of service and where the claims of no senior are affected the previous service in an aided school can be taken into consideration.

Yours faithfully,

Order/Ms.No 1930 Edn. d/ 4/7/50

In G.O.No.2813 Edn. d/ 8-9-49, the Govt.ordered the publication for general information of a draft of an amendment to Rule 2(1) of the rules relating to the appointment of headmasters and headmistresses of the Board and Ml.high schools. They have considered the objections and suggestions received. The Cuddalore Ml.Council has suggested that as the proceedings of the Appointment Committee are not confidential the list of suitable candidates for appointment as headmasters of high schools may be prepared by the Chairman of the Ml.Cl. in consultation with the other members of the Appointment Committee and forwarded to the Dvl.Inspector of Schools or the Inspectress of Girls' Schools. The Govt. consider that the list of names of assistants with recommendations need not necessarily be recorded in the minute book of the Appointment Committee and that ~~it may be~~ the proceedings of the Committee on the subject should be kept confidential ~~separately~~. They do no therefore accept the suggestion.

2. The rules as altered with reference to the other suggestions are hereby confirmed.

3. The appended notifications will be published in the F.S.G.Gazette.

p 2 of printed order in (C)

Under rule, 2(1) of the rules for the appointment of headmasters and headmistresses of high schools under ~~local bodies~~ district boards, the President of the Dt.Board is required to send to the Divisional Inspector of Schools or the Inspectress of Girls' Schools concerned a list of B.T. or B.Ed. Assistants in the service of the Dt.Board who have put in a service of not less than 10 years and whose names are not already on the panel and whom he would recommend for inclusion in the panel, with a detailed statement of the reasons for such recommendation. The list is to be sent in December immediately preceding the year in which the panel is to be drawn up. The ~~rules re-~~ panel is then decided by the Divl. Inspector or the Inspectress. The rules relating to municipalities run on similar lines, but in respect of municipal schools, the Appointment Committee sends the list.

2. From the wording of the rule referred to in para 1 above it appears as if power is given to the President Dt.Board or the Appointment Committee, as the case may be, to omit names of persons with a service of ten years and over if in the opinion of ~~the~~ those authorities ~~in question~~ the Assistants are unfit for inclusion in the panel. With respect to this rule the D.P.I. pointed out in a letter to Govt. in May 1949 that, in view of the provisions of the rule referred to, the Divisional Inspector or the Inspectresses has to confine the selection to the names recommended by the President and has no opportunity to see whether any of the names of persons with the required qualification has been ~~urgently~~ omitted by the P.D.B. or the Appointment Committee while making their recommendations to the ~~IM~~ Inspecting Officers. The Director observed in that connection that though the Divisional Inspector could call for a list of qualified Assistants whose names have been omitted, the rule as it stood implied that the Divl. Inspector ~~is~~ was required to confine his attention to the lists placed before him. Such a position was, in the Director's opinion not fair. Having regard to th~~is~~at opinion of the Director, and the complaints o~~f the exclusion of teachers from the panel~~ received by the Govt. from Assistants in respect of these selections, it was considered that the rules should be modified so as to require the sending of a list of all qualified, Assistants together with recommendations, instead of a list of only those whom the President or the Appointment Committee would recommend.

The draft amendments in G.O. No.2813 Edn.dated 8-9-1949 were accordingly approved and published.

3. The following suggestions have been received with respect to the draft amendment: They are noted on below:-

(i) ~~The~~ Cuddalore Municipal Council:-

The list of suitable candidates for appointment as headmasters of high schools may be prepared by the Chairman of the Ml.Council in consultation with ~~the~~ other members of the Appointment Committee and forwarded to the Divisional Inspector of schools or the Inspectress of Girl's schools.

p. 2 of
& p 3 of

(ii)The reason ~~given~~ given for this suggestion is that the
list of names of the Assistants recommended should be confidential
and if the Appointment Committee as such is to prepare a list,
~~h~~as now required, the connected proceedings will be ~~on~~ on the
minute~~s~~ book of the Committee, which will be available to the
public and will not be confidential. With regard~~s~~ to this,
the D.P.I. observes that the list of names of Assistants with
recommendations need not ~~be~~ necessarily be recorded in the
minute book but may be kept confidential separately; and he
thinks that the suggestion need not be accepted. If the
amendment ~~is to be confirmed~~ to the rules which has already
been published is to be confirmed, instructions on the lines
of the ~~D.P.I.'s~~ D.P.I.'s remarks may be included in the order of issue.
If this is done, no modification of the draft amendments will

Proceedings of the appointment Committee can also be kept Confidential. There is no need to consider the suggestion.

~~(i~~ii) The President, Ichapur Panchayat Board:-

For the purpose of 10 years' qualifying service for appointment as headmasters, mentioned Rule 2(1), the teacher's previous service, if any, under private management may also be taken into account and that the pay drawn by the Assistant should also be taken into consideration for the purpose.

The Director has stated with reference to this suggestion that the previous service of an Assistant under private management may be taken into account when there are no Assistants with 10 years service and ~~whether~~ where the claims of no senior are affected thereby. This suggestion seems to be acceptable and if this view is agreed to suitable provision may be ~~ascertained~~ inserted in the rules on this point in consultation with Legal. The point is for orders

(iii) ~~The President~~, District Board, Mathurai:

The rules may be amended so as to vest the power of final selection of candidates in the President in consultation with the Educational Authorities.

p19 of

The ~~President~~ present procedure is that the Dvl. Inspector sitting with the D.E.O. prepares the panel from lists furnished by the President of the Dt.Board or the Appointment Committee as the case may be. The question of devising a more satisfactory method of, selection has been separately raised in another file ~~whether~~ where H.M. has ordered that the Dvl.Inspector should prepare the panel after consulation with the President of Dt.Board and that, in case of difference of opinion the Director should be addressed and the latter's decision should be final. The matter is still under consideration and orders will be based separately on it. No special action is called for in this file ~~on the~~ on the point.

(iv) The Kozhikode Municipal Council protests against the draft amendment. No ~~more~~ remarks seem to be necessary on this protest.

4. No doubt the point whether the Dvl.Inspector should examine the cases of all Assistants including th

whose names are withheld was specifically raised with the rules in G.O.No.3129 dated 9-12-48 were issued. It was ~~not~~ then ~~taught~~ thought/that such an examination ~~should~~ could be made. From the D.P.I.'s report on pp 3-4 cf in G.O.No.2813 Edn. dated 8-9-1949, it is seen that ~~the~~ such an examination of the cases of the Assistants whose names are not forwarded by the President will not be feasible under the present rules. In this view it was considered necessary to make a specific provision in the rules that in the interests ~~of preparedness~~ of justice the lists of all qualified Assistants ~~who are qualified~~, should be asked to be furnished to the Divisional Inspector. If this view is accepted, the draft amendments may be confirmed with such alteration~~s~~ as may be considered necessary with reference to the ~~points~~ raised ~~in the above notes~~ Suggestion at M on the previous page.
