Subject: S.S.L.C. Examination. Number of working days - and attendance of pupils in forms IV, 70 VI for schools working under Shift System - proposals of the D.P.I. - Orders passed.

From

The Director of Public Instruction,
M a d r a s.

To

The Secretary to Government,
Education Department,
M a d r a s.

Rc.No.96 E4/49 dated 30-3-50.

Sir,

Sub: S.S.L.C. Examination - No. of working days and attendance
of pupils in Forms IV to VI for schools working under shift
system.

I invite the attention of Government to sub rules (2) and (3) of rule II of the S.S.L.C. Scheme of 1929. This rule applies to schools which work for 180 working days. Schools working under shift system have been ordered to work for 225 working days. Consequently the above rule requires modification in respect of schools working under shift system. As the shift system is adopted purely as a temporary measure, I suggest that pupils reading in schools working under shift system may be required to attend each of the fourth and fifth forms either for not less than 75 per cent of the number of working days in each term and for not less than 169 working days in each school year, or for not less than 188 working days in each school year, and the sixth form, either for not less than 75 per cent of the number of working days in each term or for not less than 169 working days in the school year.

I request that my suggestion may be approved. I consider that no amendment to the rules is necessary at present as the shift system is adopted purely as a temporary measure.

Yours faithfully,

For Director of Public Instruction.

EDN. DEPT. (F).

S.S.L.C. EXAMN. - Number of working days and attendance of pupils in Forms IV to VI for schools working under shift system.

From the D.P.I. Rc.No. 96 E4/49 dated 30-3-50.

MEMO. NO. 5379/F/50-1 EDN., DATED 15/4/50.

The D.P.I. is requested to state the reason for the increase proposed in the number of working days from 180 to 188 and for the increase in the number of working ^{days} ~~days~~ to 225 in the case of schools working under the shift system. It may be also stated whether it will be possible for schools to work for 225 days under the shift system after allowing for the holidays and vacations specified in rule 77 of the Madras Educational Rules.

R.C. 96/E-4/48.

Office of the Director of Public Instruction, Madras, 23-5-50.

The Director of Public Instruction,
Madras.

The Secretary to Government,
Education Department,
Fort St. George, Madras.

Sir,

Sub: Shift System - S.S.L.C. Scheme - Number of working days.

Ref: Government Memo. No. 5379 E/50-1 Education dated 15-4-50.

Secondary Schools work ordinarily for five hours a day for five days in the week and 180 days has been fixed as the minimum number of working days for the year.

2. Schools working in shifts, work for four hours a day and for six days in the week. Calculating on the basis of five hours of work for 180 days in a year, a School working under the shift system should put in 225 working days in a year, and the corresponding regulations to sub-rules (2) and (3) of Rule II of the S.S.L.C. Scheme were proposed.

3. As Schools working in shifts are to work for six days in a week, it is considered possible to put in 225 days in the year. It may be stated in this connection that Elementary Schools already work for 220 days in the year.

Yours faithfully,

S. O. Panchanabhi
for Director of Public Instruction.

Sub: Madras Educational Rules - Secondary Schools -
Working under Shift system - Number of working
days and attendance of pupils.

Read: R.C.No.249-B/48 dated 6-10-49 of the Divisional
Inspector of Schools, Coimbatore Dn.

222

The Divisional Inspectors of Schools are informed that Secondary Schools adopting shift system should work for not less than 225 working days in a year and that pupils in those schools should be required to put in a minimum attendance of 75% of the working days in each term or of 166 working days in a year.

 query on the previous page -
 The question in this file relates
 to the proposal of the D.P.I. that pupils reading
 in schools working under the Shift System
 should work for 225 days in the school year.
 This the D.P.I. says is possible as schools
 adopting Shift System work for four
 hours a day for 6 days in a week
 vide his letter on p5 cf. In this connection
 attention is also invited to the Circular
 issued by the D.P.I. that schools adopting
 working under the Shift System should
 work not less than 225 working days in
 a year.

For orders as to the approval
 of the draft order on p1 ante.

The S.S.L.C. Scheme is
 put up. The Director says that
 Rule II on p1 of the Scheme
 applies to schools working
 for 180 days in a school year
 so these schools work for
 five hours a day and for five
 days in the week whereas
 the schools working in shifts
 have to work for four ^{hours}
 hours a day and for six
 days in the week. Hence
 the Director considers that
 the increase in the ^{total} number
 of working days to 225
 is called for in the case of
 the schools under the shift
 system. He has actually
 sent

sent a circular making this
change and seeks the
general approval of Govt.
No amendment to the rule
itself is necessary as the shift
system is tried in schools
only as an experiment and
not as a permanent measure.

Director's proposal may be
approved -
