From The Director of Public Instruction, Madras.
To The Secretary to Government, Education Department.

Roc.No.1272-K2/49, d/ 4.3.50.

Sir,
Sub: Government Training Colleges - Re-organisation.
Ref: Government Memo No.94342-A/49-3, Edn. d/2.2.50.

I request that Government may kindly reconsider the orders issued in their Memo referred to above. In my letter Rc.1272-K2/49, dated 30.11.49, I have already pointed out that the re-organisation scheme is in accordance with the new syllabuses prescribed for Secondary Schools and as such it cannot be postponed. I may point out that as at present there will be no need for separate posts of Lecturers in History and Geography and Physical and Natural Sciences. In the Scheme there will be only two Lecturers assisted by Assistant Lecturers, one for Social Studies (History and Geography) and another for Sciences (Physical science and Natural Science). I suggest that the proposal to convert the existing posts of Headmasters in the two Colleges at Saidapet and Rajahmundry may, if necessary, be dropped. The financial implications will then be a saving of Rs.4,300/- as indicated below.

1.Teachers' College, Saidapet	Saving	Rs. 8,776
2.Lady Willington Training College, Madras "		Rs. 2,926
3.Training College, Rajahmundry	Additional cost	Rs.7,400
		Rs.11,702
	Net saving	Rs. 4,302

2. I request the favour of early orders approving the modified proposal.

EDUCATION DEPARTMENT.

From

The Director of Public Instruction,

Madras.

The Secretary to Government,
Education Department, Madras.

R.C. 1272 K2/49 Dated 26-5-50.

Sir,

Subject:-

Training Colleges- Re-organisation of staff-
Revised proposals.

Ref:- Correspondence ending with my Telephone Message
No. 1272 K2/49 dated 27-4-50 in reply to
Government Telephone Message No. 972 A/50
dated 10-4-50.

The Principal, Teachers' College, Saidapet has re-
ported that the re-organised B.T. syllabus will come into
force from July 1950 and that in order to implement the
scheme certain additional staff and equipment would be ne-
cessary. The main features of the revised scheme are:-

(1) Reduction in the number of lectures and the
provision for tutorial group work.

(2) Introduction of Health Education, Citizenship
training and Physical Education as examination subjects.

(3) Increase in the number of hours of teaching
practice.

(4) Training in the preparation and use of audio-
visual aids.

(5) Practice in the preparation and administration of
tests and measurements.

(6) Training in Arts and Crafts.

The additional staff applied for by him are

- (a) 2 Tutors (English and Mathematics)
- (b) A Physical Training Instructor Grade I.
- (c) A drawing or painting instructor.
- (d) Mechanic.
- (e) Assistant Librarian and
- (f) A clerk for the office.

While the need for the above additional staff could be justi-
fied only when the scheme is actually worked out, I feel that
the employment of at least the minimum additional staff should
be considered from July 1950, and am therefore submitting
revised proposals for the re-organisation of the entire staff
in this and the Training College, Rajahmundry, consistent with

the present financial position of Government and the need for economy in expenditure. The Andhra University have also revised the B.Ed. syllabus on the lines of the B.T. syllabus of the Madras University and this is also to be given effect to from the next academic year. The staff requirements for the Training College, Rajahmundry will therefore be the same as the Teachers' College, Saidapet. For the present, I propose to exclude the Lady Willingdon Training College, Madras from these proposals. The position of this College, which is peculiar will be taken up separately.

2. It is considered that for each Training College, there should be a staff of 5 Madras Educational Service Lecturers of whom one will be the Principal, 6 Assistant Lecturers in the Subordinate Educational Service, one tutor, one mechanic and one additional clerk. As the sanctioned strength of the Teachers' College Saidapet is greater than the Training College, Rajahmundry, an extra tutor will be necessary for the former. It is not possible at present to fix up the subjects for the five posts of Madras Educational Service Lecturers and 6 Subordinate Educational Service posts. These will be decided with reference to the importance of the subjects and the availability of qualified personnel. The Principal Teachers' College, Saidapet points out that for effective tutorial work in English and Mathematics, for scrutinising notes of lessons, for supervising teaching practice lessons in the several schools and for maintaining records of work, the services of tutors are quite essential. Again, as training in the mechanisms of the projector, radio and other aids is part of the new scheme it is necessary to have a mechanic qualified to handle and to instruct students in handling the appliances. It is also reported that the new scheme envisages the maintenance of a large number of registers and records and without the services of an additional clerk, it is not possible for the existing clerical staff to manage the additional work. In my letter R.C. 1451 K2/49 dated 26-9-1949 recommending the adoption of class I and II categories of the Madras Educational Service to the Collegiate branch, I have also suggested the revision of pay of the Principals of Training Colleges. At present, only the post of Principal Training College, Saidapet is in the scale of 800-100/2-1000, while the other is in the ordinary Madras Educational Service scale of Rs.230-700. I have suggested a uniform scale of Rs.600-100/2-1000 and I request that Government may kindly sanction it along with the above proposals.

3. The financial effect of the proposals will be as shown below:-

Letter from the D.P.I. No.1272 K2/49, dated 4-3-50 and 27-4-50.

Sub: Govt. Trg. Colleges - Re-organisation.

In connection with the Part II estimates for 1950-51 the D.P.I. proposed:-

(1) Re-organisation of the staff in the three Govt. Trg. Colleges. (namely, Teachers' College, Saidapet, Govt. Trg. College, Rajahmundry and Lady Willington Trg. College, Madras) and the Model schools attached to them.

(2) Introduction of new bifurcated courses in the model schools attached to the two trg. colleges for men.

In the Memo dated 12-11-49 the D.P.I. was informed that proposal No (1) could not be considered in connection with the Part II scheme for 1950-51 as ^{he} the Director had not explained the importance of the urgency of the proposal and ^{also} owing to the financial stringency and that he might renew the proposal in connection with the Part II scheme for 1950-52. As regards proposal No (2) the D.P.I. was informed that the scheme for starting bifurcated courses in 50 schools was under consideration and that if this scheme materialized ^{he} the Director ^{could} bring the model schools attached to Saidapet and Rajahmundry Trg. colleges within the number 50.

Subsequently the Director stated that the scheme for the re-organisation of the trg. colleges was in accordance with ^{the} new syllabuses prescribed for secondary schools and as such it was essential and could not be postponed. But in view of the financial stringency he would be satisfied if the scheme ~~must~~ was confined to the staff in the B.T section and also ^{to} the conversion of the post of Headmaster of Model schools into that of ^{the} ~~the~~ Gazetted Officer ^{with the U.S.}. This Dept. and Finance Dept. considered ^{that} even the modified proposal ^{might} be negatived. But H.M. (E & L) minuted as follows:-

The proposals are essential in view of the reorganised ~~reorganisation~~ scheme of Education. Unless the trg.

College trains people to the courses how is the scheme to be worked. Further the proposals ~~will~~ give savings of Rs.5,860/- in Saidapet college and of Rs. 2,926/- in the Lady Willingdon College and there is addl. cost only in the Rajahmundry college of Rs. 10,316/-. The net addl. cost being only Rs. 1,500/- the scheme may be approved."

It was then pointed to H.M. that there would not be any savings as stated by the D.P.I. and that even the modified proposal would involve an addl. ~~extra~~ cost of Rs. 10,600/- p.a. H.M. (E & L) stated ~~xxx~~ that he would press the matter at the meeting of the S.F.C. ^{to be held} and for consideration ~~in~~ the Part II scheme. The Proposal was not ~~actually discussed~~ ^{discussed} at the S.F.C. meeting. But H.M. minuted that he would take it up ~~at~~ ^{to be} the Cabinet meeting held for the consideration of Part II scheme. The matter was not ~~even~~ ^{however} pressed at the Cabinet meeting and H.M. decided that the original position might continue.

In his letter dated 4-3-50 the D.P.I. again points out that the reorganisation scheme is in accordance with ~~the~~ new syllabuses prescribed for secondary schools and as such it ~~can~~ not be postponed. He stated that ~~at~~ at present there will be no need for separate posts of Lecturers in History and Geography and Physical and Natural sciences and ~~in~~ the modified scheme there will be only two lecturers assisted by Asst. Lecturers, one for Social Studies (History and Geography) and another for Sciences (Physical science and Natural science). The Director says that he has no objection to the dropping of the proposal to convert the existing posts of Headmasters in the two trg. colleges at Saidapet and Rajahmundry into ^{now} Gazetted ones. The proposal for which the Director asks for sanction is as set out below:-

Teachers' College, Saidapet.

The Director ^{Stated} ~~has stated~~ that this modified proposal would result in a saving of Rs.4,302/- per annum. But actually it results ⁱⁿ a net addl. expenditure of Rs. 2,200/- per annum. As it is reported that the proposed reorganisation is essential in view of the reorganised scheme of education and as the extra cost on account of this proposal is only about 2,200/- p.a. The proposed reorganisation is very desirable: but from which we have been told about the financial position of the State. It seems ^{not proper} (not to press for such schemes.

Finance (Em)

In connection with the Part II schemes for 1950-51, the D.P.I. among other things proposed the reorganisation of the staff in the three Govt. Training colleges namely Teachers College Saidapet, Govt. Training College Rajahmundry and Lady Willingdon Training College Madras and the Model School attached to them. In

In Memo No 25458 Edn 7 12-11-49, the D.P.D was informed that the above proposal could not be considered in connection with the Part II schemes for 1950-51, as the importance and the urgency of the proposal was not explained and also owing to the financial stringency. Though the D.P.D subsequently passed for the proposal, the Govt deferred consideration of the same.

The D.P.D has ~~one~~ again submitted proposals for the reorganisation scheme which is stated to be in accordance with the new syllabuses prescribed for secondary schools and as such it cannot be postponed. The following statement shows in one view the existing staff in each of the three training colleges and the proposed staff for the reorganisation scheme:-

(i) Teacher's College Saidapet.

Existing Staff	Proposed Staff
8 Lecturers (excluding one Principal) on Rs 230-700	6 Lecturers (excluding one Principal) on Rs 230-700
1 Asst Lecturer on Rs 150-250.	4 Asst. Lecturers on Rs 150-250.

(ii) Lady Willington Training College, Madras.

7 Lecturers (excluding one Principal) on Rs 230-700	6 Lecturers (excluding one Principal) on Rs 230-700
4 Asst. Lecturers on Rs 150-250.	5 Asst. Lecturers on Rs 150-250.

(iii) Govt Training College, Rajahmundry.

6 Lecturers (excluding one Principal) on Rs 230-700	6 Lecturers (excluding one Principal) on Rs 230-700
1 Asst Lecturer on Rs 150-250.	4 Asst. Lecturers on Rs 150-250.

that the proposed reorganisation is very desirable but in view of the financial position of the State, it seems more proper not to press for such schemes.

The present proposals of D.P.I involve a net additional expenditure of Rs 2200 p.a. and are much cheaper than those submitted by him in November 1949 which were not considered.

In view of the critical ways and means position of Govt. and the need for economy in all possible directions, this depts was agree with the view of the Govt. at of on page 3 above.

H. U. Finance may see with reference to his minute on P.7 CF.

It would appear from (M) on P.1 CF that the reorganisation is necessary with reference to the new syllabuses prescribed for secy. schools. The postponement of the scheme may cause ~~adverse~~ difficulties in getting effect to the new syllabuses in secy schools. The Edn depts. may if they see no objection ask the D.P.D. whether the scheme may not be modified so as to ensure that there is no extra cost. As the extra cost is only Rs 2 p.a., it may be possible to modify the scheme as suggested above. Otherwise, the entire scheme will have to be postponed.

15/5/50 Edn depts (A)

The notes of Finance from p 3 ante may be perused. It is for consideration whether the suggestion of H. U. Finance may be accepted. Subject to orders a draft memo. is sent for approval.

With reference to Secretary's remarks above it is submitted that the attention of the D.P.I. has already been invited to the incorrect calculation of the cost. An estimate of the correct expenditure according to his proposal, worked out in detail, was sent to him. - vide T.M. on p. 3 cf. He had replied that he had not taken into account the D.A. while working out the cost of his proposal and that that was the reason for the difference in the estimate.- vide p. 9 c.f. 13/5/50

In connection with the Part II estimates for 1950-51, the D.P.I. submitted proposals for the re-organisation of the 3 Training Colleges. The proposals were not approved then. In March 1950, the Director pointed out that the proposed re-organisation could not be postponed as it was in accordance with the new syllabuses prescribed for the Secy. schools and pressed for its acceptance in a slightly modified form. The modified proposals showed a net addl. expre. of Rs. 2,200. The Fin. Deptt. considered the proposals to be necessary but suggested that it might be possible to modify them further so as to ensure that there was no extra cost. The suggestion was put to the D.P.I. and he was asked to submit revised scheme if possible. Before receipt of that communication the D.P.I. has submitted fresh proposals, which are at pp.15-17 c.f. He states that the re-organised B.T. syllabus will come into force from July 1950 and that in order to implement it, it is necessary to re-organise the entire staff of the Trg.

3. The Director says that he has excluded the Lady Willingdon Trg. College from the present proposals and that the case of that College will be taken up separately. As the Andhra University has also revised the B.Ed. syllabus on the lines of that of the Madras University, he says that the staff requirements of the Training College, Rajahmundry will be the same as those of the Teachers' College, Saidapet, and has therefore proposed the same strength of staff for both the colleges.

4. The proposals show a net saving of Rs. 634 in respect of the two colleges. Taken individually the revised proposal in respect of the Saidapet College results in a saving of Rs. 11,961 while there is an addl. expre. of Rs. 11,327 in respect of the Rajahmundry College. In estimating the cost involved, the Director has taken into account the scale of pay of Rs. 600-100/2-1000 proposed by him separately for the Principals of Govt. Colleges. The Govt. have not yet passed final orders in the matter. It has been proposed that the scale of Rs. 600-1000 suggested by the D.P.I. may be adopted in respect of the

except for the 2 Tutors.

What is the proposal for the scale of pay for the Principals of Govt. Colleges?

revised scale

post of Principal of the Saidapet College and that the other posts of Principals may be upgraded in the existing scale of pay. If the cost is calculated according to the pay suggested above, the Director's proposals will show slightly larger savings.

5. In connection with the opening of the two new B.T. Colleges at Palghat & Mangalore, the Director had stated that the Syndicate of the Madras University granted temporary affiliation on condition that a staff of 3 Professors (M.E.S. cadre) one of whom should be the Principal, and one Asst. lecturer (M.E.S.S. cadre) for each of the optional subjects to be offered, was appointed and that the Syndicate had also decided that the above condition regarding staff should be made applicable to all the training colleges that were to be recognised in future by the University. The staff for the 2 new Colleges was sanctioned by the Govt. on that basis. In view of the existing financial stringency and the need for utmost economy, it is for consideration whether on the above basis it will not be sufficient for the present if 3 M.E.S. posts (including Principal) ^{for each of the 2 colleges} are sanctioned, the remaining posts being Asst. Lecturers in the M.E.S.S. (i.e., 8 Asst. lecturers for each of the 2 colleges). This will satisfy the requirements of the University. The Director may be asked whether this will not do in the present circumstances.

6. As regards the other staff proposed, the Govt. have sanctioned two posts of Tutors for each of the two new B.T. Colleges. Hence the Director's proposal for 2 Tutors for the Saidapet and 1 for the Rajahmundry College, may be approved. As regards the posts of Mechanic and addl. clerk suggested for each of the colleges, it is for consideration whether these posts may not be deferred until the revised syllabus has been worked for some time and the necessity for the posts established. (The Director has stated that the need for an addl. Physical Training Instructor, a Drawing Instructor and an Asst. Librarian, applied for by the Principal, Saidapet College, will be examined by him and proposals submitted in due course after the revised syllabus has been worked for some time).

For orders. The remarks of Finance may be invited.

the course of the last 10 months. In connection with each proposal he ~~has~~ stated that it is essential in view of the reorganised scheme of secondary education. The natural conclusion is that the Director has not definitely decided how he should reorganise these colleges.

Further the following points have to be considered before the proposal is further examined:-

(1) The secondary school syllabus on which the present reorganisation is based is still in a fluid stage. It cannot be said that the scheme has been finalised.

(2) The present Principal of the College who is the author of the scheme will not be there to implement it. It has ~~been~~ ^{almost} decided that he should be posted elsewhere. Mr. M. D. Paul, the Principal-Designate, who ^{was specially deputed to learn} ~~has had the benefit~~ teaching methods in foreign countries is coming in August and it is only fair that he should be given an opportunity to ^{express his views} ~~have an say~~ on the scheme before it is given effect to.

(3) Under the proposed scheme many of the subjects now in charge of M.E.S. officers will be in charge of subordinate service officers. ~~in future~~. The University has been insisting that as far as possible the chief men in charge of the subjects ~~which~~ should always be in the M.E.S.

(4) The Lady Willingdon Training College is proposed to be left out of the present scheme. This college also coaches for B.T. and if any scheme is framed it should be made applicable to the Lady Willingdon Training College also.

(5) The Director says that the addl. expenditure on account of the introduction of the scheme in the Govt. Training College, Rajahmundry, will be off set by the saving from the Teachers' College, Saidapet. According to financial rules the saving under one item cannot be utilised for expenditure under a new item. The expenditure under the new item should be considered as a fresh item of expenditure and the usual financial rules must be followed.

(6) The colleges will re-open in about a week.

reorganisation will only result in confusion and chaos.

For orders whether in the circumstances the Director asked to submit definite proposals after thorough examination in connection with the Part II Estimates for 1951-52. Finance may be before circulation.

Summarising note.

EDN. DEPT. (A).

The file relates to the proposal of the D.P.I. for the reorganisation of the two Training Colleges, Teachers' College, Saidapet and the Govt. Trg. College, Rajahmundry. The Director considers that the reorganisation is essential in view of the reorganized scheme of Secy. edn. and the modified B.T. and the B.Ed. syllabuses. The proposals involve considerable change in the staff of the two colleges as shown below, resulting in a net saving of Rs. 634 (saving in the Saidapet College Rs. 11,961 - addl. expre. in Rajahmundry College Rs. 11327).

Discussed with the D.P.I. In view of the change of syllabus the proposals are necessary & essential. Apart from that we are putting the Saidapet & Rajahmundry Training Colleges in the same position

And Status. There is no particular purpose in having a different scale of pay of principals of Saidapet and Raymundry. Both may be 600-1000, the same as by direct. The proposals of the direct is a clear ~~save~~ saving in total & so may be accepted and orders issued immediately as the colleges are to re-open soon. There must not await the decision in this matter.
