Sir,

Sub:- Inspection - Temporary posts of Divisional Inspector (Senior and junior scales), clerks, attenders and peons - continuance of - sanction requested.

Ref:- 1) G.O. No.752 Edn. dated 17th March '49.
ii) Government Memorandum No.54238 A/49-2 Edn. dated 27th July '49.

p.t.o.

2
As the circumstances that ~~constituted~~ ^{necessitated} the creation of the posts mentioned above continue to exist there is need for their further continuance.

3
The Divisional Inspector of Schools, Coimbatore Division has requested sanction for the employment of additional Inspecting officers with the Establishment for the Coimbatore and Nilgiris District, as the number of schools allotted for inspection to each of the Deputy Inspectors, both senior and junior, is large and as they will make effective supervision and satisfactory inspection difficult. The number of Senior Deputy Inspectors and Junior Deputy Inspectors allotted for the Coimbatore and Nilgiris Districts and the number of schools in each district are furnished below.

District.	S.D.I.	J.D.I.	Number of schools.
Coimbatore	10	7	1208
Nilgiris	2	1	204

As two ~~in~~ inspecting officers were found inadequate for 204 schools in the Nilgiris District a post of Junior Deputy Inspector (post attached to Udamalpet Range) from the Coimbatore district was transferred recently to the Nilgiris District. A Junior Deputy Inspector sanctioned for Basic schools is attached to the Coimbatore Deputy Inspector's Range and he is assigned 42 schools for inspection. The rest of the schools in Coimbatore District i.e. 1208-42=1166, are inspected by 16 officers and each inspecting officer on an average gets 73 schools but in actual distribution it is found that the number of schools assigned to each Senior Deputy Inspector and Junior Deputy Inspector Ranges from 65 to 75 and 75 to 80 respectively. The number of schools allotted for inspection to each inspecting officer is large and ~~defects~~ ^{defects} the object with which the redistribution of the Deputy Inspectors Ranges on school War basis was ordered to be made. The District Educational Officer, Coimbatore and Nilgiris, did not furnish the correct number of Elementary schools in the District and adequate number of Inspecting officers required for the district was not included in the original proposal approved in G.O.

Number 752 Edn. dated 17/3/49,. If ~~three~~ more additional Junior Deputy Inspectors are Employed in Coimbatore district, Each inspecting officer will get an average $(1166 \div 19)$ 63 schools and the position in the District will then be satisfactory.

There is no possibility of transferring the provision of Junior Deputy Inspectors from other Districts as each inspecting officer has adequate number of schools to inspect and the number of officers allotted for each district was with reference to the number of schools in the District.

4. The number of schools assigned to the Inspecting officers in the Nilgiri District is also high, being 68 per officer. The District needs one more Junior Deputy Inspector but the need there is not so acute as ⁱⁿ the case of Coimbatore District. In the circumstances I request that Government may be pleased to sanction:-

1) the continuance for a period of 2 years from 15/6/50 of all the temporary posts specified in para I above, and

ii) for the employment of 3 Junior Deputy Inspectors, three clerks and three peons additionally for the Coimbatore District for 2 years from the date of appointment.

5. I solicit the favour of very early orders.

Yours faithfully,

M. S. Krishna Rao

R.O.No. 323-K4/50 dated 15th June 1950.

Sir,

INSPECTION--Temporary posts of Deputy Inspectors of Schools
(Senior and Junior scale) and staff--Continuance.
Reference:-Government U.O.Note No.14075-A/50-1 Edn.,dated 1.6.50.

With reference to the Government U.O.Note cited above I have the honour to state that statistics as to how far the number of visits to schools has increased by the reduction of schools assigned for inspection to each inspecting officer, are not readily available and these have to be called for. The fact that the Divisional Inspectors have recommended the continuance of the posts could only indicate that the work done by the inspecting staff has proved effective and that there is need for the continuance of the posts. The District Educational Officer, Vizagapatam North writes as follows:

"As the working of the schools is now found to be more efficient than before by allotting lesser number of schools for each inspecting officer due to the re-organisation scheme, which has come into existence from 15.6.1949, as the inspection of schools and surprise visits to schools now possibly given by the inspecting officers and the follow up has been proved effective it is recommended that the temporary posts may be sanctioned permanently with effect from 15.6.1950".

2. As the sanction for the posts has expired on 14.6.1950, I request that sanction may be accorded for the continuance of the posts, and the statistics called for will be submitted along with the proposal for the continuance of the posts beyond the period of sanction to be accorded.

3. In this connection I wish to state that I consider that the additional staff required for Coimbatore District is imperative in the interest of efficiency and the postponement of the employment of the additional staff to next year will dwarf the efficient administration of the district. I therefore request that sanction may kindly be accorded

for the employment of the additional staff requested in the current year itself.

Re.No.323K4/50 dated 27th March 1951.

Sir,

Sub:--INSPECTION--Employment of additional Deputy Inspectors
(Senior and Junior Scales)--Continuance of--Comparative
Statistics showing that the reduction in the number of
Schools to be inspected by each Officer has resulted
in the schools being visited more frequently-submitted.

Ref:--G.O.Ms.No.1943 Education dated 5-7-1950.

With reference to paragraph 3 of the G.O. cited above, I
enclose herewith a statement of comparative statistics to indicate
that the reduction in the number of schools to be inspected by each
Inspecting Officer has resulted in the schools being visited more
frequently. The reorganisation of the Deputy Inspectors ranges
ordered in G.O.No.752 Education dated 17-3-1949 was given effect
to from 15-6-49. Some of the posts of Deputy Inspectors newly
created remained vacant for want of qualified hands and the
Inspection and visits of the schools had to be adjusted by the
existing staff. Even now some of the posts remain vacant. This
apparently is the reason why in certain Districts the visit results
are not as they should be. The effectiveness of the reorganisation

complete statistics regarding the beneficial
results from the reorganisation reduction
effected in the number of schools to be

From the D.P.I. no 3234/50 on 15.6.50

With reference to the Secy's remarks above, attention is invited
 to Director's reply on pp. 9-10 c.f. The sanction for the posts
 expired on 14-6-50. It will take some time to collect statistics from
 all the D.E.Os. It is therefore for consideration whether in the
 circumstances stated by the Director, the staff will be continued for
 1 year from 15-6-50. The Director may be informed that further con-
 tinuance should be fully justified on the basis of statistics.

As regards the addl. staff of 3 Junior Dy. Insprs., 3 clerks and
 3 peons asked for the Coimbatore Dt., the D.P.I. has already stated
 that it is not possible to transfer to Coimbatore Junior Dy. Insprs.
 from other Dts. In the circumstances stated by him in para 3 of his
 letter, it is for orders whether the staff will be sanctioned for 1
 year in the current year itself instead of considering the proposals
 in connection with Part II Schemes for the next year.

Extremely anxious
 argument - that
 the D.P.I. has
 recommended
 in the staff must have
 justified its approach.
 This shows the way
 in which proposals
 are being taken from the
 D.P.I. after the
 very ordinary examination

22/6/50

A. Continuance for one more year may
 be sanctioned.
 B. maybe considered as part II scheme for
 next year

Notes on pp. 1, 2 also may
 be perused. Finance may agree with the views of
 Secy. now at X. Also
 to function/Statistical Dept. may be asked to
 furnish the statistics after they are completed for the
 year.
