Roc.No.1580 W1/49 dated 14-11-1949.

Sir,

Sub: WAR - Further Education and Training of demobilised personnel - Training as teachers - Exemption from the operation of the rules framed under Government Memo No.70591/47-2-Cl Edn., dated 5-1-4 and G.O.Ms.No.721, Education dated 15-3-1949.

I have the honour to recommend in pursuance of the decision of the Further Education Board, that the under-mentioned three demobilised personnel undergoing training for the B.T.Course, two in the Lady Willingdon Training College, Madras, and the third in the Meston Training, Madras, may be exempted from the operation of the rules framed under Government Memo No.70501-Cl/47-2, Edn., dated 5-1-1948 and G.O.Ms.No.721, Edn., dated 15-3-49 for reasons given below:-

1. Miss B.M.Josephine, - Lady Willingdon Training College. She was a secondary grade teacher before she joined war service, on 31-3-44. She served till 10-3-1947 and then joined the B.T.Class in the Lady Willingdon Training College to start further education for a career, on 1-7-49. She does not satisfy the rule laid down in the Govt.references quoted above as she had not joined the college for further education within two years after discharge i.e. she had let go the two chances of doing so in July 1947 and July 1948. But she passed her B.A. War degree examination only in September 1948, and was not therefore eligible for admission in that period. She is undergoing training by taking leave. She is on leave on half pay till the 22nd of October 1949 and thereafter she will be on leave without allowances. I therefore recommend that she may be exempted from the operation of the rules mentioned above and allowed the concessions under the Further Education Scheme.

2. Mrs. Kamala Prabhakaram, Lady Willingdon Training Colle
She left the American College, Mathurai where she studied in the B.A. on 1-4-43, took up teaching work in the Sri Meenakshi Vidyasala where she worked till 20-8-44. She joined war service on 26-10-1944 and served in the war till 26-7-46. She too does not satisfy the rule that she should have joined the college in two years after discharge. She is a married woman with two children, finds it very hard to meet the expenditure from out o her husband's earnings which is Rs.780/- per year who is an Engineering apprentice in Mathurai. Her case deserves sympathetic consideration. I therefore recommend that she may be exempted from the operation of the rules and she too may be sanctioned the allowances admissible under the Further Education Scheme.

3. Sri S.P.K.Thampan, Meston Training College, Madras.
This candidate was a secondary grade teacher before he joined War service. Having completed the secondary grade training in April 1942 he joined war service on 3rd September 1942. He was discharged on 24th February 1947 and had joined the B.T.class in the Meston Training College in July 1949, after a period of 2 years from the date of discharge. He however passed the B.A. War degree examination in September 1948 and now desires to obtain the B.T.degree with a view to start his career as a teacher. He may therefore be exempted from the operation of G.O.Ms.No.721 Edn., dated 15-3-49 and may be allowed the concessions under the Further Education Scheme.

MINUTES OF THE MEETING OF THE FURTHER EDUCATION BOARD HELD IN THE OFFICE OF THE DIRECTOR OF PUBLIC INSTRUCTION ON 7TH NOVEMBER, 1949.

PRESENT:-

Sri D.S.Reddi, Director of Public Instruction (Chairman)
,, S.V.Mudaliar, Principal, Veterinary College.
,, M. Kanthi Raj, Deputy Director of Agriculture.
,, N.Subramania Iyer, Personal Assistant to the Director of Public Instruction (Secretary)

-----

1. The minutes of the previous meeting held on 20-11-1948 were passed.

2. The Board examined the question of allowing the concessions to students who failed in the Examinations on their promotion to the higher classes.

The Board resolved to recommend to Government on the lines of the recommendation of the Principal, Stanley Medical College, that the concessions may be continued to students in Medical Colleges who failed in the examination once provided their total stay in the college does not exceed six years.

3. The Board considered the cases of students in the Teachers' Training Colleges who were not allowed the concessions because they did not satisfy the rule that the interval between the date of their discharge from the army and the date of their joining the college should not exceed two years. The Board resolved that the cases of students who are reading for the B.T.Degree may be recommended to Government and that the case, of the student reading for the M.Ed. Degree be refused.

4. The Board considered the appeal of Sri K.Venkata Rao, B.A., L.T., Headmaster, S.T.V.N.Hindu High School, Pentapadu requesting that the rule regarding the income limit for the award of the concessions may be relaxed and his son Dr. K.G.Bhagavanarayana who is reading in the Lake Medical College, Calcutta may be allowed the concession.

The Board resolved not to recommend any relaxation in this case as that would give rise to a number of other claims from parents similarly circumstanced.

The Board however resolved to recommend to Government that the income limit may be raised to Rs.3,000/- per annum with reference to the prevailing general conditions and that the new rule if accepted by Government may be given effect to from the next academic year.

The Board resolved further that if Government accept the above recommendation, the benefit of the new rule may be given to the appellant ~~on~~ as a special case as the Board is in full sympathy with his position.

5. The Board considered the cases of the students in the Guntur Medical College who failed in the Pre-Registration Examination and to whom the Principal continued the concessions owing to some misapprehension. The Board resolved to recommend to Government that the action of the Principal may be ratified as a special case.

Sir,

Subject: War - Further Education and Training of demobilised personnel - Sri K. Sekhara Varier, B.T., Meston Training College, Madras - Exemption from the operation of rules framed in Government Memorandum No. 70501-C.1/47-2 Education dated 5-1-48 and G.O.Ms.No. 721-Education dated 15-3-1949 - Recommended.

---

24 FEB 1950
14119

I have the honour to recommend that Sri K. Sekhara Varier a demobilised candidate now undergoing the B.T. course in the Meston Training College, Madras may be exempted from the operation of the rules framed in Government Memo.No.70501-C.1/47-2 Education dated 5-1-48 and G.O.Ms.No.721 Education dated 15-3-1949 and admitted to the benefits of the Further Education Scheme.

The candidate has served for the prescribed period before the termination of the war and is a native of Madras Province. He is a permanent Secondary Grade Teacher in Government Service who joined the War Service on 17-5-45 and was discharged on 25-6- He obtained a B.A. War Degree in 1947 and applied for the B.T. course in 1948. But he was not selected for want of a vacancy. He was however selected for the 1949-50 course and deputed to undergo the Training in the Meston Training College under the Scheme of Training for Malayalee students. The tuition fees have been paid to the college from Provincial funds in accordance with the scheme. He has been granted earned leave for 33 days from 26-6-1949 to 28-7-1949, unearned leave on half pay for 3 months from 29-7-1949 to 28-10-49 and extra-ordinary leave without allowances from 29-10-49 to 20-4-1950.

D

He does not satisfy the rule laid down in G.O.No.Ms.721-Education dated 15-3-1949 as he was discharged on 25-6-1946 and had joined the College only in 1949. He however made bonafi attempts in 1948.

In accordance with resolution No.3 passed by the Further Education Board as its meeting held on 7-11-1949 Government have been requested to grant exemption from the rules on behalf of three persons now in the B.T. course. The case of Sri K. Sekhara Varier is similar to them and deserves sympathetic consideration. I therefore recommend his case for consideration.

--

(P) In G.O. No. 1167, Edn., dated 12-6-46, the Govt. sanctioned a scheme for the further education and training of demobilised personnel. The scheme was intended to provide facilities to candidates who, by reason of their war service, have been unable to start education (post-school final) for careers, or whose education had been interrupted for that reason at any stage of such education. For admission to the benefits of the scheme an applicant was required to show that by reason of his joining the war service

Para 4 p1 (P)

para 4 in Sec III p 2 of (P)

(a) He had been unable to start education (Post Matriculation) for career, profession, business or industry, or

(b) his education for the career, profession, business or industry had been interrupted, or

(c) he had been unable to resume his previous career, profession or industry, or

(d) he requires a refresher course to enable him to follow his previous career.

(N) In Memo. No. 70501 C/47-2, Edn., dated 5-1-48, the Govt. approved the proposals of the Further Education Board that for purposes of determining whether a candidate's study was actually interrupted by his joining war service, the interval between the date of his leaving an educational institution and the date of his joining war service should not exceed one year; and

(2) that the interval between the date of his discharge from the Army and the date of joining an educational institution for eligibility for concessions under the scheme should not exceed two years. Again in G.O. No. 721, Edn., dated 15-3-49, the Govt. ordered that the candidates might be allowed two consecutive chances for gaining admission into educational institutions instead of 2 calendar years.

In the circumstances stated in his letter on pages 1-2 c.f. and on page 17 c.f. the D.P.I. recommends that Miss B.M. Josephine, Mrs. Kamala Prabhakaran, Sri S.P.K. Thampan and Sri K. Sekhara Varier studying in the Lady Willingdon Training College and in the Meston Training College

1-2 c.f. & p 17 c.f

respectively might be exempted from the operation of the conditions stipulated in the memo at flag (N) as they all joined the Training Colleges after lapse of two years from the date of their discharge from the war service.

~~The Director has missed one important point in making this recommendation.~~ According to the scheme an applicant, who before the war, had already held a post for which he had received adequate training and who left that post to enter the war services should not be regarded as eligible for training for a new profession unless he could show that, because of changed circumstances, he was denied the opportunity of resuming his pre-war career. Men desiring to qualify on a higher plane in their pre-war profession will, however, be considered for aid for further education provided that it was clear from their war record that they ~~have~~ had shown or developed capabilities which would justify the public money being expended for the purpose. Miss B.M. Josephine, Sri S.P.K. Thampan and Sri K. Sekhara Varier were all secondary grade TEACHERS BEFORE THEY JOINED WAR SERVICE. After demobilisation they passed the war degree examination and have now joined the training colleges for B.T. course with a view to improve their prospects. As regards Mrs. Kamala Prabhakaran, it may be mentioned, that she ~~was~~ passed in the ~~two~~ parts in the B.A. Degree Examination in 1943 and was working as a teacher till 26-10-44 when she joined war service. She took the degree in 1947 after demobilisation and has now joined the Lady Willingdon Training College to improve her prospects. The D.P.I. would have presumably satisfied himself, that all these four candidates deserve the award of concessions with reference to 'A' above. For orders whether all these four candidates may be admitted to the benefits of the Further Education scheme as a special case.

Finance may see for remarks, if any, before circulation.

2 The interval between the date of discharge from military service and the date of joining the B.T. course exceeds 2 years in the case of all the four candidates. They are not therefore eligible under the rules for financial assistance under the Further Education scheme. The candidates who joined the course in July 49, must have by this time almost completed their course and will be appearing for the examination shortly. As they must have somehow managed to meet the expenses of their training, it does not seem necessary to grant them ~~any~~ financial assistance at this juncture. Further, this deptt. have been advising against the grant of pecuniary concessions with retrospective effect in view of the orders in G.O. no. 770, Finance dated 6.8.48. In the above circumstances and in view of the existing financial stringency, Finance may advise against the relaxation of the rule in question in favour of the candidates, with a view to granting them financial assistance under the Further Education scheme.

The Govt. having prescribed certain (rules &) conditions for eligibility to the concessions under the Further Education Scheme, should not make a departure in individual cases like the present unless it is shown that the application of the rules causes exceptional hardship. I do not see any exceptional features in the four cases under consideration which have been dealt with in the D.P.I.'s letters on pp. 1 & 17 c.f. All the four

four persons in question are undergoing collegiate & training courses in order to improve their prospects. ~~If any concessions were allowed in these ca~~ Any expdr. which they now incur on Education would be beneficial to them in the long run; & they have not joined the Colleges solely depending on the Govt.'s assistance. Fin. may advise ~~that~~ ~~the~~ against relaxation of the rules in these cases. At the present time, it is desirable that Govt. do not increase their commitments.

It is observed that the Board considered these cases in November 1949 itself & found them deserving for of the grant of exemption ~~of~~ from the rules. What did these do during the interval between their discharge and their entry into B.T. course? All took their B.A. (War Degree)? Did they not? Did any of them study in a College?

These are clearly cases where the fact that the interval between their discharge from war service and their entry for teachers training exceeds two years should be overlooked & the trainees concerned be declared as eligible for the concessions under the Scheme. This may be ordered.
