EDUCATION DEPARTMENT

FROM

THE DIRECTOR OF PUBLIC INSTRUCTION, MADRAS.

TO

THE SECRETARY TO GOVERNMENT,
EDUCATION DEPARTMENT,
MADRAS.

Rc.203 SE/50 dated 24th April 1950.

Sir,

Sub:--Visual Education--Supply of 16 m.m. Sound Projectors
Filmstrip projectors etc., to the Teachers' College,
Saidapet and Government Training College, Rajahmundry
Requested.

Ref:--G.O.Ms.No.191 Education dated 24-1-50.

The proposals submitted by me in this Office letter
Rc.25P/49 dated 4-10-49 for the supply of two Filmstrip projectors,
two 16 m.m. Sound Projectors and other necessary accessories for the
two training Colleges in the State viz., Teachers' College, Saidapet
and Government Training College, Rajahmundry and the appointment
of two operators for the Training Colleges referred to above have
been deferred by Government in their order cited.

2. The Principal, Government Training College, Rajahmundry
requests the supply of a 16 m.m. Sound Projector etc., for his
College since in the revised B.Ed. courses, practical work includes
training in handling and maintenance of Audio Visual Aids. Practical
training of the kind prescribed by the syllabus of studies makes it
necessary that projectors should be provided in the College for giving
such practical instruction.

3. In the circumstances stated, I request that the Govt.
may be pleased to reconsider the proposal submitted in this
Office letter Rc.5P/49 dated 4-10-49 and sanction the supply of
two sound 16 m.m. projectors, 2 Film strip projectors and necessary
accessories under non-recurring expenditure and the appointment of
two operators under recurring expenditure for the training colleges
viz., Teachers' College, Saidapet and Government Training College,
Rajahmundry.

Yours faithfully,

it has been already stated that according to the revised

Visual Education - Teachers' College, Saidapet and Government Training College, Rajahmundry - Supply of projectors and employment of operators.

From the Director of Public Instruction, R.C. No. 283-55/50 dated 24.4.50.

In order to expand the facilities for the visual instruction in the educational institutions in this State, the D.P.D. submitted certain proposals for consideration in connection with the Budget for 1950-51. One among these proposals was the purchase of projectors with the necessary accessories and the employment of operators for the Central Film Library, Teachers' College, Saidapet and Government Training College, Rajahmundry. The Standing Finance Committee of the Cabinet recommended that the proposal might be deferred. Orders deferring the proposal were, therefore, issued in G.O. No. 191 Edn. dated 24.1.50.

2. The Director now reports that the revised course for the B.Ed. degree includes training in the handling and maintenance of audio-visual aids, and that in order to provide this training, it is necessary to supply the training colleges with projectors. The Director, therefore, requests that a film strip projector, a sound projector with necessary accessories may be sanctioned for each of the Teachers' College, Saidapet and Gov. Trg. College, Rajahmundry. He also requests the employment of an operator in each of the colleges on Rs. 80-2-100. The entire cost involved in the proposal is as follows:-

Recurring	Rs.
Employment of an operator on Rs. 80-100 with usual allowances in each of the two colleges.	1,970
<u>Non-recurring</u>	
Purchase of two film strip projectors at Rs. 400/- each	800
Purchase of two sound projectors

The necessity for the supply of sound projectors filmstrips etc. to the two training colleges may be admitted. This is a new scheme of expenditure not provided for in the budget and it is doubtful whether the D.P.D. will have a provision to say definitely whether the expenditure can be met from the savings under the authorized grants.

Further the matter will have to be referred to the S.P.C. and 21/5/50, there is hardly time to follow the prescribed procedure & sanction the proposal before the commencement of the school year. According to the revised Courses for the B.Ed. degree, practical training in the handling and maintenance of audio-visual aids is necessary and the revised scheme for the Course cannot be implemented completely without making full provision for the teaching of audio-visual methods. The D.P.D., therefore, considers that the proposal to purchase of a film strip projector, a sound projector with necessary accessories and to employ an operator in each of the Teachers' College, Srisaipet, and Government Training College, Rajahmundry, as urgent. EDUCATION DEPARTMENT (B)

The proposal in this file is to purchase a film-strip projector, a sound projector with necessary accessories and to employ an operator ~~for~~ each of the Government Training Colleges at Rajahmundry, and (the Teachers' College) Saidapet. The extra cost involved in the proposal is Rs.1,970/- recurring and Rs. 7,550/- non-recurring. ~~According to the revised course for B.Ed. degree, practical training in handling and maintenance of audio-visual aids to the trainees is necessary. The D.P.I. therefore considers the proposal as urgent and that it cannot wait for consideration as a Part II Scheme for 1950-51. But this Department consider that the proposal should be deferred till the present financial stringency is over. The Finance Dept. have also agreed to this view. The draft order below is for approval.~~
