R.O.C.No. 535-K3/50 dated 29th June 1950.

SIR,

Schools--Government Middle School South 2nd Street Pudukottai--
Closure--sanction requesting.

The Government Middle School South Second Street, Pudukottai has not been having economic strength all along. The School consists of Forms I to III only. The total strength of the school during 1948-1949 was only 39 and during last year only 33. (Viz. Forms I .. 16; Form II..12; and Form III .. 5). The School is located in a thatched shed and the accommodation available is not satisfactory. The Headmaster of the school is only a Secondary Grade Teacher. There are four other Middle Schools and two High Schools in the same locality, all within a distance of two furlongs from the Government Middle School. They are:

1. K.B. Middle School,
2. Bhagavathar Middle School
3. Sandapettai Middle School
4. Sarada Middle School
5. Ranee's Girls' High School; and
6. C.S.M. High School.

The Special Officer for Education, Pudukottai therefore recommends that the school may be closed down with effect from the current school year. He states that the existing students of the school can easily be absorbed in the neighbouring secondary schools; that the existing teachers of the school can be transferred to the other government schools and that the thatched shed where the school is now located will serve as additional accommodation for the Government Elementary School which also is held in the same premises.

2. In view of the very low strength of the school and in view of the fact that there are six other secondary schools in the same locality to serve its needs, I consider that there is no justification to continue the Government Middle School South Second Street, Pudukottai. I may also
