Sir,

Sub: Government Press - Appointment of Coolies - sanction
requested -
Ref: Arising -

I submit that with a view to expedite clearance of arrears of work of standardized and non-standardized forms and other items of printing work in the Binding Department some temporary staff has been sanctioned in G.O.Ms.1023 dated 28-3-50. The staff of Binding Department work in two shifts. The turnover of forms and other printed matters after binding and ruling in the first shift has to be cleared ~~over~~ now and then and transferred to despatching section for further action and make room for the second shift. Otherwise there will be dislocation of despatch work and which cause inconvenience to various officers in the moffusil. If the binders are utilised for this work, there will be loss of productive work also. In the circumstances I have examined and found that the services of two coolies in addition to the two coolies already sanctioned by Government in G.O.N.955 Edn., dated 23-3-50 are quite essential. I have engaged two coolies from 1-6-50 to transfer the daily accumulation of outturn to despatch section. My action in the interest of Government work may kindly be ratified and sanction accorded for the employment of two coolies for 4 months from the date of their appointment on a pay plus allowances not exceeding the prevailing market rate.
