Sir,

Short title: Exemption from the need for a Collegiate Teachers' certificate and fixation of pay in the L.T. scale-Prayed for.

Considering the difficulties, both official and private, which Secondary Grade graduates of 50 and above would experience in undergoing the new shortened course in Teachers' Colleges, I applied for an exemption for appointment in the L.T. cadre some time back in January. But therein I have prayed that Secondary Grade Graduates all over the Presidency, who are above 50 and who have put in about 30 years' service with teaching experience in High School classes may be exempted from the need for a Collegiate Teachers' Certificate for purposes of appointment in the L.T. cadre. Since this prayer for exemption for a class of teachers involves a question of policy and deviation from the M.E.R. there seems to have been such a long delay in disposing of it. But personally the Schools in the Board re-open on the 12th June and appointments will be made shortly. Unless I get the exemption in time I stand the risk of losing a year from the two years which I have before retirement. I am past 52 and have put in 35 years of service (3 before and 32 after training) of which 18 years' service is after taking B.A. degree in 1932. So I beg to request you to be good enough to exempt me from the need of a Collegiate Teachers' Certificate for appointment in the L.T. cadre (even as Pandits untrained but with 15 years' service prior to 1-1-1948 have been appointed in the L.T. scale).

2 As per G.O. 2638 Edn. dated 23-8-49 I was allowed a special pay of Rs. 10/- p.m. from the date of the G.O. for doing High School work and by Memo No. 9545/B/49-3 Edn. dated 3-1-1950 retrospective effect for the above G.O. was allowed. Subsequently by G.O. Ms. 566 Edn. dated 22-2-1950 the Government sanctioned maximum of the Secondary

grade Rs. 85/- from the date of the G.O. subject to the condition that no special pay is allowed in addition to the maximum. I beg leave to submit that some teachers in the Board who are teaching only upto Form III have been drawing the maximum of Rs. 85/-, they having been appointed in the then Intermediate scale; and a Secondary Grade Graduate drawing the maximum of Rs. 85/- is given an allowance of Rs. 15/- p.m. for doing High School work. So I beg to request you to be good enough to restore the special pay of Rs. 10/- for High School work along with the exemption, permitting my appointment in the L.T. scale on an initial salary of Rs. 95/- (Rs. 85/- + Rs. 10/-) from the date of appointment as an L.T.

Yours sincerely.

R.c. 472 GI/50 dated 16/6/50.

Sub: Appointment in the L.T. ^{Cadre} Code - Secondary grade graduates.
of 50 years or 30 years service - exemption from Training
requested.

Head:- From Sri K.S. Rangaswami Aiyengar B.A. Secondary grade
Assistant, Board High School Lalgudi dated 21/1/50
addressed to the Hon'ble Minister.

Submitted to the Secretary to Government, Education Depart-
ment, Madras with the following remarks for favour of orders.

The ^{now} selection of one secondary grade graduate referred
to in the petition, has been ascertained to be due to defective
hearing and not on account of age. The candidate was required
to produce a Medical Certificate in case he wanted
to be selected.

As regards the general question of exemption from the
shortened course, it is pointed out that the Secondary grade
graduates are generally aged and there is no point in granting
the further concension ^{asked} ~~called~~ for. The intensive shortened
course in the latest methods of Teaching practice for Secondary
grade graduates ~~is~~ necessary.

Subject:- Appointment in the L.T.cadre--Secondary Grade Graduates
aged above 50-- Exemption prayed for.

I beg to place the following for your kind consideration and orders.

In this District Board there are three Secondary Grade Graduates.

Two of them aged 54 and 53 applied for the short term course at Saidapet.

Their applications are rejected on the ground that they are nearing retirement. Subsequent rumour has it that on reconsideration the younger has been selected as a special case. I am aged 52 and have put in more than 31 years of service after training and three years before.

In view of the hardship caused to such individuals by the age-limit I pray that such individuals who have put in 30 years' service and are past 50 may be exempted from the need for a Collegiate Teachers Certificate for appointment in the L.T.Cadre. There will be only very few of the kind in the whole of the Presidency and many of them would have had teaching experience in the Higher Forms. As in the case of Elementary Higher Grade teachers who having subsequently passed the S.S.L.C. Examination, are allowed to sit for the Secondary Grade Examination without undergoing training afresh, Similarly Secondary Grade Graduates can be allowed to answer L.T. Examination privately. But it is the concern of the University which is an autonomous body and may stand on prestige. Yet granting exemption facilitating appointment of Secondary Grade Graduates in the L.T.Cadre is within the powers of the Government.

Again if such a Secondary Grade Graduate is lifted up as an L.T. the difference between his pay and the L.T. scale pay would be almost nothing and by appointing a Secondary Grade hand on an initial salary in his place the Management and consequently the Government stand to gain something.

Further such grant of exemption is not a novel procedure. Untrained Pandits who are Title-holders and have put in 15 years' service have been allowed to be appointed in the L.T. scale. In the present case the Secondary Grade Graduates are having twice the period of service i.e. 30 years.

Under the circumstances I pray the Government be pleased to issue orders.

pm/25/1/50

The. President, District

Board is requested to issue necessary proceedings in the matter.

2. The Government agree with the Director of Public Instruction ^{that the intensive shortened course is necessary} ~~that there is no need to issue general orders for secondary grade teachers and should ordinarily be undergone.~~ exempting secondary grade graduates with 30 years' service and past 50 years of age from undergoing the B.T. training.

3. The petitioner is referred to the President, Dist. Board, Tiruchirapalli for orders on his petition.

referred to in para 1 of the petition
does not ~~appear~~ to have been received
in this Department.

Memo. No. 9545-B/49-3 Edu. Dated
3-1-1950 and G.O. No. 566 Edu. Dated 22/2
referred to in para 2 of the petition are
put up in a 'B' Section file which
has been submitted separately. For
orders whether the P.D.B. Tiruchirapalli
may be asked to expedite the submission
with his remarks, of the original of
the petition, through the D.P.I.
Subject to orders a draft memo. is
submitted for approval.

The G.O. referred to above. viz. No. 566

Section file which has been sent to Fin. V.O.
This may therefore lie over till 27-6-50.

in which this man's case was referred.

any further concession in the manner

The argument at M.

analogy of the Pandits seems
to be unacceptable as the
two cases are different, and
are governed by different
conditions pertaining to their
services and are therefore
governed by different orders -

are not secondary grade trained teachers who are

B graduates given a short course of training in a training college
as L.T.s. Where are these courses? Has any graduate
teacher been given training?

Secondary grade teachers have been given training
from which short course but placed on the

L.T. Scale - (D) B. S. S. S.

B above - I think yes.

The orders referred to by the Secretary were issued in

L.O. No. 3106 Edu dated 10-10-49, L.O. No. 57 Edu dated 7-1-50 and

L.O. No. 1768 Edu dated 12-6-50. They are at flag X, E and W

So far no orders have been issued in this section exempting a graduate
secondary grade teacher from undergoing the shortened course.

27.6.50

The D.P.I. also considers that the short course is very
necessary. So this idea may be dropped.

5.

I think there is much point in the petitioner's argu-
ment that, inasmuch as he is handling classes in the High
School, he must be given a special pay of Rs.10/-, as other-
wise there is no distinction made between him and other
secondary grade teachers who are not Graduates but who
have reached Rs.85/- in the secondary grade scale by virtue
of service and who do not handle high school classes. I
suggest therefore that the special pay of Rs.10/- which he was
formerly getting for doing High School work may be restored
to him. As for the request that he may be exempted from
undergoing the shortened course in the Teachers' College
after undergoing which secondary grade teachers are consi-
dered as equal to L.Ts. and are placed in the L.T. scale,
the D.P.I. considers that this course is very necessary
and that exemption should not be given. But apparently
it is also the policy followed by the department when
selecting persons for the shortened course, not to select
persons above 50 years of age. That means to say, that
people of the type of the petitioner will never be taken
for this shortened course and will not get a chance of
coming into the L.T. scale. Instead of making it a general
question, I think that the petitioner may be exempted from
the shortened course and placed in the L.T. scale and
started there on Rs.95/-. For orders.

A draft order is submitted for
approval. In view of the proposed fixation
of pay the teacher's pay at Rs.95/- in the L.T.
scale, it does not seem necessary to refer to
the restoration of the special pay
of Rs.10/- in the order. Finance

Please see the typed notes from p. 2 above.

When the order in G.O. 586 of 22.2.50 was issued, it was specifically mentioned in the order that the extra Govt involved on account of the reformation of the 5th Det entirely from the funds of the District Board.

In the present case also it seems ~~quite desirable~~ and necessary to amend the draft below on the above lines so that the finance of this State need not be involved either directly or indirectly by way of increased grants.

Subject to the above remarks the draft order below may be amended as indicated in pencil.
