C. No.1066 M/49 dated 15th Septr. 1949.

Sub: BASIC EDUCATION - Basic Training Schools - Construction of buildings - Inclusion in Part II Schemes for 1950-51.

(X) L.F

72192

In their Order No.1925 P.W.D. dated 26-5-1949, the Government approved the construction of buildings for 10 Govt. Basic Training Schools during 1949-50 at an estimated cost of Rs.12 lakhs. The ten centres have been selected and the Public Works Department has been requested to take steps for the construction of buildings during 1949-50.

2. For the opening of new Government Basic Training Schools during 1951-52, it is necessary to have new buildings constructed next year also. Hence I recommend that the Government may make a provision of Rs.15.5 lakhs under Part II of the Budget Estimate for 1950-51 for the construction of ten new buildings during 1950-51 for Government Basic Training Schools. The selection of centres for the construction of these ten Basic Training School buildings will as far as possible be made in taluks having no training schools at present.

3. In the case of buildings sanctioned for construction in the current year, the estimate of the cost has been fixed at Rs.1.2 lakhs for each school. According to this sanction, there will be only one block of ten rooms for the hostel and one block of two houses for the teachers' quarters besides class rooms, weaving shed, model school block, etc. Since at least two blocks for the hostel and two blocks for teachers' quarters are necessary, ~~and~~ Government have been addressed in my letter R.O.C.No.942 M/49 dated 9-9-1949 to sanction an additional block of hostel rooms and an additional block of ~~a~~ teachers' quarters for the 20 units already sanctioned. The cost of construction of one unit of buildings for a Basic Training School will therefore now be Rs.1.55 lakhs instead of Rs.1.2 lakhs originally provided. Therefore, I now request that Government may be pleased to make a provision of Rs.1.55* lakhs for each Basic Training School building proposed for construction during 1950-51.

1948-49 – Rs 13 lakhs for ten buildings

1949-50 – 12 lakhs for ten more buildings provide additional blocks of hostel and teachers quarters. The ten buildings, sanctioned in 1948-49 have been completed. Steps are being taken to construct the buildings, proposed this year as expeditiously as possible.

2. The D.P.I has reported that it is necessary to construct ten buildings in 1950-51 for the location of the Govt. Basic Tg. schools that may be opened during 1951-52. The revised cost for each building is, as noted in para 1 above, Rs. 1.55 lakhs. The total cost of construction of ten buildings, works out to Rs. 15.5 lakhs. The Director suggests, that necessary provision may be made for the purpose in the B.E. for 1950-51. This dept., accordingly recommends that provision for the purpose may be made in the B.E. for 1950-51 as shown in the summary at the top.

Deputy Secretary, Development
Deputy Secretary, Food
Secretary, Education
Secretary, Home
Additional Chief Engineer
Director of Agriculture
Director of Animal Husbandry
Director of Public Instruction
Deputy Director of Public Instruction
Inspector-General of Prisons.

The notes prepared by the Finance Department on the possibility of effecting economies in expenditure in respect of the following departments were considered:-

(1) Agricultural Department.

(2) Animal Husbandry Department.

(3) Judicial Department.

(4) Education Department.

(5) Jail Department.

2/. Agricultural Department -

(a) The items of reduction in the budget allotment proposed by the Director of Agriculture were agreed to, subject to the following remarks:-

(i) Allowances and contingencies - The saving should be taken at only Rs. 0.49 lakh.

(ii) Purchase and distribution of seeds, manures etc. - The question should be examined as to whether the reduction of Rs 1.65 lakhs proposed will not affect the present standard of work of the Department.

(iii) Agricultural College, Bapatla - The Committee was informed that the question of reducing the number of admission in the two Agricultural Colleges would be considered by the Cabinet and that

p.t.o.

the saving on account of the postponement of the construction the third hostel block should be taken at Rs. 0.50 lakh only.

In accordance with the above decisions, the total savings to be resumed immediately will be Rs. 9.16 lakhs.

(b) The Committee agreed that the four new schemes mentioned in the note and for which provision had not been made in the budget might be postponed.

3/. Animal Husbandry Department -

(a) The Committee agreed that savings to the extent of Rs. 92,000 in the expenditure on other than works and Rs.1,05,650 on the 3 items of work mentioned in the note might be resumed.

(b) In regard to the construction of students' hostel at the Livestock Research Station, Hosur, the Committee suggested that the construction should be limited to the permanent requirements of the students having regard to the ultimate strength at the Station.

4/. Judicial Department -

(a) The Committee accepted the proposal of the High Court to effect savings to the extent of Rs. 21,600 under cost of passages and petty construction and repairs.

(b) The Committee noted that the question of abolishing the system of trial with jurors and the proposals of the High Court for increasing the court fee revenue were under the active consideration of the Home Department.

/13 infra

5/. Education Department -

(a) The proposals of the Director of Public Instruction for economy in expenditure as mentioned in paragraph 2 of the note were accepted, with the exception of the proposal to suspend the deputation of teachers to Perianayakanpalayam, Wardha and Pentapadu. The total savings to be resumed will therefore amount to only Rs. 4,61,100.

(b) The Director of Public Instruction promised to send his report in regard to the possible reduction of the allotments under Travelling Allowance, contingencies, equipment grants etc., shortly.

In regard to building grants, the Director of Public --

p.t.o.

Instruction stated that it would be possible to postpone a portion of the following payments to the next year:-

	Anticipated savings, Rs. lakhs.
(1) Grants to non-Government Arts Colleges.	1.52
(2) Grants to non-Government Professional Colleges (3 institutions).	0.75
Total	2.27

The Committee agreed to the postponement of the expenditure and to the amounts being resumed.

(c) It was agreed that the lump sum provision of Rs.5 lakhs made in the budget for buildings for new Basic Training Schools also might be resumed. The Committee also accepted the proposal of the Additional Chief Engineer to surrender an amount of Rs. 1,89,980 in the provision made for the construction of buildings for certain Basic Training Schools.

P

/21 infra

(d) The suggestion of the Additional Chief Engineer that savings to the extent of Rs. 2,63,000 might be taken credit for in respect of 3 items of work (not relating to basic education) was also accepted.

/23 infra

(e) In regard to the provision of Rs. 3,600 made in the budget for the deputation of teachers for training in the Government Museum, Madras, the Committee was of the opinion that the provision might stand.

(f) The Director of Public Instruction informed ~~that~~ the Committee that no saving was now anticipated in the provision made in the budget for purchase of stores in England.

6/. Jail Department -

(a) The Committee agreed that a saving of Rs. 1,17,250 might be effected, as proposed by the Inspector-General of Prisons.

(b) The Committee was not in favour of reverting to the old system of purchasing stores by open tender instead of the present system of purchasing from Co-operative Societies. It, however, agreed that the possibility of getting the Co-operative Societies to charge at wholesale rates instead of at retail rates

p.t.o.

might be explored.

(c) The Committee was in favour of instructions being issued to District Magistrates for making a liberal use of the Madras Probation of Offenders' Act and of the services of Probation officers.

Note for the Cabinet Sub-Committee.

Sub: Economy in expenditure - Education Department.

At the meeting of the Cabinet held on the 8th May 1950, it was ordered that detailed proposals for economy in expenditure should be worked out in consultation with the Heads of Departments concerned for final consideration by the Cabinet Sub-Committee.

2. Education Department - The Director of Public Instruction who was asked to submit proposals for economy in expenditure has stated that he would be able to reduce expenditure in his Department by Rs.5,10,600 as shown below:

	Budget allotment. Rs.	Anticipated savings. Rs.	Remarks.
Purchase of apparatus and materials.			
Arts Colleges for men.	3,48,600	35,000	10% of the allotment may be cut out in view of the great need for economy at present.
Engineering College, Guindy	2,50,000	25,000	-do-
-do- Anantapur	8,00,000	80,000	-do-
Arthur Hope College of Technology	6,00,000	60,000	-do-
Books and Periodicals Government Arts Colleges (Men)	65,800	6,600	-do-
Basic Education - Deputation of teachers to Perianayakanpalayam, Wardha & Pentapadu	49,500	49,500 ✓	The scheme may be suspended this year.
Building Grants - Secondary schools under local bodies.	1,70,000	70,000	Provision of Rs.70,000/- made under Part II can be surrendered.
Aided Secondary Schools	6,00,000	57,000	The grants may be spread over two years in some cases.
Aided Elementary Schools	2,00,000	50,000	In view of the need for economy, Rs.50,000 can be surrendered.

for additional appropriations. The Director of Public Instruction agreed with the Finance Secretary and promised to reduce the allotments and to submit a surrender statement to the Government soon, to enable them to issue orders resuming the amounts.

4. Grants - It was suggested at the time of the discussion that at least in cases where the buildings works had not yet been sanctioned, the authorities might be persuaded to defer them till March next; in regard to equipment grants, the Director of Public Instruction was asked to examine whether the expenditure provided for in the budget for the current year could not be spread over next year also. He accepted both the suggestions and promised to surrender the amount of probable savings both under building grants and equipment grants, after obtaining necessary information from the institutions affected.

5. Basic Education - A sum of over Rs. 38 lakhs has been provided for in the budget for the spread of basic education as indicated below:-

REVENUE ACCOUNT.

(a) Expenditure other than works

	Rs.
(1) Grants to non-Government primary Schools ..	2,23,400
(2) Grants to local bodies ...	1,81,400
(3) Basic Training Schools. (including Rs.49,500 for deputation of teachers for training at Wardha and other places which the Director of Public Instruction proposes to surrender).	15,33,200
Total	19,38,000

(b) Works - Buildings for Basic Training Schools and Basic Schools.

(1) Lump sum provision - Basic Training Schools	Rs. 5,00,000
(2) Individual works including works in progress~~es~~.	Rs. 13,72,800
Total	Rs. 18,72,800
Grand Total	Rs. 38,10,800 OR over Rs. 38 lakhs.

Item (a) above - In view of the present need for economy, it was felt that if the programme of Basic education was slowed down a little, it would be possible to effect a reduction in expenditure of at least Rs 5 lakhs, instead of only Rs 49,500 as proposed by the Director of Public Instruction. As a question of policy was involved, the Director of Public Instruction suggested that the question might be discussed further at the meeting of the Cabinet Sub-Committee.

Item (b) (1) above - The Additional Chief Engineer who was also present stated that as work had been started only at one place - Vedaranyam, he did not expect ~~except~~ to spend more than Rs 2 lakhs and that the balance of appropriation of Rs 3 lakhs ~~and~~ might be resumed.

Item (b) (2) above - Judging from the progress of the work in each case and the difficulty in obtaining materials etc. the Additional Chief Engineer anticipated a saving of Rs 1,89,980 (i.e. 20 percent of the allotment) in the following cases :-

	Allotment in the Budget Rs.	Probable Expenditure. Rs.	Anticipated Savings. Rs.

Tiruchirapalli - Constructing a basic training school at Musiri	1,00,000	80,000	20,000
			1,89,980

6. Other works of the Education Department - The Additional Chief Engineer further suggested that savings might be taken credit for under the following items also, which do not relate to basic education:-

	Allotment in the Budget. Rs.	Probable expenditure Rs.	Anticipated savings. Rs.
Revenue Account.			
West Coast - Constructing an additional block of 5 class rooms for the Government Secondary Training schools for women, Cannanore	53,000	40,000	13,000

Capital Account.			
Cuddapah - Construction of permanent buildings for the Government college at Cuddapah	3,00,000	1,50,000	1,50,000
			2,63,000

7. The Director of Public Instruction and Education Secretary accepted the suggestions in paragraphs 5 and 6 above.

The question was raised whether it would be possible to reduce the number of basic training schools to be newly opened and thereby stop the construction of buildings for some schools in the current year. The Director of Public Instruction was of the opinion that this question also might be considered at the meeting of the Cabinet Sub-Committee along with the general question of slowing down the programme of expenditure on basic education.

8. New Schemes- The Director of Public Instruction agreed to surrender a sum of Rs.3,600 provided in the Budget for the deputation of teachers for training in the Government Museum, Madras. It was agreed that no reduction in expenditure was possible in regard to other new schemes, except to the extent contemplated in paragraphs 2 to 6 above.

9. Expenditure in England - There is a provision of Rs.7,03,200 for purchase of stores in England. The Director of Public Instruction was asked to examine whether any reduction in expenditure was possible under the above head and to send a report to the Government. He promised to do so.

10. Orders of the Cabinet Sub-Committee are requested as to whether the budget allotments may be reduced as indicated in paras 2 to 9 above and the savings resumed by the Government.

The Director recommended that buildings for Basic Training Schools might be constructed at a cost of Rs.1.55 lakhs each building having two blocks of hostel and two blocks of teachers' quarters. But the Govt. with a view to reduce the expenditure deleted one block of hostel and teachers' quarters and approved the construction of buildings at a cost of Rs.1.2 lakhs each building having only one block of hostel and one block of teachers' quarters. The Director has subsequently addressed the Govt. (letter in the linked file) proposing for each of the 20 Basic Training School buildings already sanctioned, an addl. block of hostel and teachers' quarters. The construction of these additional blocks has since been agreed to in circulation. Orders on this matter will shortly be issued in P.W.D.

Part II Scheme for 1950-51.

Construction of buildings for basic training schools - Estimated cost Rs 15.5 lakhs.

The proposal is to construct ten new buildings during 1950-51 for Government Basic Training Schools at an estimated cost of Rs 15.5 lakhs. The cost is debitable to the Capital head '81.Capital Account of Civil Works ~~at~~ outside the Revenue Account', as it is more than Rs 5 lakhs.

This is a Post-war Development Scheme. The Govt.of India have intimated that they are not likely to give ~~a~~ any grant for Post-war Reconstruction Schemes in 1950-51 or even loans for meeting capital expenditure. Our Ways and means position in 1950-51 will therefore be very difficult. It is therefore essential that no additional expenditure on Post-war Devt. Schemes should be undertaken next year and that if possible even the existing ~~schemes~~ scale of expenditure should be reduced. Building schemes are also invariably deferred in view of the high cost of materials and labour. Finance may therefore suggest that the construction of new buildings for basic training schools may be deferred.

Not so -

The Education Ministry has I think informed us that this will not apply to Basic Education schemes

In the memo on p5 c.f., the D.P.I was asked to submit proposals for the utilisation of the provision of Rs 5 lakhs made in the current years budget towards the construction of buildings for basic tq. schools. The Cabinet Sub-Committee which met on 6.6.50, has decided that the provision of Rs. 5 lakhs may be resumed. Please see P on p11 c.f. In view of this decision, the D.P.I will not submit the proposals called for. The papers may therefore be recorded.

As regards the ~~provision of~~ surrender of a sum of Rs. 1,59,990 by the A.C.E, orders in the matter will have to be issued in Finance. No action is called for. ~~For orders.~~
