Tirukkoyilur,

Dated 13th June 1950.

15663

To

Sri Rajiah D. Paul M.A.,
Secretary to Government,
Ft. St. George, Madras.

Sir,

We have herewith enclosed a memorial by the citizens of Tirukkoyilur, with regard to condonation of delay in requisition and opening of the bifurcated Secretarial Course in the Board High School, Tirukkoilur, for which it is already fully equipped. The President, District Board, has recommended the same.

Since this is an urgent matter, we intend waiting upon you in deputation. Therefore, we request you to fix a date on which we can meet you in person.

Hoping to be excused for the trouble.

We remain, Sir,

Yours faithfully,

V. G. Ramachandran M.A. BL Advocate
President Parent's Association

T. R. Krishnamachari. Pleader
President Old Boy's Association
Member High School Advisory Committee
13-6-50

To

The Hon'ble the Minister for Education,
Government of Madras, Ft. St. George,
Madras.

Honoured Sir,

Memorial by the parents, old pupils and the present High School Form Students of Tirukkoyilur town, South Arcot District.

- - -

We, the undersigned signatôries, parents, old boys and present High School Form students bring the following for your immediate consideration and favourable orders at as early a date as is convenient.

The Commercial section, giving tuition in the 'Twin Arts' Shorthand & Typewriting and Book-Keeping, was started in the Board High School, Tirukkoyilur, in the year 1928 and was kept going all these years to the best interests of the school and needs of a large majority of pupils who have been benefitted by this education. This section is fully equipped as we know, with 8 typewriters and manned by an experienced and fully qualified teacher. Recently also in January 1950 three new Typewriters were supplied to the ~~s~~ school under a Government Grant of nearly Rs.1,900/- solely intended to the benefits of the High School pupils who choose this Commercial Education in large numbers.

Whileso, all on a sudden we understand that this section is abolished from the school year 1950-51 and it is really a shocking disappointment to our present IV Form boys of 4 sections consisting of about 170 in number who have just come to High School class and who have all along been eagerly awaiting to get themselves benefitted by this Commercial Education. At least not less than 50% of the strength will join this section. Ever since the introduction of bifurcated course in High Schools came to the light of the day, there being no scope for any other vocational studies, the Secretarial course which was considered to be the best fitted with reference to the local and other conditions, was being suggested to the authorities for the past two or three successive years. The application for 1950-51, it seems, was submitted in time from the school both to the Management viz., the President, District Board and to the District Educational Officer, as early as - 14--10--1949. The Headmaster, as we understand it to be, had also reminded the authorities twice or thrice in some other connection too about this Secretarial Course. We, the Parents also of the locality in their meeting held in February 1950 expressed our anxiety to have this course continued in this school and communicated out wish to the President, District Board, urging for steps being taken for the introduction of the bifurcated course viz., the Secretarial Course and the District Board has also given its assent to have the course opened in its meeting held in February 1950.

The very idea of abolishing this section at this stage is not very congenial to the needs of the locality. A ll the 170 pupils who are just entering the High School classes are not going to take up Arts Course in a University. A large majority of students will only stop with their High School course and try to take up some profession either in Government, business or industrial concerns for which this Secretarial Course is the primary qualification for selection as it is already observed by the Government in its scheme of bifurcated courses.

The present abolition of this section in this High School has been necessitated, as we are made to understand it to be, is mainly due to a petty technical objection that the application for introduction of this course was not preferred in time by the District Board. Are your gnorant pupils to be penalised for no fault of theirs? Is the equipment intended and purchased for the benefit of High School children under Government Grant to be kept idle, completely blocking one side of vocational training which is very much needed for the locality? This has also resulted in throwing out of service

4

of a long-standing permanent employee of the Board with Technical qualifications.

We earnestly pray that, if it is really for this simple technical objection that the benefit of commercial education is taken away from this school, we request you to be so good as to condone the short delay and arrange for the starting of the Secretarial Course when there is the full equipment available for the purpose and when there is no immediate additional expense to be incurred either by the Board or by the Government.

We remain, Honoured Sir,

EDUCATION DEPARTMENT 15 JUN 1950

MINISTER FOR EDUCATION GOVT. OF MADRAS R. 193

SECRETARY EDUCATION DEPARTMENT 15 JUN 1950

Special

To

The Hon'ble the Minister for Education,
Government of Madras, Ft. St. George,
MADRAS.

Honoured Sir,

Memorial by the Parents, old pupils and the present High School Form students of Tirukkoyilur town, South Arcot District.

- - -

[illegible] 1516

We, the undersigned signatories, parents, old boys and present High School Form students bring the following for your immediate consideration and favourable orders at as early a date as is convenient.

The Commercial section, giving tuition in the 'Twin Arts' Shorthand & Typewriting and Book-keeping, was started in the Board High School, Tirukkoyilur, in the year 1928 and was kept going all these years to the best interests of the school and needs of a large majority of pupils who have been benefitted by this education. This section is fully equipped as we know, with 8 typewriters and manned by an experienced and fully qualified teacher. Recently - also in January 1950 three new Typewriters were supplied to the school under a Government Grant of nearly Rs.1,900/- solely intended to the benefits of the High School pupils who choose this Commercial Education in large numbers.

(Same as on p.2 ante)

Whileso, all on a sudden we understand that this section is abolished from the school year 1950-51 and it is really a shocking disappointment to our present IV Form - boys of 4 sections consisting of about 170 in number who have just come to High School class, and who have all along been eagerly awaiting to get themselves benefitted by this Commercial Education. At least not less than 50% of the strength will join this section. Ever since the introduction of bifurcated course in High Schools came to the light of the day, there being no scope for any other vocational studies, the Secreta-

Secretarial Course which was considered to be the best fitted with reference to the local and other conditions, was being suggested to the authorities for the past two or three - successive years. The application for 1950-51, it seems, was submitted in time from the school both to the Management viz., the President, District Board and to the District Educational Officer as early as 14--10--1949. The Headmaster, as we understand it to be had also reminded the authorities twice or thrice in some other connection too about this Secretarial Course. We, the Parents also of the locality in their meeting held in February 1950 expressed our anxiety to have this course continued in this school and communicated our wish to the President, District Board, urging for steps being taken for the introduction of the bifurcated course viz., the Secretarial Course and the District Board has also given its ~~assest~~ assent to have the course opened in its meeting held in - February 1950.

(Same as ap zanite)

The very idea of abolishing this section at this stage is not very congenial to the needs of the locality. All the 170 pupils who are just entering the High School classes are not going to take up Arts Course in a Univeristy. A large majority of students will only stop with their High School course and try to take up some profession either in Government, business or industrial concerns for which this Secretarial Course is the primary qualification for selection as it is already observed by the Government in its scheme of - bifurcated Courses.

The present abolition of this section in this High School has been necessitated, as we are made to understand it to be, is mainly due to a petty technical objection that the application for introduction of this course was not preferred in time by ~~the President of~~ the District Board. Are our ignorant pupils to be penalised for no fault of theirs? Is the equipment intended and purchased for the benefit of High School children under Government Grant to be kept idle, completely blocking

---

one side of vocational training which is very much needed for the locality? This has also resulted in throwing out of service of a long-standing permanent employee of the Bd. with Technical qualifications.

Same as in Jhanvi

We earnestly pray that, if it is really for this simple technical objection that the benefit of Commercial Education is taken away from this School, we request you to be so good as to condone the short delay and arrange for the starting of the Secretarial Course when there is the full equipment available for the purpose and when there is no immediate additional expense to be incurred either by the Board or by the Government.

OFFICE OF THE DISTRICT EDUCATIONAL OFFICER
RECEIVED
14 JUN 1950
417D/50
SOUTH ARCOT, CUDDALORE

Sir,

Sub: Education - Secondary - Board High School, Tirukoilur and Panruti - introduction of secretarial course - condonation of delay in applying and sanctioning introduction - requested.

I forwarded proposals for the introduction during 1950-51 of secretarial course in the high schools at Tirukoilur and Panruti to the District Educational officer along with this office letter Roc.D3-25044-49 dated 12-2-50. But the same has not been sanctioned perhaps due to its belated receipt in the Director's office.

Now the residents of Tirukoilur have sent up a mahazar requesting for the introduction of the secretarial course as otherwise it would adversely affect the chances of pupils who study in the school and who are not expected to take up academic course in the University but would like to enter service under Government, local bodies etc. where secretarial training will be of immence help. I also enclose herein a copy of the mahazar received from the parents, old boys, and students praying for the introduction of the course this year itself.

As there is already necessary staff, equipment, accommodation etc. there should be no difficulty to start the course this year itself if sanction is accorded even now.

pto

22

I request you to please recommend to Government the introduction of the course condoning the delay in the submission of the proposals as a special case.

Copy of mahazar from the parents, old pupils and the present high school form students of Tirukoilur town South Arcot District to the Hon'ble the Minister for Education,Government of Madras,Fort Saint George,Madras.

--

We the undersigned signatories, parents, old boys and present High school form students bring the following for your immediate consideration and favourable orders at as early a date as is convenient.

The commercial action, giving tuition in the 'Twin Arts' shorthand and typewriting and book-keeping, was started in the Board High School, Tirukoilur, in the year 1928 and was kept going all these years to the best interests of the school and needs of a large majority of pupils who have been benefitted by this education. This section is fully equipped as we know, with 8 typewriters and manned by an experienced and fully qualified teacher. Recently also in January 1950 three new typewriters were supplied to the school under a Government grant of nearly Rs 1900/- solely intended to the benefits of the High school pupils who choose this commercial education in large numbers.

Whileso, all on a sudden we understand that this section is abolished from the school year 1950-51 and it is really a shocking disappointment to our present IV Form boys of 4 sections consisting of about 170 in number who have just come to High school class and who have all along been eagerly awaiting to get themselves benefited by this commercial education. At least not less than 50% of the strength will join this section. Ever since the introduction of bifurcated course in high schools came to the light of the day, there being no scope for any other vocational studies, the secretarial course which was considered to be the best fitted with reference to the local and other conditions, was being suggested to the authorities for the past two or three successive years. The application for 1950-51 it seems was submitted in time from the school both to the Management viz., the President, District Board and to the District Educational officer as early as 14-10-1949. The headmaster as we understand it to be, had also reminded the authorities twice or thrice in some other connection too about this secretarial course. We, the parents also of the locality in their meeting held in February 1950 expressed our anxiety to have this course continued in this school and communicated our wish to the President, District Board, urging for steps being taken for the introduction of the bifurcated course viz., the secretarial course and the District Board has also given its assent to have the course opened in its meeting held in February 1950.

The very idea of abolishing this section at this stage is not very congenial to the needs of the locality. All the 170 pupils who are just entering the high school classes are not going to take up Arts course in a University. A large majority of students will only stop with their High school course and try to take up some profession either in Government, business or industrial concerns for which this secretarial course is the primary qualification for selection as it is already observed by the Government in its scheme of bifurcated courses.

The present abolition of this section in this high school has been necessitated, as we are made to understand it to be is mainly due to a petty technical objection that the application for introduction of this course was not preferred in time by the District Board. Are our ignorant pupils to be penalised for no fault of theirs? Is the equipment intended and purchased for the benefit of high school children under Government grant to be kept idle, completely

24

blocking one side of vocational training which is very much needed for the locality? This has also resulted in throwing out of service of a long-standing permanent employee of the Board with technical qualifications.

We earnestly pray that, if it is really for this simple technical objection that the benefit of commercial education is taken away from this school, we request you to be so good as to condone the short delay and arrange for the starting of the secretarial course when there is the full equipment available for the purpose and when there is no immediate additional expense to be incurred either by the Board or by the Government.

SCHOOLS - Board High School, Tirukkoyilur - Introduction of Secretarial Course.

---

pp 1-4 c.f

From the President, Parents' Association, Tirukoyilur,
dated the 13th June 1950.

(J)/1-para 3
Go 1394 Edn
29/5/48

The letter from the President, Parents' Association, Tirukoyilur, on pages 1-4 c.f may be perused. According to the scheme for the reorganisation of Secondary Education in this State which was given effect to from the school year 1948-49, the teaching of the optional subjects (in secondary schools) will be completely abolished from the current school year, 1950-51. Consequent on this, the provision which hitherto existed in the Board High School, Tirukoyilur, for the teaching of Shorthand and Typewriting as an optional subject will be discontinued from the current school year. It is stated in the representation on pp. 2-4 c.f ~~has been requested in the representation~~ that as there ~~are~~ is sufficient equipment in the school (required for teaching the subjects) and as the students who do not wish to pursue their studies in colleges will be deprived of the facility to learn Shorthand and Typewriting, the Secretarial Course may ~~under the bifurcated courses of studies may~~ be introduced in the school from 1950-51. under the scheme of bifurcated courses of studies

From the D.P.I., T.M. No. 1073-C1/50 dated 28.6.1950.

—

The D.P.I. reports that ~~a fresh~~ proposals for the introduction, during the current school year, of the Secretarial Course in the Board High School, Tirukkoilur, have been received from the President, District Board, South Arcot, and that they have been subd. to Govt. with his remarks. His remarks have not yet been received. ~~and~~

2. The file may be submitted to Secretary.

What have Govt to do with this proposal?

× Presumably the Dir's letter is under issue & may be recd in a few days.

28/6/50

28/6/50

28.6.50

28.6.50

The permission of Govt is necessary for the introduction of the Secretarial Course as it involves the payment of additional teaching grant. Attention is in this connection solicited to the memo on pp 24 & 26 cf in G.O. no 1441 Edn of 8-5-50, wherein the Govt declined to approve the Director's proposal for the introduction of Secretarial Courses in certain

(U)

Secondary schools in the current under the system of ordinary grant and directed that the proposals might be renewed for consideration as a Part II scheme for 1951-52. It is doubtful whether an exception can be made in respect of the Board High School Tirukkoyilur alone. As already stated in the letter at p12, it is now too late to consider this proposal, but if the D.P.I. in his proposals which are under transmission states that the Course can be introduced in the current year itself the matter can be considered —

School Tirukkoyilur alone. The President may be informed that it is not possible to sanction the introduction of the bifurcated Secretarial Course in the school in the current year and that the question will be considered in connection with Part II Schemes for 1950-51. For orders as to cover. to H.M. (Edn & Law)

We may perhaps consider the opening the course for the next year ~~instead of~~ as it is too late now

30.6.50

NSK
30.6.50

30.6.50

As recommended by the D.P.I.

The District Board of South Arcot may be permitted to introduce the bifurcated Secretarial Course in the school now, as a special case, inasmuch as all the necessary staff, equipment and accommodation are already available: and it is by no means too late to start it ~~this~~ now. ~~But,~~ This may however be made conditional on the District Board not claiming any special Equipment and Teaching Grants on account of this Course. This will mean that the Government will not be involved in any additional expenditure because of this. The remarks of Finance will be requested.

30/6

ASSISTANT SECRETARY TO GOVERNMENT
30 JUN 1950
FINANCE DEPARTMENT
49564

p20 c.f. Above

Finance(Exp.A.)Deptt.

The case deals with the request of the President, Dt.Board, South Arcot for permission to introduce the Secretarial Course in the Board High School, Tirukoyilur in the current year under the/(scheme of) bifurcated course(of Studies). As recommended by the D.P.I., the Edn. Secretary has stated that the Dt.Bd. may be permitted to introduce the scheme in the current year, as a special case, subject to the condition that the Dt. Board will not claim any special equipment and teaching grants on account of this course.

It is submitted that notwithstanding the above condition, there will be additional expenditure to the Govt. on account of the ordinary teaching grant in respect of the Secretarial Assistant to be employed.

Cf para 4 on p.16 N.F. of G.O 1441 Edn 8.5.50 (U)

~~holds~~ The decision of the Govt on the subject that holds the field is that the introduction of the Course should be restricted to 26 schools in 1950-51 at the rate of one school for each district. With reference to ~~the~~ a previous recommendation of the D.P.I. that the managements of 18 schools ~~may~~ might be permitted to introduce the Secretarial course in the year 1950-51 (in addition to the ~~20xxxxxx~~ 26 Schools mentioned above) without claiming any special and equipment grants, this Department suggested that the Schools in which it ~~is~~ was already proposed to introduce Secretarial Course in the current year ~~may~~ might be substituted by as many Schools from the list of these 18 Schools, and that the introduction of the Secretarial Course in the remaining Schools ~~may~~ might be considered as Part II Scheme for 1951-52, in the usual course. This has been approved in circulation and orders issued accordingly. See also Memo ont. 26 CF. of (V) in the case two other schools. There seems to be no sufficient justification to make a departure from the above orders (and make an exception) in the case of the Board High School, Tirukoyilur. ~~The D.P.I. may be asked~~

X in (V)

para 4 on pp 16-17 NF. of (V)

p 24 CF. of (V)

Finance may therefore advise against the D.P.I's recommendation. There is, however, no objection to permission being given for the opening of the Secretarial Course in the school, if it could be counted as one of the 26 schools in respect of which sanction exists in the current financial year.

3 JUL 1950
EDUCATION DEPARTMENT

The point for decision now is whether the Dt Bd South Arcot should be permitted as a special case to introduce Secretarial Course in the current year in the Board High School Tirukkoilur, subject to the condition that the Dt Bd should not claim any special equipment or teaching grant on account of this Course. The Finance Depts' note above sets out the position clearly. On a similar proposal

---

7

22

from the DPI for the introduction of the Course in certain Secondary schools under local bodies & private managements which have agreed to forego the special equipment and teaching grant, it has already been decided that the number of schools in which bifurcated courses should be introduced in the current year should not exceed 26 and if on any account it is not possible to introduce the Course in any of the 26 schools selected for the purpose, the school which has agreed not to claim the special equipment & teaching grant may be substituted in its place. The Finance Deptt suggest that the same procedure may be adopted in this case also ~~and~~ as there is no justification for making a departure from the decision already taken and make an exception in the case of the Board High School Tirukkoyilur. For orders whether the suggestion of Finance may be accepted. If so, the draft memo below is for approval. not approved

3.7.50.

3.7.50

4.7.50.

3.7.50

There is no information whether any of these schools is not going to run the Secretarial Course this year. All facilities are available for the Course. The D.P.I.'s recommendation in his letter on p.20 f may be accepted

4.7.50

I do not see any objection to the Dt. Board being permitted to open this Course in this school, provided that it does not claim any special equipment and teaching grant. The sanction may be conditional on this. It must also be pointed out that ~~the~~ "Commercial Subjects" were very popular subjects for the School Final till now, and there were a very large number of Dt. Board Schools which taught these "commercial Subjects." All of them had equipped themselves with a large number of typewriters, aided by Govt. grant and with special Commercial instructors. To prevent the District Boards from opening this new Secretarial Course will mean that all that equipment of typewriters and staff which they have, will go to waste. I am therefore of opinion that whenever District Boards want to open this new Secretarial course in

PTO

17328 B/50

EA

~~6~~

schools which were formerly teaching Commercial subjects, permission should be liberally given, and not stinted.

In this case, the D.P.I's recommendation on page 20 c.f. may be accepted.
