APPENDIX
NOTIFICATION

The following draft of certain amendments to the rules published with the late Law (Education) Department Notification No. 45, dated the 21st February 1922, at pages 146-178 of Part I.B of the *Fort St. George Gazette*, dated the 21st February 1922, as subsequently amended, which it is proposed to make in exercise of the powers conferred by section 56 of the Madras Elementary Education Act, 1920 (Madras Act VIII of 1920), is hereby published for the information of all persons likely to be effected thereby, as required by section 56 (1) of the said Act.

Notice is hereby given that the draft amendments will be taken into consideration after six weeks from the date of publication of this notification and that objections or suggestions which may be received from any person with respect thereto before the expiry of the period aforesaid will be considered by the Government of Madras.

DRAFT AMENDMENTS.

In the said rules, under the heading "Section 44—Compulsory Elementary Education"—(1) in rule 7, after the words "headmasters of all recognized elementary schools," the following shall be inserted, namely:—

"the supervisor of elementary schools of the municipal council and where there are more than one supervisor, all such supervisors";

(2) in rule 8 (2), the following shall be added at the end, namely:—

"In the case of municipal councils which employ more than one supervisor, the seniormost among the supervisors shall be the secretary of the Committee."

R.C.No.2525-B2/48 dated 8th February, 1949.

Sir,

ELEMENTARY EDUCATION--Supervisor of Municipal Elementary Schools--Appointment of --Revision of orders--Orders regarding--Solicited.

Refce.:--1. Government Memorandum No.55868-B2/48-1 Edn., dated 10.8.1948.

2. This office R.C.No.2525-B2/48 dated 1.10.1948 and 24.12.1948.

I request the favour of early orders on the subject mentioned above.

2. I may suggest, in this connection, that if the Government are disposed to consider the proposal favourably, two more points arise for consideration in the case of Municipalities where compulsion is introduced.

(i) Which among the Supervisors is to be the Secretary of the Attendance Committee

(ii) Whether the Supervisor should be asked to be in charge of the work of compulsion also in addition to his other duties

In regard to (i) it is suggested that in the Municipalities where more than one Supervisor is appointed, all the Supervisors may be the members of the Attendance Committee under the rules under Section 44 of the Madras Elementary Education Act and the Senior among them to be the Secretary of the Attendance Committee.

In regard to (ii) as the functions of Supervisors in respect of academic and administrative supervision of schools will be equally arduous irrespective of whether there is compulsion or not in the Municipal area and as it would be detrimental to these interests, as well as unfair to supervisors in compulsion areas ^{when} compared with those in non compulsion areas, it is suggested that in the event of the Municipality administering compulsion separate Attendance officers should be appointed for the purpose.

Yours faithfully,

With reference to the Government U.O. Note quoted above
I have the honour to offer the following remarks.

2. The presumption of the Government that it is the
intention of the Director of Public Instruction that Attendance
Officers similar to those appointed in rural areas, should be
appointed also in Municipal areas administering compulsion
is correct. As already pointed out in my letter dated 8-2-49,
the functions of Supervisors of schools in respect of academic
and administrative supervision of schools will be equally
arduous irrespective of whether the Municipality administers
compulsion or not, and it will be detrimental to these interests
if he is to be made to be in charge of compulsion also, which
involves the convening of Attendance Committee Meetings, prepa-
ration and scrutinising of defaulters' lists, issue of notices,
investigation or explanations and preparation and of papers
for the imposition and collection of penalties.

3. A copy of G.O.No.Ms.1759 Edn., dated 10-9-1926,
deriving the duties of Supervisors of Elementary Schools and a
copy of Proceedings Rec.No.77 M/49 dated 8-2-49, of the Direc-
tor of Public Instruction, enumerating the functions of Attendance
Officers in rural areas are herewith enclosed. Though the
functions of the Attendance Officers in rural compulsion areas,
overlap certain of the functions of the Municipal Supervisors
of schools, in the event of the appointment of attendance officers
this overlapping will be reduced in view of the very large need
for the Supervisors to devote attention to the instructional
and organisational aspects within the school to make teaching
largely while the Attendance Officers will devote themselves

With reference to the Government U.O. No. 10052, B2/48-1
I have the honor to state the following remarks.

2. The presumption of the Government that it is the
intention of the Director of Public Instruction that for
Officers similar to those appointed in rural areas, should be
appointed also in Municipal areas administering education
is correct. As already pointed out in my letter dated 8-2-48
the functions of Supervisors of Schools in respect of attendance

this overlapping will be reduced in view of the very large need
for the Supervisors to devote attention to the instructional
and administrative aspects within the school to make teaching
efficient while the Attendance Officers will devote themselves
largely to attendance, administrative supervision and preparation
of reports.

4. It has been pointed out that the Supervisors
cannot discharge their duties in addition to the
presently assigned duties and hence in order to
enable them to discharge their duties properly
the Government has decided to appoint
Supervisors of Schools in Municipal areas.

Orders have recently been issued sanctioning the employment of Supervisors in Municipalities on a scale ^{to be} regulated with reference to the number of teachers employed. The purpose of the order is that more ~~than~~ supervisors than one can be employed by a Municipal Council if ^{it} ~~they~~ has sufficient number of teachers ^{in its} ~~under their~~ service.

2/ The rules ~~frame~~ framed in under Section 44. of the E.E. Education Act provide for the constitution of Attendance Committees in compulsory areas. In Municipal areas where the scheme of compulsory education is in force, the supervisor should be the ex-officio secretary of the Attendance Committee.

3/ The D.P.S. raises the question which of the supervisors in municipal areas (where the Council can employ more than one supervisor) should be the Secretary of the Committee. He is of opinion that all the supervisors in a municipality employed by the Council may be the members of the Attendance Committee and ^{then} the senior most of them may be the Secretary of the Committee. The D.P.S.'s views may be concurred in.

4/ The Director also raises the question ~~whether~~ which of the supervisors (where the Council employs more than one supervisor) should be in charge of the work of compulsion. He suggests none of the supervisors should be entrusted with this work.

that separate attendance officers should be appointed for that purpose. It is not clear what is intended to be conveyed by the D.P.I. In municipal areas as well as in rural areas the attendance committee ^{has} scrutinizes defaulters' list, and D.E.Os. impose penalties on the guardians of defaulting pupils with reference to the final defaulters list drawn up by the committee. There is no post called Attendance officer ^{as far sanctioned for} municipal areas. A scheme of attendance officers has been sanctioned in rural areas as an experimental measure in seven districts. The officers are govt. servants of Edu. dept. and supervise compulsory areas in the seven districts. It is not known whether the D.P.I. intends that similar officers should be appointed in municipal areas. In rural areas the scheme of attendance officers has been sanctioned because the govt. have undertaken to meet the entire cost of the scheme. The cost of the compulsory scheme in municipal areas is financed ^{entirely} from municipal funds. The pay of ~~any~~ attendance officers if appointed, in municipal areas will have to be borne by the ^{me} Council. The D.P.I. may perhaps be asked to explain the position more clearly. The file may be sent to him L.O. for remarks.

From the D.P.S. No 2525 B2/49-1 2/8/49.

The D.P.I. is of the view that attendance officers should be employed by Municipal Councils which have introduced the scheme of compulsory elementary education. In the interests of the scheme of compulsory elementary edu., the proposal of the Director seems a desirable one. It may be accepted.

2/ The attendance officers employed in rural areas are of the grade of Deputy Inspector of schools in the scale of Rs 85 - Rs 245. ^{only} If this scale is to be offered to the attendance officers proposed to be appointed by Municipal Councils, the expenditure on this account may be a heavy ^{drain} on the finances of the municipal ^{councils}. It seems that the scale of pay for the attendance officers may be fixed at Rs 60 - Rs 120, slightly lower than the scale of pay for attendance officers in rural areas and slightly higher than the scale of pay for Supervisors (Rs 45 - 85) employed by Municipal Councils. If the scale suggested above is accepted, the ^{total} expenditure ^{which may be about} for each municipal council will only amount to Rs 1000/- a year. The expenditure is not much. It can be met from the E.F. Fund 3/2-A. and Fin. may see for remarks.

The points raised in this file are:-

- 1) In a Municipality where compulsory edu is in force, which among the Supervisors (where the Council employs more than one) is to be the Secretary of the Attendance Committee.
- 2) whether the Supervisor should be asked to be in charge of the work of compulsion in addition to his other duties

1) above The D.P.S is of the view that all Supervisors employed by the Municipal Council may be the members of the Attendance Committee and that the senior most of them may be Secretary of the Committee. The Director's view may be concurred in.

2) above The Director has expressed the opinion that none of the Supervisors (where more than one employed) should be entrusted with the task of enforcing compulsion as he is already burdened with the arduous task of administrative and academic supervision of schools. and if entrusted it will be detrimental to these interests. He therefore suggested that separate Attendance officers should be appointed for the purpose. Secy. records the view that the appointment of such officers does not seem necessary as it is not certain whether the Supervisors have too much work. L.A. Dept.

It is only recently that Education Supervisors have been increased in municipalities proportionately to their population. It cannot be presumed that after this increase they are not equal to the work arising from compulsory education. In the circumstances, the D.P.I. may be told that the proposal may be renewed if experience proves that the work in connection with compulsory education is ^{too} heavy for the supervisors. In the meanwhile D.P.I.'s proposal may be accepted that all supervisors may be members of the Attendance Committee, the senior of them being the Secretary.

The amendment proposed to be made to rule 8(2) provides for (1) that the supervisors should be members of the Committee and (2) that the senior-most supervisor should be the secretary of the Committee. Although rule 8(2) may be appropriately amended to provide for the senior-most supervisor being the secretary of the Committee, the provision to the effect that supervisors are ex-officio members of the Committee will have to be made in rule 7. It is presumed that even if there is one supervisor, he should ex-officio be a member of the Committee as well as its Secretary. Rule 7 may therefore be amended by inserting after the words "head-masters of all recognized elementary schools", the words "the supervisor of elementary schools of the municipal council and where there are more than one supervisor, all such supervisors".

2. It is however not clear whether only supervisors ^{employed by} municipal councils should be members or whether in non-municipal areas, supervisors ^{employed by} of local boards can also be members.

E.&P.H. may consider the above and revise the draft notification suitably before it is scrutinized.
