Sir,

Sub: N.C.C - Junior Division - Employment of two ^{Lascars.} ~~teachers.~~
Ref: Government Memo No. 6209-B/50-1-Education, dated 10-4-50.

--c00--

With reference to the Government Memo cited above, I submit herewith a copy of the letter No. 82/ZC, dated 8-5-50 from the Circle Commander, No. 2 Circle, N.C.C., Fort St. George explaining the need for two more Lascars to work under the Liaison Officer, N.C.C., Junior Division, Madras. The Liaison Officer, Junior Division, Madras has reported that the two existing lascars under him have plenty of work to do as every day stores are being received and sent by the Liaison Officer. It is also stated by him that two new lascars are required immediately. As many as 455 rifles have been received and each of them has to be cleaned and oiled at least once a week. Each lascar would clean about 25 rifles a day. These lascars are to be employed permanently. Till the rifles are distributed to the schools, they would be working under the Liaison Officer and as soon as the rifles are distributed they would be posted to one of the two troops in Madras. I recommend, therefore, that sanction may kindly be accorded for the employment of two more lascars to work under the Liaison Officer in the first instance and afterwards to be posted to one of the two troops in Madras.

Yours faithfully,

K. N. Murugesu

Copy of letter No.82/ZC, HQ.No.2 Circle, NCC, Fort St.George, Madras of the Circle Commander. *dated 8th May 1950.*

Sub: NCC - Junior Division - Employment of two lascars.

Ref: Your No.Rc.587-W4/50, dated 29-4-50.

I am directed to state that the request was made to allow the L0, Junior Division to employ 2 Lascars in addition to the two already attached to him. These two new lascars, if allowed to be employed, will be used for the cleaning and maintenance of rifles, handle clothing etc. when received from Ord or other sources and issued to various troops and other odd jobs in connection with storage of clothing and equipment.

2.As lascars are only authorised for Junior Division Troops, these two lascars may be shown as employed for any two troops in Madras proper although they will be working directly under the Liaison Officer.

3.The question, whether each troop of Junior Division should be given a lascar (as authoised) is left to the L0 Junior Division to settle directly with you. If the schools can manage with the existing menial staff, there is no need for the employment of lascars.
