The transfer of management of the six Board Elementary schools lying within the area to the control of Gobi Municipality with effect from the date of its formation has been sanctioned by the District Board in its resolution No. 1406 dated 29-12-49 (copy enclosed)

These schools were actually handed over to the control of Gobichettipalayam Municipality on 1-4-50, on the presumption that the management would have been taken over with effect from 1-10-49. The municipal Council has agreed to pay the actual expenditure incurred by the board for the period from 1-10-49 to 31-3-50.

I therefore request that the Government may please be sanctioned the transfer of management of these schools with effect from 1-10-49. The actual amount incurred by this Board from 1-10-49 to 31-3-50 is Rs. 15,519-4-0 as per statement enclosed. I request that this amount may be ordered to be paid by the Municipal Council.

Ref: Municipal Council Resolutions Nos. 555(2) and 557(4)
Dated 27--2--1953

Consequent on the constitution of this Municipality, from
1-10-49, six Elementary Schools under the Coimbatore District
Board Managements were transferred to Municipal Management on
and from 1--4--50. In pursuance of G.O. No. 1800 L.A dated
8--9--1952, the hamlets of Nallagoundempalayam and Karattadipalayam
have been excluded from Municipal limits and the two Elementary
schools in the excluded area have been ordered to
be taken over to the Management of Coimbatore District Board by
Government and the two said schools were taken over to the
management of District Board on 1--3--53. Sri P.K. Muthuvelappa
Gounder and other Councillors have moved a resolution which came
for discussion during the meeting held on 27--2--53. The
resolution is as follows:--

"That as the teachers and mistresses of the Elementary
schools maintained by this Council, have been transferred without
assigning any reason during the middle of the school year
unnecessarily, in affecting the progress of schools, this Council,
besides condemning such action, resolves, to cancel the transfers
so made and to reinstate the teaching staff with immediate effect
to the schools, they were working previously." After discussion
it was resolved to retransfer the teachers. Ten members voted
for this while 9 were against. An extract of the proceedings
of the meeting is herewith submitted.

Another resolution moved by a Councillor Sri Mariappan,
also came for the same meeting which is as follows:

"Despite the Municipality has to give preference to the depressed
classes community people, has transferred the teacher Sri J. Jivanandam
of Modachur who belongs to depressed classes community to Nallagoundam
palayam elementary school that is likely to be transferred to
District Board management and it is regretted to inform that
his transfer to the said school after 15-10-52 despite the facts
of the villages having been excluded from Municipal limits goes
to show the less affinity to such depressed class community
and request the commissioner to retransfer him to the school within
the Municipal Limits."

In this connection I submit that the transfers have been
effected by my predecessors in the interest of administrative
reasons while posting probationers in place of ousted untrained
hands, a pointed temporarily with the approval of Educational
Authorities in leave vacancies.

2. Since the Commissioner is the Executive Authority responsible for the general conduct of the Municipal administration it is essential that he should be allowed to act on his own responsibility in the exercise of administrative powers conferred on him. It is not therefore fair that the Council or Councillors interfere with him. The Councillors who moved the resolutions are interested in some teachers and hence they want the new Commissioner should immediately effect transfer among teachers. This is more or less a dictation to the Commissioner. In the interest of administration I am of opinion that these resolutions need not be given effect to and hence I request the Government to veto the resolutions.

I submit that I have assumed charge only very recently (9) and it is too early for me to judge for the necessity of effecting transfers to the teachers. Under these circumstances I request whether the resolutions have to be implemented.

2. Since the Commissioner is the Executive Authority responsible for the general conduct of the Municipal Administration it is essential that he should be allowed to act on his own responsibility in the exercise of administrative powers conferred on him. It is not therefore fair that the Council or Councillors interfere with him. The Councillors who moved the resolutions are interested in some teachers and hence they want the new Commissioner should immediately effect transfer among teachers. This is more or less a dictation to the Commissioner. In the interest of administration I am of opinion that these resolutions need not be given effect to and hence I request the Government to veto the resolution.

BR/27/4/54

Copy of Director's Letter Rc.No.1172-B1/53 dated 4-2-1954
addressed to the Secretary to Government, Health, Education
and Local Administration Department, Madras.

Sub: Elementary Education - Gobichettipalayam Municipality
Transfer of teachers - Implementation of the Council's
resolution.

Ref: Govt Endt No.14122-D/53-1 Dated 8-10-53.

The Divisional Inspector of Schools who was consulted in
the matter reports that some teachers were purposely transferred
from Gobichettipalayam Municipal limits to Nallagoundanpalayam
and Karatadipalayam knowing well that these places were to be
excluded from Municipal Limits. This was done on the eve of
formal handing over of the schools to the District Board and
without consulting the teachers concerned. This may also be
attributed to the fact that teachers were taking sides with
local factions. The party in power in the council took vengeance
on the teachers who belonged to the opposing party.

However as matters have now cooled down, it does not appear
necessary for the teachers already transferred to be retransferred
to the Municipality.

Hence I submit that the recommendation contained in the
chairman's note dated 7-3-1953 may be accepted.

HELA(ED)

The letter of the Commissioner at p 1-2 CF, the note of the Chairman at p 2 CF. and the remarks of the D.P.I. at page 19 ante may be perused. It is obvious that the teachers were expected only on account of party politics. The Commissioner who advised the teachers should not have exercised his own judgment instead of playing into the hands of the party men. However the matter is already a year old. The teachers who have been boomeranged will now be under the employ of the District Board. The reboomeranged cannot therefore be expected without consulting the Dt Bd. As the matters are now reported to have cooled down no further action is called for. The papers may be closed.
