G.O.Ms No.1565 Edn. dated 22.5.50.

P2508 of (B)
P3108 of (B)

We are grateful to Government for their Memo and G.O. referred to above. In clarification of the above G.O. we would like to state as follows. The scheme of buildings as envisaged in the G.O. and Memo will consist of the following:-

- (i) The Appar Nilayam which has been allowed to be used permanently for the Training College.
- (ii) An upper storey in the Shivananda Nilayam for the purpose of the High School.
- (iii) Kitchen and Dining Hall (for the Training College).
- (iv) Hostel to accommodate 60 students for the Training College.
- (v) Additional buildings for the Training College.

Of these the Dining Hall and Kitchen and the Hostel are most urgently needed in view of the opening of the Training College in July of this year. In the Memo referred to above, the Government have permitted the vidyalaya to commence their construction. In accordance with this permission, construction of both the buildings has begun. Next in order comes the upper storey of the Shivananda Nilayam and the additional buildings for the College. The Appar Nilayam has already been completed as mentioned in our previous letter. The completion of the

whole/

Go 15 65 Edn
22/5/50

whole scheme will cost more than one and a half lakhs of rupees and it will be convenient if orders can be issued so that grants may be paid as and when each of these buildings is finished.

The payment of grant for the Appar Nilayam has been coupled in the G.O. with the completion of the upper storey over the Shivananda Nilayam, since the exact amount to be paid back to the Government cannot be determined till the latter building is completed. Bills for the construction of the Appar Nilayam amounting to Rs.53,367/8/- have already been submitted to the Director of Public Instruction. The grant for that building will come to Rs.26,683/12/-. The probable amount that may have to be returned to Government is Rs.5,341/- as mentioned in the G.O. We would like to suggest for the sake of convenience that the sum of Rs.5,341/- may be deducted from the grant due for the Appar Nilayam and the rest of the amount paid now subject to final settlement of accounts at a later date as mentioned in the G.O. That is to say, Rs.21,342/12/- (Rs.26,683/12/- minus Rs.5,341/-) may now be ordered to be paid as grant for the Appar Nilayam. This will greatly help the institution to put up the other buildings under the scheme.

In view of the above, we request that orders may be issued as follows:

- (a) Rs.21,342/12/- may now be ordered to be paid as grant for the Appar Nilayam as arrived at above, pending settlement of final accounts after the upper storey to the Shivananda Nilayam.
- (b) The building scheme may be completed in the following order, viz., Kitchen and Dining Hall, Hostel, upper storey to the Shivananda Nilayam and additional buildings for the Training College.
- (c) Grants may be disbursed for each of the buildings as and when they are completed.

Thanking you,

Yours sincerely,

K Venkatachalam

R.C.No. 60 DB/50 dated 24--6--50.

Sub: Grant Building--Basic Training College, Periyanaickan Palayam--advance grant.

Ref: Government Memorandum No. 14049-F/50-1 Education dated 9--6--1950.

With reference to the request of the Correspondent of the Basic Training College, Periyanaicken palayam for an advance building grant of Rs. 21,343/- I submit the following remarks:-

1. In para 4 of my letter to Government R.C.No..60 DB/50 dated 1--5--50, I have already reported that the correspondent has taken credit for the full grant of Rs. 12,500/- ~~the~~ towards the construction of the first floor to the Dormitory building, which amounts to payment of the full admissible grant in advance of the commencement of the building operations. The construction of this first floor has not yet been commenced. In their order Ms. No..1565 Education dated 22--5--50, Government have stipulated that the management should complete this work and refund ~~the~~ Government the excess grant of Rs. 5,341/- (or whatever be the actual amount) before claiming any advance grant for the Training College. The condition laid down has not been fulfilled.

2/- Consequent on the cost of "Appar Nilayam" being adjusted towards the building grant for the Training College, the Correspondent is now left with an excess grant of Rs. 17,841/- so far as the Secondary school is concerned. (Rs. 35,000 minus Rs. 17,159 (half the cost of shivananda Nilayam Rs. 34,318) = Rs. 17,841/-) Deducting the amount of Rs. 5,341/- to be refunded, there is still a balance of Rs. 12,500/- unaccounted for and uncovered by any work under progress. If the management, having retained with themselves the full admissible Government grant of Rs. 12,500/- for the work, do not propose to take up immediately the construction of the first floor to the Shivananda Nilayam, it is desirable to recover the entire excess grant of Rs. 17,841 before paying any advance for the Training College.

3/- The grant for "Appar Nilayam", the cost of which is Rs. 53,367/- works out to Rs. 26,684/-. The management should not claim this grant in full, when they have not completed the first floor to the Shivananda Nilayam for which they have retained Rs. 12,500/-. If the entire excess grant of Rs. 17,841/- is deducted from the grant for Appar Nilayam, the balance due to the management is Rs. 8,843/- only.

4/- It is open to the management to construct the buildings of the Training College in the order of urgency felt by them. But the construction of the first floor to the Shivananda Nilayam, which relates to the Secondary school, should not be mixed up with the Training College scheme. It is obligatory on the part of the management to take up and finish that work soon and account for the grant of Rs. 12,500/- unless they are willing to refund this amount also and claim it after completion of the first floor on the basis of the actual expenditure.

5/- I may add that there is a provision of Rs. 75,000/- in the current year's budget for the payment of building grant for the Training College and that a proposal has been made to reduce it to Rs. 50,000/- as a measure of economy in this year.

(p.t.o)

[Faint, mostly illegible text in Devanagari script, likely bleed-through from the reverse side of the page.]

In the circumstances explained above, I am of opinion that the request of the management for an advance grant of Rs. 21,343/- is quite inadmissible so long as the condition laid down by Government is not fulfilled. I may also mention that when, with reference to the recent decisions on the ^{entailment} ~~instatement~~ of expenditure, building scheme is being spread over two years, it is not proper to pay an advance grant of this kind.

x. the grant due to completed

Yours faithfully,

In their order No 1565-Edn d 22.5.1950, the Govt. approved the proposal of the management of Sri Ramakrishna Mission Vidyalaya to use the building known as 'Appar Nilayam' for the Basic Training College, Perianaickenpalayam as a permanent measure and for the adjustment of the cost thereof towards the

building grant for the College. The 'Appar Nilayam' formed part of a building scheme for the High school for which a grant of Rs 35,000 ~~has already been~~ paid. In order to make up the accommodation lost to the High school by the transfer of 'Appar Nilayam' to the college, it was proposed to construct first floor to the Dormitory (Shivangada Nilayam) at an approximate cost of Rs 25,000. It was also ordered in the above G.O. that the management should complete the work of putting up the first floor to the Dormitory and refund to Govt. the excess grant of Rs 5341/ before claiming any advance grant for the College for which a provision of Rs 75,000, ~~was originally~~ made in the current year's budget. The Correspondent of the Vidyalyaya now requests payment of an advance grant of Rs 21,343 for the Appar Nilayam and that grants may be disbursed for each of the buildings ~~and~~ when they are completed.

The remarks of the D.P.I. in his letter on pp 11-13 cf. may be perused. The construction of the first floor to the Dormitory has not yet been commenced and as pointed out by P. the D.P.I., the Correspondent is now left with an excess grant of Rs 17,841/ so far as the Secondary school is concerned. Given after deducting the sum of Rs 5341/ to be refunded, there is still a balance of Rs 12,500/ unaccounted for by any work under program. In the circumstances stated in paras 4 to 6 of his letter, the D.P.I. is not in favour of payment of the advance grant asked for by the ~~man~~ Correspondent. If the entire excess grant of Rs 17,841/ is to be deducted from the grant for 'Appar Nilayam' the balance due to the management will be Rs 8843 only.//

He may be asked to ~~provide~~ ^{complete} both the construction of the 1st floor for the Dormitory according to the approved plans & estimates & then apply for an advance grant.

In G.O.No. 3178 Edn. dated 11-12-48 the Government sanctioned the maximum grant of Rs. 35,000 to the Ramakrishna Mission Vidyalaya High School, Perianaickenpalayam for the construction of a Dormitory and a Dining Hall which were estimated to cost Rs. 73,600 (actual cost since reported is Rs. 87,685). In a subsequent order (G.O. 1565 Edn. dated 22-5-50) the Govt. approved as a special case the proposal to use the Dining Hall building (named as Appar Nilayam) permanently as a Basic Training College, which will be eligible for a separate half-grant and permitted the Management to construct a first floor over the Dormitory (named Shivananda Nilayam) in order to make up for the space lost to the High School by the diversion of the Dining Hall (Appar Nilayam) for the purpose of the Basic Training College. They also directed the Management to complete the first floor over the Dormitory and refund the excess grant of Rs. 5,341. This amount was arrived at as follows:--

2. The Correspondent, Ramakrishna Mission Vidyalaya has now applied for a half-grant for the building originally constructed as a Dining Hall for the High School but now used as a Basic Training College. In so doing, he has suggested that out of the half-grant of Rs. 26,684 due for the college building (Appar Nilayam) the amount of Rs. 5,341 referred to as excess grant in para 1 above may be deducted from the balance of Rs. 21,343 paid. The D.P.I. points out that the work of constructing the first floor over the Dormitory which is eligible for a half grant of Rs. 12,500 has not yet been taken up, and that if half-grant is to be paid for both the completed works (Appar Nilayam and Shivananda Nilayam), the additional amount due for payment will be only Rs. 8843 as worked out

below:--

	Amount of half grant. Rs.
Appar Nilayam (Basic Training College)	26,684
Shivananda Nilayam (Dormitory for the High School)	17,159
Total.	43,843
Grant already drawn.	35,000
Additional Grant due.	8,843

The D.P.I.'s opinion is that the request of the Management for an advance grant of Rs. 21,343 is quite inadmissible so long as the conditions laid down by the Govt. are not fulfilled. Edn. agrees with this opinion and proposes that the additional grant of Rs. 8,843 may be sanctioned now as a special case. As this amount relates to completed works, Finance may agree to Education Department's proposal.

The file relates to the request of the Correspondent, Sri Ramakrishna Mission Vidyalaya, Coimbatore District, for an advance grant to them for the Basic Training College newly opened at Perianaickenpalayam by them. The Govt. sanctioned in G.O.No. 3178 Edn., dated 11.12.48 a grant of Rs. 35,000/- to the Ramakrishna Mission Vidyalaya High School for the construction of a Dormitory and a Dining Hall. Subsequently in G.O.No. 1357 Edn., dated 27.4.1949 the Govt. sanctioned a grant of Rs. 75,000/- to the management for the construction of buildings for the Basic Training College, opened by them from the current year. Subsequently, the Govt. in G.O.No. 1565 Edn., dated 22-5-50, approved as a special case the proposal of the management of the Basic Training College to use the Dining Hall building (called the Appar Nilayam) permanently for the Basic Training College; and this building will be eligible for a separate half grant. The management was permitted to construct a first floor over the Dormitory (named Shivananda

Nilayam) in order to make for the space lost to the High School by the diversion of the Dining Hall (Appar Nilayam for the Basic Training College), and also directed ^{the management} to ~~be~~ complete the first floor over the Dormitory and refund the excess grant of Rs. 5,341/-, drawn by them for the High School.

2. Now the Correspondent of the Mission has applied for a half-grant for the building (Appar Nilayam - a building originally designed for the High School but now used for the Basic Training College), viz. Rs. 21,343/-, which represents Rs. 26,684/- half-grant due for the Appar Nilayam minus Rs. 5,341/- already ordered to be refunded. The D.P.I. who was consulted in the matter points out that the work of constructing the ~~dormitory~~ first floor over the dormitory (Shivananda Nilayam) ~~for~~ which is eligible for a half-grant of Rs. 12,500/- has not yet been taken up and that if a grant is to be paid for both the completed works, viz. the Appar Nilayam and the Shivananda Nilayam, then additional grant ~~xxx~~ due now for payment to the management will be only Rs. 8,843/- as detailed below:--

	Amount of grant.
Appar Nilayam.	Rs. 26,684/-
Shivananda Nilayam.	17,159/-
Total...	43,843/-
Less Grant already drawn.	35,000/-
Balance	8,843/-

The D.P.I. does not recommend the request of the management of College for the payment of a grant of Rs. 21,343/- as the conditions laid down by the Govt. have not been fulfilled by the management. This Department however recommended that ~~as a special case~~ the sum of Rs. 8,843/- referred to above may be paid as grant now as a special case. Finance agree to the above proposal of this Department. In the circumstances, it is for consideration whether as a special case ~~the additional grant~~ ^{an advance} grant of Rs. 8,843/- may be paid to the management of the Basic Training College, Perianaicken for the construction of buildings known as the Appar Nilayam. Subject to orders, the draft order below is for approval. May be circulated to H.M. (E.&L) and H.M. (Fin).

The management's request for disbursement of grants for each of the buildings for the college as and when they are completed is admissible, ~~and~~ and no separate orders are required on that ~~part~~.

The file may now be circulated to H.M. (E.&L) and H.M. (Fin) for ~~orders approval of the draft~~ orders on 'A' on p.6 ante.
