I feel that the recommendation made in my letter R.C.No.
2815-C.3/48 dated 21-9-1948 would create a bad precedent as a good
basic Hons. Degree with at least a Second Class has always been
insisted upon. Many of these "Research" degrees are obtained on the
strength of research on some aspect of the subject and they cannot
therefore be regarded as making up for a III class Honours Degree.

Sri G. Suryanarayana as not qualified to hold the post of Assistant

Sir,
Qualification - M.A. (Hons) degree by Research in Telugu
of the Andhra University - Recognition as equivalent to
a second class in the B.O.L. degree of the Madras Univer-
sity - Your letter No.48254 A/49-1 Edn. dated 2-7-49.

I am to say that in its letter No.6309-C1/48-3 dated
15-12-48, the Commission advised that the qualification
possessed by Sri G. Suryanarayana might be considered to
be equivalent to a second class B.O.L. degree of the Uni-
versity of Madras. The qualification possessed by him is
a B.A. (Hons) Degree in Telugu in the III class, in addition
to a M.A. (Hons) degree by research in Telugu of the Andhra
University. The latter is a higher degree than the former
and both the degrees together ought to be far superior to
a B.O.L. degree of the University of Madras. The Commission
sees no reason to revise the opinion already given by it
in the matter.

Yours faithfully,

S. Alavandar

Letter dated 20th Sep. 1949.

I am in receipt of your Confidential letter dated the 17th Sep. 1949, wherein you have asked for clarification of equivalence of the M.A.(Hons) Degree by Research in Telugu.

As a matter of principle Research Degrees are valued in a different manner and cannot replace the basic qualifications. The view taken by this University is that a Research Degree, which may be very good, implies an intensive study of any circumscribed aspect of the subject, which will not be helpful to the research degree holder in teaching the subject for the higher courses of study. A person, for instance, who has taken the B.Sc. in Chemistry and a Research Degree may not be qualified to take Honours classes in Chemistry, because instruction in Honours classes in Chemistry because instruction in Honours classes requires both an intensive and extensive study of the whole field of the subject.

It will thus be clear that research Degrees have to be considered only as additional qualifications and cannot replace the Honours Degrees, nor be considered as equivalent to superior qualifications in the Honours Degree. If a person has passed the B.A. (Hons) Degree in Telugu and has also taken the M.A.(Hons) Degree by Research, it is just possible that he may be considered as satisfying the conditions under which in this University second class Honours Degree holders are entitled to teach Honours classes.

I am to say that it is not clear to the Commission how the
Director of Public Instruction considers that the letters of the
Vice-Chancellor of the Madras University and of the Registrar,
Andhra University confirm the correctness of the stand taken by
him so far as the case of Sri Suryanarayana is concerned; on the
other hand, they support the stand taken by the Commission in that
case. The Vice-Chancellor, Madras University says that "a person
who has taken the B.Sc. in Chemistry and a Research degree may
not be qualified to take Honours classes in Chemistry because
instruction in Honours classes requires both an intensive and
extensive study of the whole field of the subject". The Commis-
sion readily accepts this view; but Sri Suryanarayana is not such
a person. He is a person who has taken the B.A.(Hons.) degree
as well as a Research degree M.A.(Hons.) in Telugu. He has thus
made both an intensive and extensive study of the whole field of
the subject.

Handwritten note:

Handwritten note:

Further, the Madras University says that "if a person has
passed the B.A.(Hons.) degree in Telugu and has also taken the
M.A.(Hons.) degree by Research it is just possible that he may be
considered as satisfying the conditions under which in this
University second class Honours degree holders are entitled to
teach Honours classes". Sri Suryanarayana is such a person and
he is quite fit to handle Honours classes. This is the view
taken by the Andhra University also.

In the circumstances the Commission sees no reason to
revise the opinion already given by it in regard to the case of
Sri Suryanarayana but would suggest that G.O.No. 1490 Edn., dated
11-5-49 be amended by substituting the words "the B.A.(Hons.)
followed by M.A.(Hons.) degree by Research" in the place of "the
M.A. degree (Hons.) degree by research".

Sir,

Subject: Qualifications M.A. (Hons) degree by
Research in Telugu of the Andhra
University -- equivalence of --

Ref: Government Memo. No. 48254 A/49-6 Education dated
9.1.1950.

With reference to Government Memo. cited, I have the
honour to state as follows: --

The standards of qualifications prescribed by Government
are generally higher than those prescribed by the University.
The statement of the Vice Chancellor, Madras University, that
a person who possesses the B.A. (Hons) degree in Telugu and the
M.A. (Hons) degree by Research may be considered qualified to
teach Hons. class is made with reference to the standards
prescribed by the University. A III Class M.A. degree plus
a Research degree cannot replace a good Hons. degree which is a
basic primary qualification for Assistant Lecturers. The
Commission has not considered this aspect vis-a-vis higher
qualifications insisted on for Government service. For these
reasons, I am unable to accept the commission's suggestion
that the degree of B.A. (Hons) followed by M.A. (Hons) degree by
Research might be recognised as equivalent to a II class B.O.L
degree of the Madras University. I ~~will~~ therefore still
remain of the view that Sri Suryanarayana cannot be considered
qualified for appointment as Assistant Lecturer in Telugu.

Further, persons possessing the prescribed qualification
are available for appointment as Assistant Lecturers in Telugu.
There is therefore no need to relax the qualifications on behalf
of Sri Suryanarayana. I would also like to point out that
concession, if conceded in one particular case has to be con-
ceded in all similar cases, thus creating a bad precedent.

-do- No.4192 C1/49-4, dated 17-12-49.

Qualification - M.A.(Hons) Degree by Research in Telugu of the Andhra University - Equivalence.

The qualifications prescribed for the posts of Asst. Lecturers are:-

"The first or second class degree of B.A.(Hons) or B.Sc.(Hons) or M.A. of a University in the Province in the subject in respect of which recruitment is necessary: provided that the first or second class degree of B.O.L. of the University of Madras shall be declared to be equivalent to the first or second class degree of B.A.(Hons) or M.A. of that University for purposes of recruitment to posts of Asst. Lecturers in Languages other than English."

2. The D.P.I. proposed in September 1948 that Sri Suryanarayana had passed his B.A.(Hons) degree in Telugu in III Class and subsequently got M.A.(Hons) degree of the Andhra University by research, that the latter degree was considered as a higher qualification by that University than the B.A.(Hons) degree and that in view of the above qualifications possessed by Sri Suryanarayana, he might be treated as qualified for the post of Asst. Lecturer in Telugu. The M.P.S.C., on consultation, opined that the qualification possessed by Sri Suryanarayana might be considered to be equivalent to a 2nd class in the B.O.L. degree of the University of Madras. Based on these views, the Govt. passed orders in G.O.No.1490, Edn., dated 11-5-49 that the M.A.(Hons) degree by research in Telugu of the Andhra University be recognised as equivalent to a 2nd class in the B.O.L. degree of the University of Madras.

3. In June '49, the D.P.I. proposed that the G.O. might be cancelled. In support of this he states that it would create a bad precedent as many of these 'Research' degrees are obtained on the strength of research on some aspect of the subject and that they cannot be regarded as making up for a III Class Hons. degree. The M.P.S.C. whose

remarks were called for has stated that it seems no reason to revise the opinion already ^{given} by it in the matter. On further consultation the Commission suggests that the G.O. in question may be amended by substituting the words "The B.A. (Hons) followed by M.A. (Hons) degree by research". The D.P.I. does not agree with the Commission and insists that Sri Suryanarayana cannot be considered as qualified for appointment as Asst. Lecturer in Telugu as a research degree cannot compensate for the defect in the basic qualifications. In support he has forwarded the views of the two Universities. The Commission however does not agree with his interpretation of the views of the Universities. ^{and suggests that, if necessary, the G.O. may be amended by substituting the words "The B.A. (Hons) followed by M.A. (Hons) degree by research".}

4. The D.P.I. states that persons possessing the prescribed qualifications are available for appointment as Asst. Lecturers in Telugu, that there is therefore no need to relax the qualifications on behalf of Sri Suryanarayana and that concession shown in one case will become a bad precedent. As fully qualified persons are available it does not appear that there is need to ^{widen} ~~hidden~~ the qualifications further. If so, the G.O. may be cancelled. (It may be mentioned that it is doubtful whether the G.O. has correctly brought out the intention of the D.P.I. and the Commissioner. Their views expressed in 1948 appear to be that the combined qualifications possessed by Sri Suryanarayana viz., B.A.(Hons) III rd class and M.A. (Hons) by research, might be treated to be equivalent to a 2nd class in B.O.L. of the Madras University, whereas the G.O. speaks of the M.A.(Hons) degree of the Andhra Uty., by research(alone) being equivalent to a 2nd class B.O.L. of the Madras University. It would appear that the G.O. should have been worded in the way now suggested by the Commissioner at A above.)

5. As the Universities and the Commission recommend the relaxation of rules in favour of Sri Suryanarayana and as this Govt. have conceded it by issuing the orders in the G.O. referred to, it is for consideration whether, as a special case, the rules may be relaxed in his favour, without his case becoming a precedent.

I am inclined to agree with the Director. A. 26.

The qualification prescribed for Assistant Lecturers in Telugu are the first or second class degree of B.A.(Hons) or B.A. (Honours) or M.A. in Telugu provided that the first or second class degree of B.O.L. ^{of the University of Madras} shall be deemed to be equivalent qualifications. In 1948 the D.P.I. recommended that Sri Suryanarayana who was a third class (Hons) degree holder in Telugu with M.A. (Hons.) ^{degree by} research might be treated as qualified for the post of Assistant Lecturer in Telugu. The Government accepted the Director's recommendation and in consultation with the Commission orders were issued in G.O.Ms. 1490 Edn., dated 11-5-49 recognising the M.A. (Hons.) degree by research of the Andhra University as equivalent to a second class in the B.O.L. degree of the University of Madras. The Director now considers that many research degrees are obtained on the strength of research on some aspect of the subject and they cannot therefore be regarded as making up for a third class (Honours) degree. He requests that orders might be issued treating that Sri Suryanarayana as not qualified for appointment as Assistant Lecturer in Telugu. But the Commission who was consulted sees no reason to revise its view already given. The Director's present suggestion is to the effect that the orders issued in G.O.Ms. 1490 Edn., dated 11-5-49 should be cancelled with retrospective effect. Edn., agree with the Director. might be cancelled. Edn., will no doubt inform the Commission the reason for agreeing with the D.P.I.'s recommendation. As regards Sri Suryanarayana, as the ~~post~~ Government have once conceded a relaxation of the rules in his favour by issuing the G.O. at '5' it is for consideration whether this department may not suggest that the order cancelling the G.O. should not adversely affect him.

Subject to orders the file may be returned to Education.

To

The Secretary to the Government,

Government of Madras,
Fort St. George, Madras.

The Principal, *Re 1137 03/50*
Govt. Training College, Rajahmundry.

Through

The Director of Public Instruction,
Madras.

Sir,

Sub:--Regularisation--Assistant Lecturer--from the date of
promotion--Requested.

I beg to make the following representation for reconsideration
of the date of my regularisation as Assistant Lecturer in Telugu in
the Madras Educational Subordinate Service.

(D) p21cf
1 I was appointed to the post of Assistant Lecturer in Telugu on
10--10--47 at the Government Training College, Rajahmundry. The
Government in their order No.2010-Education dated 13--7--50, gave me
exemption from the prescribed qualifications in view of the fact
that although I had only a III Class B.A.(Hons.) Degree in Telugu of
the Andhra University I had done advanced research work in Telugu
Language and Literature and had secured by Thesis the degree of
M.A.(Hons.) Research of the Andhra University in 1935.

2 I have been continuously in service since 10--10--1947 the date
of my appointment as Assistant Lecturer in Telugu without any break.
What so ever serving in the Government Colleges at Rajahmundry and
Madras. Since 11--8--48 I have been specially deputed to be in
charge of the newly organised Pandits' Training Course in Telugu in
the Government Training College, Rajahmundry involving work of some
what specialized kind.

(R) p10cf
3 I now find that my appointment in the cadre of Assistant
Lecturers has been regularised with effect only from the date of
the G.O.(11--5--49) granting me exemption from prescribed qualifi-
cations, instead of the normal date 10--10--1947, the date of my
first appointment to the cadre. This deprives me of my legitimate
claim to seniority over all those whose appointment as Assistant
Lecturer was subsequent to mine and places me consequently at a
serious disadvantage in respect of promotion rights, and other
rights. As I have been working as Assistant Lecturer in Telugu
from 10--10--1947 and as the fact of my qualifications being adequate
therefor was the ground of the Government's recognition, it is unfair
to me to impose on me a needless disability involving so many
serious disadvantages to my future career.

(R) p10cf
4 I request, therefore, that I may be regularised from the
date of my first appointment (i.e. 10--10--1947) as Assistant
Lecturer in Telugu instead of from 11--5--1949 the date of
the Government Order.

Yours faithfully,

G. Suryanarayana,

Assistant Lecturer in Telugu
Government Training College
RAJAHMUNDRY.

Rec.No.1639-C3/50 dated 29-11-1952.

Sir,
Sub: MADRAS EDUCATIONAL SUBORDINATE SERVICE -
Government Colleges - Sri G. Suryanarayana,
Officiating Assistant Lecturer in Telugu,
Government Training College, Rajahmundry
Petition for reconsideration of the date of

In submitting herewith the petition from Sri G.
Suryanarayana Rao, Officiating Assistant Lecturer in
Telugu, Government Training College, Rajahmundry, I
have the honour to state that he was originally promo-
ted as Temporary Assistant Lecturer in Telugu under the
emergency provisions under rule 31 (a) of the General
Rules for the Madras State and Subordinate Services with
effect from 10-10-1947 in the absence of suitable and
qualified persons. He possesses the following qualifica-
tions:--

plant
B.A.(Hons) III Class and M.A.(Hons) Research (Telugu)
degree of the Andhra University. As he does not possess
the basic qualification prescribed for the post of Assis-
tant Lecturers, i.e., 1st or 2nd class in the Honours
Degree he was not regularly promoted to the category of
Assistant Lecturers. Subsequently his case was recommen-
ded to Government for ~~relaxing~~ *relaxing* of rules.

In their order Ms.No.1490 Education dated 11-5-1949.
the Government ordered that the M.A.(Hons) degree by research
in Telugu of the Andhra University be recognised as equivalent
to a second class in the B.O.L. degree of the University of
Madras. But the Government in their order No.2010 Education
dated 13-7-1950 cancelled their original orders passed in
G.O.No.1490 Education dated 11-5-1949, and also ordered that
those orders would not adversely affect Sri G. Suryanarayana
who was already employed as an Assistant Lecturer. His
temporary promotion as Assistant Lecturer in Telugu was
therefore regularised with effect from 11-5-1949, i.e., the
date of the original G.O. recognising the M.A.(Hons) degree
by research as equivalent to a second class in the B.O.L.
degree.

LP.T.O

He now requests that his temporary promotion may be regularised with effect from 10-10-1947, the date of his first temporary promotion as Assistant Lecturer in Telugu. In this connection, it is submitted that he became fully qualified for the post of Assistant Lecturer in Telugu only with effect from 11-5-1949, i.e., the date of issue of the original G.O.Ms.No.1490 Education recognising the M.A.(Hons) degree in Telugu as equivalent to a second class in the B.O.L. Degree of the University of Madras, and his temporary promotion was regularised with effect from 11-5-1949. His case was fairly treated and was given the maximum benefit in the matter of regularisation of his temporary promotion as Assistant Lecturer in Telugu. His request to regularise his temporary promotion with effect from 10-10-1947 when the question of equivalence of his qualification was not decided is therefore inadmissible.

Yours faithfully,

M. S. Subramanian

for Director of Public Instruction.
