Sir,

Sub: Occupation of Government quarters for Electrical
and Mechanical Engineer, Government Press,
Madras.

Ref: G.O.Ms.No.1026, Education dated 29th March 1950.

In continuation of my petition dated 4th April 1950,
I beg to state that the sickly condition of my wife has become
worse. My family doctor who is living very nearby is giving
all medical help to my wife. It is not possible for me to
shift my sickly wife and young children from my present residence.

Further I beg to submit again that the Chief Electrician
and Senior Electricians are living in Government quarters. No
emergency will arise, as there are standby equipments which
can be put on by the Electricians, in case of trouble to the
running plants. I own a motor car. Even if an emergency arises,
I can reach Government Press from my residence in Triplicane
within 10 minutes. If the Government still insist on my staying
in the quarters, I am prepared to occupy the quarters myself alone
if it is vacated.

In this connection I would bring to the kind notice of
Government that I am not claiming Madras House Allowance. I
would beg of the Government to kindly permit my family to live
in my present residence.

Yours faithfully,

T. V. Viswanathan

2. The question of the occupation by ~~an~~ a Govt.Officer of the quarters allotted to him, is one of principle and policy and has nothing to do with an individual officer's domestic circumstances. If the Engineer is permitted to reside in other private quarters away from the Press, it means that there is no need for official quarters for him. The Spl.Officer is requested to state whether the quarters intended for the Ele.& Mech.Engr. Govt.Press may be allotted to some other officer of the Press and if so to whom.

Gov. Prin. Occupancy of Gov. quarters for Electrical & Mechanical Engineer.

Fig Please see the petition from Sri T.K. Viswanathan Esq. Engineer, Gov. Prin. The following remarks from the S. C. P. on p 1 of 2. Go. 1026 En. 29.2.50, the S. C. P. was requested to issue instructions to Sri K. Gowindarajulu, Asst. Engineer Elec. Dept. to vacate the quarters of the Esq. Engineer Gov. Prin. occupied by him & the present Esq. Engineer Sri T.K. Viswanathan should be asked to occupy the Gov. quarters. It was also decided that Sri Gowindarajulu should be allotted the private house occupied by the Esq. Engineer, Gov. Prin. There was no basis upon the note of the Secy. on p 7 of the Gov. Sri T.K. Viswanathan, the Esq. Engineer represents that for the reasons stated in his letter on p 1 of 2, it is not possible to shift his sickly

wife & young children from his present residence. As for the emergency work in the Press which may arise, he says that he owns a motor car & that the car is within ten minutes of the Press from Triplicane, his present residence. If Govt. should insist on his staying in the quarters, Sri Viswanathan is prepared to occupy the quarters himself alone, if it is vacant. If the attached proposal of the Engineer is accepted, Sri Gopinathan, the ex. S.M. Engineer Govt. Press - the Asst. Engineer Electricity will be left without a residence. After for some time till another house is allotted to him by the Collector.

The question for consideration whether Govt. will stick to their order at 'T' in the circumstances such as A also or whether they will continue the arrangement status quo for a specific period. The S.G.P. records state that Sri Viswanathan request to live alone in the quarters, if vacant, may be granted. This is the basis for order. Public (Genl) C. may see. Their note on this case & the letter is in P-4 Cf.

The whole point is one of principle & of policy. What is to be done with this particular Engineer domestic

Circumstances. Quarters are provided for in the Govt. Press for the Electrical & Mechanical Engineer just in order to ensure his presence & availability. In the case of sudden emergencies & breakdowns which will seriously dislocate Govt. work if not attended to at once. That certain Subordinates are being on the spot & quite powerless. If we permit the Engineer to live away from the Press that is equivalent to saying that his presence here is not necessary & that there is no need also for quarters in the Press for the Engineer. It asks ~~the Special Officer~~ the Special Officer if ~~he~~ thinks that the quarters intended for the S.M.E. of the Press may be given away to some one else in the Press or if so to whom.

The Special Officer states that there are quarters for six officers in all in the Govt. owned blocks of buildings at the junction of the Annamalai High Road and the old Fair Rd. near the Govt. Press, which are now occupied by the following officers of the Govt. Press:-

- (1) Electrical and Mechanical Engineer
- (2) Overseer
- (3) Chief Electrician
- (4) and (5) Two Senior Electricians
- (6) Power House operator.

A on p7 CF

The S.G.P. considered Spt. Officer considers

that it is not necessary to have the Electrical and Mechanical Engineers living on the spot as the chief Electrician and Senior Electricians who are already in the Govt. quarters should be sufficient to attend to any emergency. Further the S.O. considers it desirable to allot the quarters of the Electrical and Mechanical Engineers to one of the Technical Assistants connected with printing and suggests that the quarters may be allotted by the S.A.P. to the senior most Deputy Suptt. or Assistant Suptt. who is willing to live there. The S.A.P. is stated to have agreed to the above proposal.

2. If the above proposal is to be agreed to the orders in G.O. No. 1026 Edm & 29.3.50 will have to be suitably modified. ~~Adapted~~ These orders ~~relate to~~ were consequential to the allotment of one of the quarters to represent E.M.E. 3. With reference to the orders in the Government Order cited, I submit that I have allotted the quarters of the Electrical and Mechanical Engineer attached to the Government Press to one of my Assistant Superintendents Sri E.N. Munuswami and informed Sri K. Govindaraju to vacate the quarters immediately so that Sri E.N. Munuswami may occupy it. Information was also sent to Sri K. Govindaraju that the rented quarters occupied by my Assistant Superintendent shall be occupied by him on the latter shifting to the Government Quarters and arrangements to allot the rented quarters will be made by the Accommodation Controller with reference to Government Memo.No. 2659/50-1 Public (General-C), dated 20-7-1950.

Sri K. Govindaraju inspected the private rented quarters under allotment and he has submitted a petition to the Chief Secretary to Government requesting permission to remain in the Press Quarters until such time as a suitable house is allotted to him; as the quarters is not suitable for him. ENCLOSURE.

Copy of petition dated 31-7-1950.

I beg to state that the Superintendent, Govt. Press in his letter No. 6/Mis/50, dated 27th July 1950 informs me that the Press Quarters I am occupying at present is allotted to Sri E.N. Munuswamy, Asst. Superintendent, Govt. Press and that the house in which Sri E.N. Munuswamy is now living is allotted to me for occupation. In a previous letter dated 18-7-50 Superintendent had asked me to arrange to vacate the quarters immediately.

I have seen the house allotted to me. It is No.30, Perianna Mudali Street, George Town. Sri Munuswamy is paying a rent of Rs 20/- for the house and the house has only 2 small rooms and a small kudam. It is not electrified and has no garage too. Altogether 7 tenants are occupying the whole building. As this portion is quite unsuitable for my family which consists of 10 members I request that the Govt. may be pleased to give me special priority in the matter of allotting a suitable house. In this connection I beg to bring to your kind notice that I have been trying to secure a house for the past 1 year both privately and through official channels. My application for accommodation is still pending with the Collector
