Vacancy No.1:- The approved probationers in the category of Professors (Civil Engineering) are Major B.H. Marley and Sri N.S. Krishnaswami Ayyangar who were declared to have satisfactorily completed their probation on 2-8-1948 afternoon and 12-8-1948 afternoon respectively in G.O.Ms.No.523 Education dated 26-2-1949. As Major Marley is the senior of the two, he may be considered for confirmation as Professor of Civil Engineering from 24-1-1947.

Vacancy No.2:- There is no approved probationer awaiting for confirmation in this vacancy which may be left unfilled. Dr. K. Sukumaran whose temporary appointment as Professor was regularized with effect from 15-7-1946 in G.O.Ms.No.1988 Edn., dated 11-8-1948 retired on 15-7-1948 before he could put in two years of duty and complete his probation.

Vacancy No.3:- Dr. K. Sukumaran who was appointed as Instructor in Electrical Engineering from 18-3-1944 was declared to have satisfactorily completed his probation in this post on 17-3-1946 afternoon in G.O.Ms.No.1127 Education dated 6-6-1946. Although he can be confirmed in this vacancy with effect from 18-3-1944, it does not appear necessary to do so because Dr. Sukumaran has already retired from service and will not be at a disadvantage for want of confirmation in the post of Instructor. As the post of Instructor has been substantively vacant from 22-7-1943 and as Dr. Sukumaran would have held that post but for his promotion to the post of Professor, he may be allowed to count for purposes of pension, the emoluments which he would have drawn in the post of Instructor, if he had continued to hold that post.

Vacancy No.4:- The post of Junior Instructor in Electrical Engineering has fallen vacant from 15-7-1948 consequent on the retirement of Dr. K. Sukumaran. The only approved probationer in this category is Sri K.N. Ramanathan, temporary Professor of Electrical Engineering, College of Engineering, Rakinada, who was declared to have satisfactorily completed his probation in the post of Junior Instructor on 17-9-1946 afternoon in G.O.No.Ms.358 Edn., dated 26-2-1947. He may be confirmed as Junior Instructor with effect from 15-7-1948.

Vacancy No.5 - Instructor in Surveying & Drawing:- If Major B.H. Marley is confirmed as Professor of Civil Engineering, then there will arise a substantive vacancy in the post of Instructor in Surveying and Drawing with effect from 24-1-1947 which is his substantive appointment. Sri V. Kalyanaraman is the senior-most approved probationer in the category of Instructors

(Civil Engineering), having been declared to have satisfactorily completed his probation on 2-6-1943 afternoon in G.O.Ms.No.1256 Edn., dated 24-8-1944. He may, therefore, be confirmed as Instructor in Surveying and Drawing with effect from 24-1-1947. (S) 13

2. Government may be pleased to order the following confirmations:-

(i) Major B.H. Marley, temporary Principal, College of Engineering, Anantapur and permanent Instructor in Surveying and Drawing, College of Engineering, Guindy, to be Professor of Civil Engineering, College of Engineering, Guindy, with effect from 24-1-1947 without prejudice to his present temporary appointment.

(ii) Sri K.N. Ramanathan, Permanent Electrical Laboratory Assistant and temporary Professor of Electrical Engineering at Kakinada to be Junior Instructor in Electrical Engineering, College of Engineering, Guindy with effect from 15-7-1948 without prejudice to his present temporary appointment.

(iii) Sri V. Kalyanaraman, permanent Laboratory Assistant and officiating Professor of Civil Engineering, College of Engineering, Guindy to be Instructor in Surveying and Drawing in the same college with effect from 24-1-1947 without prejudice to his present officiating appointment.

NOTE

NOTE:-

Para 2 of the draft overleaf: This follows the D.P.I.'s proposal, except in one detail, viz., the date of confirmation of Sri ^{K.N. Ramanathan} ~~V. Kalyanaraman~~ as Junior Instructor (confirmation I).

Para 1 of the draft: The D.P.I. has been under the impression that since Dr. K. Sukumaran, Junior Instr., has retired from service, he need not be confirmed now as Instr. and that even without confirmation, he can be given the benefit of the Instr.'s vacancy for pension. But the A.G. has ruled that unless the confirmation is specifically ordered, no benefit will accrue to the officer. Hence the retrospective confirmation. One advantage of this is that the Junior Instructor's post becomes available for Sri ^{K.N. Ramanathan} ~~V. Kalyanaraman~~ from the date of his appointment (7.10.45) — ~~confirmation as Instr. instead of from the date of Dr. Sukumaran's~~ ^{Dr. Sukumaran's} retirement (15.7.48).
