Sir,

Subject:-

Visual Education- Appointment of an operator and purchasing or hiring films.

Ref: Letter No. 10234-48/C5 dated 16-3-50 from the Commissioner Municipal Council, Coimbatore.

In submitting herewith the letter from the Commissioner, Municipal Council, Coimbatore, I have the honour to state as follows:-

In G.O. No. 798 Edn., dated 23-5-1945 Government have decided that the power to fix or alter the number, designations and grades of and the salaries etc., payable to the non-teaching staff of schools, should be exercised by the Inspector of Local Boards and Municipal Councils, in consultation with the Director of Public Instruction. With reference to these orders the President District Board, Chittoor obviously referred the question of the creation of the post of operator and a peon to the Inspector of Local Boards and Municipal Council. In consultation with me the Inspector sanctioned the creation of these posts. Sanction has also been accorded by the Inspector of Local Boards (in consultation with me) for the continuance of these posts for one more year.

Now the commissioner, Municipal Council, Coimbatore, has addressed Government through me, for the sanction of

the post of an operator. As it is essential that a uniform procedure is observed in matters of this kind, I request that Government may be pleased to instruct the Commissioner, Municipal Council Coimbatore to address the Inspector of Local Boards and to see that the latter officer exercises powers of sanction in this regard in consultation with the Director on the analogy of the orders in G.O. No. 798 Education dated 23-5-1948. In this connection I also request that Government may issue general instructions to all Local Bodies to address the Inspector in the matter of creation of posts of Films Operator etc.,

3/ As regards the proposal of the Municipal Council, Coimbatore for the hiring of films at a cost of Rs.1000/- I may state that the Municipality may register itself as an Exhibitor working on commercial basis. While projection is arranged for by the Municipality, the films needed for each school can be borrowed by the school from the Central Film Library the charges incurred by schools for hiring films being met from the Visual Education ^{fund} collected in schools.
