Colleges, Govt - Report
on the working 1948-49 -

Recorded

FROM

THE DIRECTOR OF PUBLIC INSTRUCTION,
MADRAS-6.

TO

The Secretary to Government,
Education Department, Madras.

C.No. 516-K2/50 dated 17th May 1950.

Sir,

SUB: COLLEGES- Government Colleges - Report on the
working of the Colleges in 1948-49.

I have the honour to submit a brief report on the working of the Government Colleges (excluding the Second grade colleges) during the academic year 1948-49.

2. The statistics relating to the strength in each college and the receipts and charges are furnished separately in the annexure.

3. The results obtained by the colleges at the University examinations were generally satisfactory. The extra curricular activities were well maintained as in previous years. Some of the salient features are mentioned below:-

Government Arts College, Rajahmundry:-

There was a slight fall in the strength of the college from 559 in 1947-48 to 519 in 1948-49. Accommodation continued to be inadequate. But Government sanctioned provision for the construction of additional blocks. The results at the University examinations were satisfactory. The extra curricular activities were maintained well.

Government Arts College, Anantapur:-

During the year to meet the demand, Government sanctioned an increase in the strength of the Junior Intermediate class. The strength of the college rose from 718 in 1947-48 to 818 in 1948-49. The results at the University examinations were satisfactory. The extra curricular activities were well maintained during the year. The students' Cooperative Stores contributed about Rs.1000/- to the College Poor Boys' Fund. A Parents' Association was formed during the year to facilitate contact between the parents and the teachers.

Presidency College, Madras.

Consequent on the transfer of the Junior Intermediate class from the Presidency College to the Government Arts College, Madras, there was a fall in the strength of the Presidency College from 1557 in 1947-48 to 1303 in 1948-49. The number of women students on the rolls was 261, of whom 173 were reading in Honours and Post-graduate classes. The scheme of keeping open the Library from 7 P.M. to 9 P.M. every working day continued to be in operation during the year and during the 94 days the library was kept open, 520 students attended the night session and took advantage of the library. Instructional tours were conducted as usual and extra curricular activities were well maintained. The final honours students in Geology continued to receive survey training in the College of Engineering, Guindy. Two research scholars in physics were working in Atomic and Molecular spectra. In Chemistry one of the M.Sc. students working in the laboratory submitted his thesis on the Boric Acid problem and was awarded the Degree. The activities of the research workers under the auspices

P.t.O.

of the Council of Scientific and Industrial Research continued unabated.

Government Arts College, Madras.

Consequent on the transfer of the Junior Intermediate class from the Presidency to the Government Arts College, the strength of the latter college rose from 578 in 1947-48 to 823 in 1948-49. The results at the University Examinations were satisfactory. The extra curricular activities were well maintained.

Government Arts College, Kumbakonam.

The strength of the college rose from 679 in 1947-48 to 776 in 1948-49. Government have sanctioned the construction of an additional block at an estimated cost of 3.6 lakhs. The College Old Boys' Association continued to do good work. The extra curricular activities were well maintained. The college Parliament was revived after a lapse of over 6 years. The results at the University examinations were satisfactory.

Government Victoria College, Palghat.

The strength of the college was 1137 in March 1949 as against 1147 in March 1948. There were 110 women students during the year. The results at the University examinations were satisfactory. The extra curricular activities were well maintained. The college Old Boys' Association continued to evince interest in the welfare of the college. The college celebrated its Diamond Jubilee during the year.

Government Arts College, Coimbatore:-

The strength of the College in the last term was 614 in 1948-49 as against 615 in 1947-48. Group IV(b) Economics and History was opened in B.A. The opening of B.O.L. Course in Tamil was sanctioned, but the provision was not utilised for want of candidates to pursue the course. The extra curricular activities were well maintained. The results at the University examinations were satisfactory.

Government Brennen College, Tellicherry.

The Senior B.A. class was opened during the year. The strength of the college was 567. The several Students' Associations of the College participated in extra curricular activities. The college conducted a Malayalam literary Festival in February 1949 at which Kerala Arts work exhibited and learned discourses delivered by Kerala scholars. The High school department has since been separated from the college and placed under the control of the District Educational Officer.

Government Arts College, Mangalore.

The College was raised to the First grade by the opening of Junior B.A. and B.Com classes during the year. The strength of the college was 377. To provide for the necessary accommodation the High School Department was abolished and the 'Secondary Training - Section with the Model Elementary School was removed and placed under the control of the District Educational Officer. The several Students' Associations of the College participated in extra curricular activities.

Rajah's College, Pudukottai:-

The strength of the college was 337 in 1948-49 as against 345 in 1947-48. The results at the University examinations were satisfactory. The extra curricular activities of the college were well maintained. The College co-operative Society contributed a sum of Rs.225/- towards scholarship to 5 poor students.

Queen Mary's College, Madras.

The strength of the college rose from 454 in 1947-48 to 543 in 1948-49. The results at the University examinations continued to be good. The extra curricular activities of the college continued to be maintained at a high level. The new Home Science Block was opened during the year. The College was affiliated in B.A.(Hons.) and B.Sc.(Hons.) courses in Geography on an Inter-Collegiate and University cooperation basis. The Social Service League continued its activities unabated. A special feature of social Service League during the year was the starting of the Social Sciences Certificate course. 36 candidates including 9 members of the staff received the certificates. The First Aid and Home-Nursing classes continued. In response to the demand from students classes in short-hand and Typewriting and Needle-craft were started as part of the extra-curricular activities of the College.

Training Colleges for Men and Women:-

There was nothing special to record about these colleges. Owing to the dearth of facilities for the teaching practice of B.T. students of Teachers' College in Malayalam, the reservation of 10 seats for Malayalee graduates of the Province in the Training college at Trichur was continued.

Law College, Madras.

There was nothing special to record about the college during the year except that it continued to function well.

College of Engineering, Guindy.

Although the College of Engineering, Anantapur was shifted from Guindy to Anantapur there was no relief, to the Guindy College from congestion as the I year B.E.class of the Arthur Hope College of Technology, Coimbatore, had to be transferred to Guindy for want of adequate accommodation at Coimbatore. There was continued demand for the students of the college for employment. The College continued to maintain its reputation. The extra curricular activities were well maintained. The fourth Engineering Exhibition conducted during the year was very popular and attracted thousands of enlightened visitors.

Arthur Hope College of Technology, Coimbatore.

The Final year B.E.class was opened during the year. For want of accommodation the I year class had to be opened at Guindy College. The college participated in extra curricular activities. Out of 39 students presented for the B.E.Degree examination in March-April 1948, a large number of them were appointed by the Public Works Department in the several branches.

The college continued to be located temporarily in the building where it was opened.

College of Engineering, Visakhapatnam.

The College continued to function at Kakinada. The III year B.E.class was opened during the year. Results at the University examinations were good.

College of Engineering, Anantapur.

The College was shifted from Guindy to Anantapur and the III Year B.E.class was opened during the year. The results at the University Examinations were good. For practical training the students were ~~deputed~~ ^{deputed} to Guindy College. The College participated in extra curricular activities.

In conclusion I may state that a large number of Government colleges participated in Social Service Activities such as Adult Education, Visual Education. The social service activities conducted in

the several colleges are mentioned below:-

1. Government Arts College,
Rajahmundry.

Adult night school; talks on hygiene, sanitation and current public affairs to the people of nearby cheris and villages.

2. Government Arts College,
Anantapur.

Education to adults and children in slums.

3. Government Arts College,
Madras.

Visits to Hospitals and sending of magazines to hospitals patients.

4. Government Arts College,
Kumbakonam.

Adult Night School.

5. Government Arts College,
Coimbatore.

Adult Night Schools - Conduct of sports and distribution of prizes for children in the cheris - social and economic survey of Kunaimuthur a neighbouring village.

6. Queen Mary's College, Madras.

Adult School. Provision for instruction in Needlework, spinning and weaving for the economic welfare of the cheri people. Medical aid to cheri people and maintenance of the Social Service School in good state of cleanliness and discipline - Talks on problems of Rural India and starting of Social Sciences Certificate Course.

7. Government Training College,
Rajahmundry.

Adult School - Inducement to some Model School pupils to teach in their wards.

8. Teachers' College, Saidapet.

Adult Schools - Cleaning and sweeping campaigns by students of Basic Training Section to teach the villagers the value of sanitation and hygiene.

9. Lady Willingdon Training College,
Madras.

Adult School.

10. College of Engineering,
Guindy.

Night classes for adults - Street cleaning etc. to teach the value of sanitation and hygiene to villagers. The Social Service League opened a new road, a short cut, to save a distance of 1 mile between Saidapet and the College.

11. Arthur Hope College of Technology,
Coimbatore.

Adult Night School.

12. College of Engineering,
Kakinada.

Social Survey of Ramanayapet, a neighbouring village.

It is hoped that the colleges would show marked progress in Social Services activities in future years.

Yours faithfully,

M. S. Krishnamoorthy

for Director of Public Instruction.

RVR.19/5.

Queen Mary's College, Madras.

The strength of the college rose from 154 in 1947-48 to 248 in 1948-49. The results at the University examinations continued to be good. The extra-curricular activities of the college continued to be maintained at a high level. The new Home Science Block was opened during the year. The college was affiliated in B.A. (Hons.) and B.Sc. (Hons.) courses in Geography and an Inter-Collegiate and University co-operation basis. The Social Service League continued its activities unabated. A special feature of Social Service League during the year was the starting of the Social Sciences Certificate course. 32 candidates including 9 members of the staff received the certificates. The first 100 and Home-Maintenance classes continued. In response to the demand from students classes in short-hand and Typewriting and Needle-work were started as part of the extra-curricular activities of the college.

Training Colleges for Men and Women.

There was nothing special to record about these colleges. Owing to the dearth of facilities for the training practice of B.T. students of Teachers' College in Malabar, the reservation of 10 seats for Malayalee graduates of the province in the Training College at Trichur was continued.

Law College, Madras.

There was nothing special to record about the college during the year except that it continued to function well.

College of Engineering, Guindy.

Although the College of Engineering, Anantapur was shifted from Guindy to Anantapur there was no relief to the Guindy College of Engineering as the 1 year B.T. class of the Arthur Hope College of Engineering, Coimbatore, had to be transferred to Guindy for want of accommodation at Coimbatore. There was continued demand for the students of the college for employment. The college continued to maintain its reputation. The extra-curricular activities were well maintained. The Fourth Engineering Exhibition conducted during the year was very popular and attracted thousands of enlightened visitors.

Arthur Hope College of Technology, Coimbatore.

The final year B.T. class was opened during the year. For want of accommodation the 1 year class had to be opened at Guindy College. The college participated in extra-curricular activities. Out of 20 students presented for the B.T. degree examination in March-April 1949 a large number of them were employed by the Public Works Department in the several branches.

The college continued to be located temporarily in the building where it was opened.

College of Engineering, Tiruchirappalli.

The college continued to function at Tiruchirappalli. The B.T. class was opened during the year. Results at the University examinations were good.

College of Engineering, Anantapur.

The college was shifted from Guindy to Anantapur and the B.T. class was opened during the year. The results at the University examinations were good. The college participated in extra-curricular activities.

In continuation of the year a large number of Government and private institutions in Andhra Pradesh and other parts of India were visited. The college participated in extra-curricular activities.

FOR DIRECTOR OF PUBLIC INSTRUCTION

2015

Issued at m.
Rb

(b) 11 Edn Sep
J.M. by port. No. 12537-1/50 of d. 4.6.50.
To the D.A.I. — Dpd 1/5.6.50.

Subject: Colleges. Govt. Colleges — Report on the
working of the Colleges in 1948-49.

plcf.

Ref. your letter no. 516-K2/50.
dated 17.5.50.

In your report which you have stated
"that the scheme of keeping open the library of
the Presidency College, Madras from 7 P.M. to
9 P.M. every working day continued to be in
operation during the year and during the 94
days the library was kept open, 520
students attended the night session and took
advantage of the library." The first part of the

12

Statement conflicts with the second part as there were
 only more than 94 working days. This discrepancy
 should be explained. Similarly the statement that
 "out of 39 students presented for the BE
 degree examination in March-April 1948,
 a large number of them were appointed by the
 Public Works Dept in the several branches does
 not appear to be quite correct as I have said
 whether there is any omission in the statement.
 Please furnish also information regarding the
 actual working cost (including and for including)
 each Govt camp.

POST COPY OF THE TELEPHONIC MESSAGE No. 516 K2/50 dated
1-7-1950

From

The Director of Public Instruction,
Madras.

To

The Assistant Secretary to Government,
Education Department, Fort St. George,
Madras.

REF: Your T.M. by post No. 12537--2/50 G.Edn. dated
23-6-1950 regarding the report on the working
of Government Colleges in 1948-49.

Your original T.M. dated 4-6-1950 has not been
received in this office.

2 In regard to the Presidency College, the scheme
was to keep open the general library every working day
from 7 P.M. to 9 P.M. It is reported that the scheme
was resumed only from 5-10-1948 and apparently the
library was kept open only for 94 days till the rest of
the financial year.

3 The number of 39 B.E. students referred to relates to
the Arthur Hope College of Technology, Coimbatore only.

4 A statement of strength and receipts and expendi-
ture in respect of each college under review has been
submitted as annexure to my letter R.C.No. 516 K2/50
dated 17-5-1950 as usual. This includes non-recurring
expenditure also. The details of the non-recurring
expenditure incurred in each college are not really
available in this office and these have to be obtained
from the Principals- Please let me know whether the
particulars are required by Government.
