Sir,

Sub:--Budget Estimate--Part II of the B.E. for 1950-51--
Equipment grant to Local body Secondary Schools in
connection with part II of the Budget Estimate for '49-50

Subsequent to the submission of the Statement of the Schemes for Equipment grant to Local Body Secondary Schools in connection with part II of the Budget Estimate for 1950-51, the Divisional Inspector of Schools have reported that the cost of the Indents in respect of certain schemes relating to citizenship equipment has undergone reduction (originally they furnished tentative statements since the Indents were received by them late) and that some Indents which were defective have not been approved. Further, in respect of some Indents which are costly, the cost has been limited to Rs.500/- I, therefore, anticipate a reduction of Rs.8,000/- (Rupees eight thousand only) in the provision relating to citizenship Equipment grant suggested in the Statement referred to above and hence request that the same may be reduced accordingly. The actual amounts in respect of these schemes will be reported to Government while submitting the distribution statement to Government in the beginning of 1950-51.

I also request that "Board High School Achanta" may be substituted for "B.H.S. Attili" in item 104 of the Statement. This mistake occured owing to the incorrect report made by the Special Officer.

Yours faithfully,

For Director of Public Instruction

Subject: Education - Secondary - Local body Secondary schools - Equipment - citizenship course - 1950--51 -Part II - estimate.

--

Provision has been suggested this year in ~~the~~ part II of the Budget Estimate for 1950--51 towards the payment of grant to Local bodies for the purchase of Equipment required in connection with the citizenship activities introduced in the Local body Secondary Schools. Since the citizenship course is one which is newly introduced and since the supply of equipment is necessary for the working of the course it is desirable that Local bodies purchase the necessary equipment during the current year itself without waiting till the subsidy is actually sanctioned by Government, next year. The Divisional Inspectors of Schools have therefore been instructed to inform the concerned local bodies that, if considered necessary, the indents may be executed during the current year itself in anticipation of provincial subsidy but that no guarantee can be given that provincial subsidy will be sanctioned. I am bringing this to the notice of Government, with the request that they may be pleased to authorize, while sanctioning the subsidy, that the expenditure incurred during the currentyear towards the purchase of citizenship articles out of the approved indents should also be admitted by the Treasuries while disbursing the subsidy.

Yours faithfully,

Rc.1558-G2/49, dated 14--6--50.

Sir,

Sub: SUBSIDY - Equipment - Secondary Schools under Local Bodies - Provision for 1950-51 - Proposals for distribution - Called for.

Ref: Government Memo No.78425-B/49-4,Edn. dated 4-4-50.

------oOo------

I submit herewith proposals for the distribution of subsidies amounting to Rs.1,01,138/- to the Local Bodies towards the cost of Equipment of Secondary Schools including the Municipal College, Salem under their management - Vide statement enclosed. The amounts shown in Column 7 represent the maximum subsidy payable to the Local bodies concerned for the object specified. Subject to this maximum, the amount to be paid to each Local body will be restricted to one half of the actual cost of the articles purchased in 1950-51 out of the approved Indents.

2 The Accountant General, Madras may be requested to place the amount at the disposal of the Local bodies concerned subject to the production of the necessary vouchers at the Treasury.

3 The Local Bodies may be instructed to take early steps to execute the approved Indents and get the sanctioned grant adjusted to their credit before the close of the current financial year. They may be informed that under no circumstances will, any portion of subsidy not drawn before the close of the financial year be reallotted.

4 The expenditure will be met from the appropriation under "37-h-Education-Secondary-Grants to Local bodies for Secondary Education-A.Ordinary areas-3-equipment-Voted".

5 Incidentally, I invite your attention to Director's letter Rc.2696-G2-48, dated 5-11-49 (vide copy enclosed for ready reference) and suggest that as already stated therein, the expenditure incurred during 1949-50 towards the purchase of citizenship articles out of the approved Indents may also be allowed to be admitted by the Treasuries while disbursing the subsidies in question.

6 Schemes Nos.1 and 2 in the printed list (relating to general equipment) are not shown in Annexure, since they relate to Part I Estimate. Scheme No.39 (Municipal High School for Girls, Kakinada) is ignored since the Indent in respect of the same could not be approved owing to the non-receipt of complete particulars from the Commissioner. In regard to Scheme No.33 (Municipal College, Salem) the subsidy is to be limited to Rs.5000/--vide Government Memo No.70084-B1/49-5-Education, dated 23-12-49. Hence the amount is reduced from Rs.10,000/- to Rs.5,000/-. Consequent to these changes

changes the amount of subsidy payable in respect of General Equipment comes to Rs.21,713/- Rs.79425/-

7 In regard to Citizenship Equipment, I invite your attention to Director's letter Rc.2696-G2/48, dated 26-10-49 wherein a reduction of Rs.8000/- relating to Citizenship Equipment in the part II Estimate was suggested. As stated therein, eleven schemes (Viz. Nos.4,8,12,14,15,19,21,90,95,96,99 in the printed list) relating to Citizenship equipment have now been eliminated, while modifications have been made in the amounts in respect of certain other items. Consequently the total subsidy payable towards Citizenship Equipment comes to Rs.79,425/-

8 I wish to add in this connection that with reference to the recent suggestion of Government, I am submitting proposals to Government separately for effecting economy in the current year's expenditure. These proposals cover the item in question also viz. Equipment grant to Local body Secondary Schools. I shall submit a further report in the matter shortly.

Sir,

Subsidy - Municipal High School and Nellorepet Middle School-Gudiyattam - 1950-51 - Equipment - Orders requested.
Letters Roc.No.858-B/49 dated 14-9-49 and 13-5-50.

::

The indents for the purchase of furniture required for the Municipal High School and the Nellorepet Middle School submitted for the purchase of grant of subsidy were approved by the Divisional Inspector of Schools. Coimbatore in his letter Roc.No.858-B/49 dated 14-9-49. But it is stated that the purchase has to made only after the subsidy is sanctioned by the Government. During the next month the Municipal High School will be shifted to the new High School building which is now under construction and nearing completion and occupied in July. Then there will be inadequancy in the equipment. It is felt that it is better to purchase the required furniture before the Municipal High School is shifted to the new building so that the classes may be conducted without any inconvenience. As regards the municipal Middle School, the new building has been completed and the school located in it from 15-6-50. There will be nine sections against last year in the 3 forms. Hence furniture has to be immediately supplied.

In the circumstances explained above I request that the Government may be pleased to sanction subsidy at an early date for the purchase of furniture. If there is to be any delay in the issue of orders granting the subsidy immediately I request that permission may at least be given for purchasing the furniture in anticipation of the sanction of subsidy.

Subsidies - Equipment - Secondary schools under local bodies - Part II scheme for i950-5i

---

Subsidies are paid to local bodies towards onehalf of the cost of purchase of equipment for secondary schools subject to a maximum of Rs 5,000 for each approved scheme. The Director of Public Instruction has submits for consideration as a Part II scheme every year a list of new schemes for the purchase of general equipment for which provision should be made in the next year's budget.

2. The D.P.I. has recommended that a sum of Rs 92,i77 or Rs 92,200 roundly may be provided in the next year's budget for payment of ~~grants~~ subsidy towards the purchase of general equipment for 39 secondary schools and one Municipal College (Salem). In the case of the latter, the ~~grant~~ subsidy for the purchase of equipment for the Intermediate classess is usually provided under secondary schools as this is the only institution under the control of a local body ~~and~~ The ~~grant~~ subsidy was hitherto subject to the maximum of Rs 5,000. The D.P.I. has separately addressed the Govt for raising this limit to Rs i0,000 as in the case of aided colleges. Pending a decision on this, the maximum subsidy towards the purchase of science articles and books may be restricted to Rs i0,000. The Director has also treated the scheme for the purchase of books for the library as a separate scheme for purposes of ~~grant~~ subsidy. This may be approved. If the modification suggested is accepted above, the total subsidy to be provided for will be reduced to Rs 92,100.

3. Under the scheme for the reorganisation of ~~secon~~ secondary education introduced from the school year i948-9, citizenship training forms part of the curriculam for Forms I to VI. The D.P.I. has recommended that the expenditure on the purchase of essential articles

for citizenship activities should be admitted for aid and he has recommended that a provision of Rs Rs 31904 or Rs 31,900 roundly may be made for payment of grants to 133 schools towards onehalf of the cost of the equipment purchased as per approved indents. Except in a few cases the subsidy recomended does not exceed Rs 5,00. This is a new item of expenditure that will have to be incurred hereafter. It is for consideration whether a maximum limit may be fixed for ~~expenditure on the purchase~~ payment of subsidy for this purpose and if so whether it may be Rs 5,00 for each scheme. Inview of the finamcial stringency it seems desirable to impose a limit. Pending a decision on this, the amount suggested by the D.P.I. for 1950/51 may be included.

As the no of cases is small, no maximum limit seems necessary at present.

The total provision to be made in the next year's budget works out to Rs 1,24,000 This may be put forward as a Part II scheme for 1950-51 as the subsidies are absolutely essential for the proper maintenance of the schools.

To be revised by Rs2000 as suggested overleaf.

The remarks of the Finance Deaprtment may be invited u.o.

Part II Scheme for 1950-51.

Subsidy towards equipment for Secondary Schools under local bodies.—

Provision of Rs 1,22,000

Please see the E.& P.H.Department's notes on pages 1-2 above.

The D.P.I. has recommended that a provision of Rs 1,24,100 may be made in Part II of the budget for 1950-51 for payment of grants ~~m~~ towards the cost of purchase of general and citizenship equipment for the Board and Municipal Secondary Schools specified in the list at pages 2-10 C.F. E.& P.H. have examined the proposals on pages 1-2 above and have reduced the amount to be provided in Part II to Rs 1,22,000.

ASSISTANT SECRETARY TO GOVERNMENT

FINANCE DEPARTMENT

The budget provision made for grants to local bodies for equipment to Secondary Schools in previous years was as under:--

Year. (Pre-war)	Budget Estimate. Rs.	Year. (War Years)	Budget Estimate. Rs.
1935-6.	17,300	1940-41.	4,500
1936-7.	14,000	1941-2.	11,600
1937-8.	6,600	1942-3.	22,200
1938-9.	20,200	1943-4.	12,400
1939-40.	10,100	1944-5.	15,500
		1945-6.	23,500
		(Post-war period)	
		1946-7.	{85,000 / 24,000*}
		1947-8.	72,300
		1948-9.	63,900
		1949-50.	81,900
		1950-51.	1,22,000 (Part II Demand).

[*Subsidy of Rs 24,000 towards the net cost of maintenance of the Municipal High School for Muslims, Bellary.]

The grants proposed in this case are not for new objects but only for the normal running of the schools, and are sanctioned year after year after being treated as a Part II Scheme. The usual criteria laid down for Part II Schemes need not be strictly applied in this case.

The increase in the provision proposed for 1950-51 is due to the inclusion of schemes in respect of the purchase of equipments required in connection with the Citizenship activities introduced in several schools.

In these circumstances, Finance may agree to the proposal going forward as a Part II Sdheme for 1950-51.

The provision asked for is large. In view of financial stringency, the provision may be reduced at least to Rs 1 lakh.

B-1 Section

The notes of the Finance Deptt on pp 2-3 ante may be perused. The proposal is to provide a sum of Rs 1·22 lakhs in the BE for 1950-51 for payment of subsidies to local bodies towards the cost of purchase of equipment for secondary schools. The increase in the provision proposed for 1950-51 is due to the fact that it is now proposed for the first time to grant subsidies towards the cost of the equipment required for citizenship training newly introduced in several schools under the reorganised Scheme of secondary education as proposed by Finance at the foot of their note on page 3 ante. The provision is reduced to Rs 1 lakh it will be necessary to impose a cut in the amount of subsidy proposed by the DPI for equipment grants for citizenship schemes - As these are small schemes it has been considered that no maximum limit need be imposed for these new schemes - Vide note on page 2 ante In the circumstances this Deptt may press for provision of Rs 1·22 lakhs being included in the Part II estimate

The file may be circulated to AM (Edn & L) and AM (Fin)

The provision of Rs 1·22 lakhs is made up of

	Rs
(a) Subsidy for citizenship training class equipment	32,000
(b) Other items of equipment (Scientific articles, books, furniture etc.	90000
	1,22,000

The number of Secondary Schools is increasing year after year in recent years, at an average rate of 50 per year. Till two years ago, grants equivalent to one half of the cost of equipment, were allowed. As a measure of economy, the maximum grant has been restricted to Rs 5000/- The provision of Rs 90,000 under "equipment grants" cannot be considered excessive when compared with the expenditure incurred in past two years. This Deptt. may press for the
