2. While passing orders in Government Memo No. 45893 a/49.2 Education dated 11/7/49 on the letter of the Commissioner, Mathurai Municipality in the case of a secondary grade teacher recruited as Junior Deputy Inspector with reference to G.O. No.277 Education dated 10/2/48 the Government agreed with Director's recommendations in para 3 of his endorsement Roc. no.2632 c4/48 dated 13/6/49 that the Commissioner should be permitted to retain the lien of the secondary grade teacher in the Municipality till he is confirmed in Government service or completes his probation as a Junior Deputy Inspector by treating his service under Government as one on other duty, etc ;

3. Now, the President ^{District} Board Salem to whom a copy of the above orders was furnished on a similar query raised by him requests the Director to permit him to treat those secondary grade teachers, recruited as Junior Deputy Inspectors, as having left the District Board Service once for all on the ground that the confirmation of the existing incumbents under the District Board would be indefinitely delayed due to the fact that the completion of probation and confirmation in Junior Deputy Inspectors' category will be subject to the passing of the prescribed tests.

4. In view of the stand taken already in this regard, it is clear that the interests of the secondary grade teachers who are recruited as Junior Deputy Inspectors with reference to G.O.No.277, Education dated 10/2/48 should not be jeopardised and that they should be allowed protection in their previous posts and till they settle their service conditions in Government service.

p.t.o.

5. As the recruitment of a proportion of Junior Deputy Inspector from teachers in local Body Schools has been statutorily established, Government may kindly consider the question ~~per-~~^{generally} ~~sonally~~ ^{necessary} and issue orders to all the local bodies on the lines of the previous orders issued in the Government Memo referred to in para 2 above to obviate any queries of the kind in future.

EDUCATION- Secondary-Teachers selected as Junior Deputy Inspectors-keep their lien-reference Government Memorandum No.45293-A-49-2 Edn.dt.11/7/49.
Your endorsement No.2632C/48 dated 13-6-1949.

As per the Government Memorandum quoted above, the lien of persons who have been selected as Junior Deputy Inspectors have to be retained in the District Board till they are confirmed in Government service or complete their probation as Junior Deputy Inspector, treating the service as Junior Deputy Inspector as one on other duty. The reasons why their lien should be retained in the District Board has not been stated. If their lien is retained indefinitely till they are either confirmed or declared as approved probationers in the cadre of Junior Deputy Inspectors those posts could not be filled up permanently by confirming others who have put in sufficient service. It will be really a hardship to the teachers working under the District Board, if they are treated as acting hands for a fairly long periods after completing their probation, simply because the permanent hands who are not likely to re-turn, are on other duty. Further the period by which they will be declared as approved probationers also is not definite in as much as it depends on their passing both the tests. Hence I request you to permit me to treat them as one who left the service of the Board once for all.

ESTT. - Local Bodies - Secondary Grade teachers recruited as Junior Deputy Inspectors - Continuance of lien under local bodies - Orders passed.

From the D.P.I. No. 1070-G /50 dated 19-5-1950.

ORDER/MS. NO. 2037

EDN., DATED 14/7/50

Under the orders issued in G.O. No. 277, Edn., dated 10-2-48, 40 of the vacancies in the posts of Junior Dy. Inspectors of Schools should be filled or reserved to be filled by direct recruitment of Secondary grade teachers employed in schools under the control of the local bodies and aided agencies. The question has been raised whether the teachers who have been recruited as Junior Dy. Insprs. should be permitted to ~~retain~~ retain ^{their} lien in ~~the~~ ^{their} school service till they complete their probation as Junior Dy. Insprs. or till they are confirmed in Govt. service or whether they should be treated as having left the service ~~in~~ of the local bodies once for all on the ground that the confirmation of the existing incumbents under the local bodies would be indefinitely delayed due to the fact that the completion of probation and confirmation in Junior Dy. Inspr's category is subject to the passing of the prescribed tests. The Govt. have examined the matter and consider that the interests of the Secy. grade teachers who are recruited as Junior Dy. Insprs. should not be jeopardised and that they should be allowed protection in their previous posts. They accordingly direct that the Secy. grade teachers who are recruited as Junior Dy. Insprs. should be permitted to retain ^a lien on their original posts until they are confirmed in Govt. service ~~and until they complete their probation as Junior Dy. Insprs.~~, their service as Junior Dy. Insprs. being ~~that~~ treated as one "on other duty" and that they should also be permitted to count their service as Junior Dy. Inspr. for purposes of seniority, increment, leave etc. in the category of secy. grade teachers.

--:O.O:--

W/52f

Sri I. Kandan, a Secondary Grade Teacher of this Municipality has been appointed as Junior Deputy Inspector of Schools. He was relieved from this Municipality on the afternoon of 13-2-50. In G.O.Ms.No.2037 Education dated 14-7-50 the service of the secondary grade teachers of Local bodies appointed as Junior Deputy Inspectors have been ordered to be treated as one "on other duty" and they have been permitted to count their services as Junior Deputy Inspector for the purposes of seniority, increment, leave etc., But the Government order is silent on the question of recovery of leave salary and Provident Fund contributions.
