Dear Mr. President,

Sub: ADULT EDUCATION WEEK:

As kindly desired by you at the Central Committee Meeting of the Adult Education Week, sub-committees have been constituted as under:-

2. Propaganda sub-committee with Mr.A.K.S. Sarma as the convenor.
3. Publication sub-committee with Mr.A.G.Vilva Roy, Adult Education Officer.

A/

As the convenor of the publication sub-committee is an officer of the Education Department, I request arrangements may kindly be made to grant him necessary urgent permission. As Mr. Vilva Roy, the Adult Education Officer has immense practical knowledge of all aspects of Adult Education work in this Province, I shall be much obliged if you would kindly arrange to depute him whenever he is in head-quarters to spend half-a-day in the evening in assisting us not only to get through the publication work but also advising us in the successful conduct of the week at every stage.

In accordance with the resolution of the Central Committee, I request the President, in order that the week may be effectively celebrated, to kindly take action as under:

p.t.o.

1. The Collectors of the districts may be requested to take all steps in celebrating the week in the districts in a most successful manner. They may immediately form, in co-operation and consultation with the local bodies, Educational Officers and other district officials and prominent non-officials, District, Taluq, Firka and Village Adult Education week committees and concert measures to make the week, a Week of the people, by the people, for the people on the lines indicated in our circular letter of the President of the South Indian Adult Education Association dated 30th November 1949, as per copy enclosed.
2. It is also requested that the local bodies may be advised to contribute liberally to the Adult Education Fund.
3. I am to request that the co-operative Societies may be advised to contribute from their common good fund to the Adult Education Fund.
4. All officers of the Education department and heads of all Educational Institutions to do their best in planning and putting through celebration programme of the week.

The Finanace sub-committee at its meeting held on 28th November '49 has budgeted for a sum of Rs.8000/- to be spent on the celebration of the week in the Province. May I request you on behalf of the committee for a contribution of half of this estimated expenditure. As finance is urgently needed to go ahead with the preliminary work of the week, I shall be highly grateful if the contribution be effected immediately.

Awaiting your kind co-operation,

Yours sincerely,

30th November 1949.

Sir/Madam,

Sub: The First South Indian Adult Education Week.

For the first time in the history of South India, probably in the history of India as a whole, we are celebrating an Adult Education Week from the 3rd to 8th February 1950. It is intended that we should achieve two objectives by this celebration. We must be able to strengthen the desire in the Adult illiterate to achieve literacy and educate himself for life. He must be able to recognise that he is now under a big handicap both for social and economic advancement. The second objective should be to arouse keen interest in the general public and make them partners in an enterprise which no Government can be expected alone to work out with the men or resources at its disposal. In this big drive, that we are undertaking during the week, we have the fullest support and co-operation of our Educational Minister Hon'ble Sri K. Madhava Menon, and his Government. As a matter of fact the Educational Minister has kindly consented to be the President of the Central Adult Education Week Committee. He realises, as every right minded individual should realise, that in the drive we are inaugurating the active support of all educated non-officials and officials should be sought and should be forthcoming also.

It may also be noted that another Minister of State the Hon'ble Mr. J.L.P. Roche Victoria, continues to be the General Secretary of the South Indian Adult Education Association. Being the Food Minister, conscious of the great financial handicaps the Madras Government works under, he is equally anxious that every step should be take to universalise the feeling of literacy and mobilise as much non-official support as possible to achieve quick results.

Our Central Committee of the Adult Education Week has decided that legislators, District Collectors, District Board Presidents District Educational Officers, Chairmen and Commissioners of Municipal Councils, the Mayor, Commissioner and the Corporation Councillors of Madras should all be requested as representatives, each in his own manner, to give his unstinted support in organising local committees, arranging the local programmes, selling our Adult Education flag and the like. We know that the foundation of all work is laid in villages and firkas and that our own members in the Districts, Panchayat friends, Co-operative and Library friends, Revenue Inspectors and Dy.. Inspector of Schools, staff and students of colleges, Secondary Schools, High Schools and Training Schools are our principal workers. Our request goes to them also alongside of our request to District Heads - both Governmental and other.

The programme of the Week is as under:-

1st day	-	Inaugural day.
2nd day	-	Flag day.
3rd day	-	Distribution of books, charts and Adult Education materials and collection of books to start or strengthen a library in the locality.
4th day	-	Visiting and starting Adult Education Schools and Adult Education Clubs.
5th day	-	Mobilisation day - arranging entertainments and propaganda meetings and exhibitions.

8

A detailed programme of the week and a booklet on "How to organise the Week" will be issued in due course.

A few indications as to what to do may be of use:-

1. To celebrate the Adult Education Week effectively throughout the Province local committees may be constituted in the following places:-

(a) In the headquarters of the Deputy Inspector of Schools.
(b) In the firka headquarters.
(c) In every village and every division or ward of Municipalities and Panchayats.
(d) In professional and arts colleges, training schools, secondary schools and higher elementary schools.

2. Adult Education Committees may be formed immediately in Districts, Taluks and Villages to celebrate the week and carry on sustained Adult Education programmes, consisting of prominent non-officials and officials. A list of office bearers of the Committee may be intimated to the General Secretary of the Central Adult Education Week Committee, 99, Godown Street, Madras 1 on or before 1st January 1950.

I most earnestly request, as the President of the South Indian Adult Education Association, under whose auspicies the week is being conducted, that every one concerned, more especially District heads, will kindly comply with our request as early as possible and begin organising District and other local committees. The despatch from the Central office of literature, Adult Education flags posters, etc. will commence from 1st January 1950 and friends organising will kindly intimate their requirements to the General Secretary of the Central Adult Education Week Committee. The literature and posters for a unit of a firka or a ward in a Municipality will be sent on Rs.25/- being remitted in advance to the Treasurer, Central Adult Education Week Committee, 99 Godown Street, Madras.

The District Collectors are requested to arrange for collection by sale of flags and otherwise in Hundi boxes which they may kindly get prepared locally. The flags and the label to be pasted on the Hundi boxes will be supplied by the Central office.

Awaiting your kind co-operation,

Yours faithfully,
G. Harisarvottama Rau

Sub: Adult Edu Week.

The Secretary S.I.A. Edu Assn has made certain requests in connection with the conduct of the Adult Edu Week. These are noted on below:–

'A' on p.1 cf. The permission asked for should be granted by the D.P.I. A draft memo is submitted for approval. It is not known whether the permission, if granted, will interfere with the normal duties of the officers. It may be presumed that the Director will consider this aspect of the question.

Item 1 on page 2 cf:– In view of the instructions in the memo 100258 B2/49- of 12.1.50., no further action is called for. The Assn may contact the ~~Director~~ Collectors, direct and receive such help as may be necessary from the officers of the Rev. Deptt.

Item 2 :– Orders are issued in the L.A. Deptt., authorizing local bodies to make contributions.

Item 3: Rev. deptt may be consulted.

Too late

Item 4: The suggestion is rather vague. The Secretary may approach the D.P.I. and explain to him the nature of the help required from the officers of the ~~in~~ Edu Deptt.

'B' on p.2 cf: It has been decided in circulation that a contribution of Rs 1000/- ~~should will~~ shd be be ~~contributed~~ sanctioned for the Adult Edu week. The file has been sent to Fin with a draft order for acceptance. In the circumstances, no further action seems called for.

Sub:- ~~Education~~ - Adult Education week - Celebration in Nellore Dist. - Collections made during the week - Remittance to the Central Committee - Instructions - Solicited.

In his letter dated 21-1-1[illegible] the General Secretary First South India Adult Education [illegible], Madras has intimated that all Collections made during th[illegible] Adult Education Week should be remitted to the Central Committee Office, Madras, with a statement of accounts and that all proceeds~~xxx~~ through the sale of flags are ear-marked for the purpose of starting and strengthening adult education centres in the districts on the basis of their collections. A District Adult Education Committee was formed in this district on 22-1-1950 with myself as ex-officio Chairman of the Committee. The collections made during the Adult Education week in the district are being received by the District Committee and proper accounts are being maintained for them. The Committee is taking steps to open adult literacy centres throughout the district wherever necessary. Funds are immediately required for meeting the incidental expenses for carrying on the campaign of Adult literacy and to open adult literacy centres. I therefore request that the collections made during the Adult Education week in this district may be ordered to be spent in this district alone by the District Committee without being remitted to the Central Committee as desired by the General Secretary of the First South India Adult Education Week Committee, Madras. Reasonable amount will, however, be paid to the Central Committee towards the cost of flags and labels etc. supplied to the district, if necessary.

In your letter C.No.17196/49 B.2 dated 20.3.50 you were good enough to say that the Week collections of your District would be remitted to the Central Committee by the end of this month. You meant evidently the month of March. More than six months have passed, and the Central Committee has had no indications of the account being settled within measurable distance of time. The Central Committee did not deem it necessary to address you since the Government themselves had dealt with the matter in their memorandum cited above.

I am desired to solicit yourco-operation in the expeditious disposal of the matter which has been unduly delayed, and which will not brook any more delay if the cause of Adult Education is not to suffer more handicaps.

why so many months have been let go and yet a si

Sir,

Ref: Your letter R.C.B10 2069/49 dated 24.7.19~~49~~.5

In your letter cited above, you were pleased to write as follows:-

> "In pursuance of the instructions from the Government, the Honorary Treasurer of the Nellore District Adult Education Committee has been requested to remit the sale proceeds of flags and hundi box collections during the Adult Education Week in February 1950 to you."

It was gratifying to note that Nellore had decided to carry out Government's instructions which were necessarily based on the procedure laid down by the Central Committee as regards re-allotment of moneys to Districts on a pro rata basis. Your assurance that the sale proceeds would be remitted to me was followed up in the trunk telephone talk that Sri V.Sundara Rama Dutt, Joint Secretary and Treasurer of the Nellore District Adult Education Committee, had with me subsequently. He gave me to understand that he would be bringing the money to the Tanjore Conference to pay it to me. This he has not done.

Again, in your letter cited above, after intimating that Sri V.Sundara Rama Dutt was being deputed to attend the Seventh South Indian Adult Education Conference at Tanjore, as the delegate of the Nellore District Adult Education Committee, you stated thus:-

> "As the collections in the District during the Week exceeded Rs.750/- the expenses to be incurred by the representative in connection with his deputation to the Conference may be met by the Central Committee from the Adult Education Week funds."

The circular letter to District Collectors dated 12.
a copy of which I am enclosing for your reference, has de
the procedure adopted by the Central Committee. You have no
remitted the sale proceeds nor submitted any definite progra
as to how you would be spending the pro rate re-allotment. I
to make it clear that the entire sale proceeds should be rem
to me first and then only the claim advanced that the Confer
delegates' to and fro travelling expenses met. In other words,
the amount of the delegates' expenses should not be deducted i
advance from the sale proceeds.

The Central Committee has been seriously handicapped in
matter of implementing its decision to reallot the moneys on
pro rata basis. Adult Education work has not been allowed to lag for want of re-allotment by the Central Committee. Advances have been made against collections remitted. Final settlement has been delayed because some Districts have not conformed to the procedure laid down by the Central Committee. Such delay, which is inexplicable and untenable, tends to slow down the pace and even affect the morale of the Adult Education movement.

I request you earnestly to expedite remitting the sale proceeds to me and give us your very best co-operation in Adult Education work.

The Secretary,
Nellore District Adult Education Committee,
"Datta Vilas," Ranganayakulupet,
Nellore.

Dear Sir,

I have received your letter dated 20th instant communicating the text of the resolution adopted by your Committee on 17.8.'50 seeking from me a clarification of pro rata of collections that will be re-allotted.

The Central Committee of the S.I.A.E. Week decided to allot Rs.5000/- to the S.I.A.E. Association as a lump sum grant out of the total collections made during the Week and distribute the balance among Districts in proportion to the collections made by them. The actual amount that each District will get through re-allotment can be determined only after all the Districts have remitted the whole of their collections to the Central Committee. If even one District has not remitted the whole of its collections, the procedure laid down by the Central Committee cannot be implemented. For instance, we do not know the actual amount collected in your District, and so we cannot determine how much the Association is to get out of that amount.

I wish to point out once again that the failure through inability or unwillingness of a District Committee to act in conformity with the procedure laid down by the Central Committee causes delay and obstruction which is lamentable, to say the least. It is difficult to understand why the clarification was not sought soon after the Central Committee's instructions were first communicated to you. I trust at least now your District Committee will see its way to remit its collections to the Central Committee immediately without any further delay.

Yours faithfully,

Organising Secretary.

It has been brought to the notice of Govt. that collections made in the Nellore and Bellary Districts in connection with the Adult Education week organised by the South Indian Adult Education Association in February 1950, were not credited to the ~~S~~ Association in accordance with the decision of the Central Committee of the Association. The Collectors of Nellore and Bellary (who are the Chairmen ~~for~~ of the Local Committees constituted for making collections).

are requested to pay personal attention to the matter and see that the collections made on behalf of the ~~at~~ Associations are remitted to the Association without delay.

The President of the South Indian Adult Education Association is requested to arrange for the distribution ~~of~~ the amount collected, among the District Associations which participated in the Adult Education Week, for the spread of Adult Education in the Districts immediately after the amounts due from the Districts of Nellore and Bellary are adjusted to the Association.

p.1 of From the D.P.I. No. 3 SE 2/50 dated 23-8-50.
Sub: Adult Education week collections — apportionment among local Committees.

In February last the South Indian Adult Education Association raised funds by organising an Adult Education Week. A portion of the collections is intended for

p.17 of (X) distribution among the Local Committees in each District for expenditure on Adult Education. From the papers in the current file and those at (X) it will be seen that the collections in the Districts of Nellore and Bellary have not yet been remitted to the Association at Madras. The D.P.I. asks the Govt. to issue instructions to the Collectors of Bellary and Nellore (who are the Presidents of the local Committees) in regard to the remittance of the collections. Requests have also been made by the Director in the

p.1 of matter of apportionment ~~of the~~ collection made by the Association among ~~A~~ local committees in each Dt.

2. Submitted the whole question is one to be settled by the Association with its branches in several Districts. It does not appear that the Govt. should ~~can~~ interfere in the matter. The fact that Collectors happen to be the Presidents of the local Committees can not be taken as a sufficient ground for ~~the~~ Govt. interference. In fact the Collector of Nellore was informed

p.21 of (X) by Govt. that the collection should be remitted to the Associations; this has met the desired effect. and ~~on~~ the matter has again been brought to the notice of Govt.

3. For orders whether any action on the part of the Govt. ~~may be~~ called for.

30/8

There is no harm in our issuing instructions as suggested by the D.P.I. Public moneys should not get stuck up in the hands of a few persons without being utilised for the purpose for which they were collected.

Sub: EDUCATION - Adult Education Week - Celebrations - Sale proceeds of flags etc. - Remittance to the First South Indian Adult Education Week - Report - Submitted.

GOVT. MEMO.NO. 25133-C/50-1, Edn., D/ 7-9-1950.

***

In Government Memo.No. 4037-C/50-4,Edun., Dated 13-7-50, it was ordered that the collections made during the Adult Education Week should be remitted to the South Adult Education Committee which will reallot the collections on prorata basis to the local committees in this district. The total amount realised in this district by the sale of flags and hundi box collections during the week amounted to ₨. 1733/4/-. By the time, the order of the Government mentioned above were received a portion of the amount was spent on Adult - Education Work in this District. It was not therefore possible for the District Adult Education Committee to remit the entire collections to the Central Association as directed in the Government Memo.cited. Allotments from the collections had to be made to the Udayagiri Rural College for training teachers on Adult Literacy work and also to the Adult Literacy Centre at Kavali which had been doing good and useful work for the removal of the adult illitaracy. There was a balance of ₨. 1090-2-6 to the credit of the District Adult ~~R~~ Education Committee on 17-8-1950. The Committee at its meeting on 17-8-50 decided to sanction a further allotment of ₨. 500/- to the Rural College, Udayagiri. It has also resolved to celebrate " DASARA " by arranging dramas, Harikathas and Burra Kathas etc., in the district in aid of the Adult Literacy Campaign.

2. In presuance of the resolution of the District - Adult Education Committee, the Joint Secretary addressed the Cental Committee for clarification on the prorata allotment of the collections to the District Committee. The Orga-
nising Secretary of the South Indian Adult Association
replied that the actual amount which each district will get
can be determined ~~xx~~ only after all the districts have
remitted the entire collections to the central Committee.
It makes no difference whether all the collections are
remitted first to the Central Association and then the colle-
prorata allotment received from it or whether the retain-
ctions are remitted to the Central Committee after The Dt.
ing the prorata allotment made to the District.
Committee is willing to credit the share of the sale
proceeds and collections to the Central Committee. I have
also instructed the Joint Secretary and the Hony. Treasurer
of the District Committee not spend any more amount out of
the balance available. In the circumstances explained
above, the South Indian Adult Education Association may be
instructed to intimate the prorata allotment to the District
so that the balance out of the collections which is due to
the Central Committee may be remitted to it.
