In the G.O. quoted above, sanction was accorded for the re-opening and continuance during the year 1949-50, of the non-vegetarian hostel attached to the Sri Brihadambal High School, Pudukottai. The Special Officer for Education, Pudukottai and the Divisional Inspector of Schools, Coimbatore, have now requested permission for the continuance of the hostel during the current school year i.e. 1950-51. It is reported that during last year there were 15 free-boarders and 9 paying boarders in the hostel. The Special Officer states, that during the current school year 13 free boarders would be continued and besides 25 paying boarders are expected to join. The expenditure involved in the proposal is estimated at Rs.4500/-. I enclose herewith a copy of the letter Rc.A3-495/49 dated 10-6-1950 from the Special Officer for Education, Pudukottai, wherein he has detailed the items of expenditure.

In the circumstances, I recommend that Government may be pleased to sanction the continuance during the school year 1950-51 of the non-vegetarian hostel attached to the Sri Brihadambal High School, Pudukottai. Sanction may also be accorded for the incurring of an expenditure not exceeding Rs.4500/- for the purpose. Such of the students as were enjoying boarding concessions last year may be allowed to continue to enjoy the same during the current school year also. The above expenditure may be permitted to be incurred during the current year pending provision of funds in the Final Revised Estimate for 1950-51, as no provision exists in the current year's Budget Estimate for the above purpose.

Yours faithfully,

Rent has to be paid for the portion of the building occupied by the hostel. The whole building inclusive of open premises belongs to the ~~ex~~ Raja of Pudukottai. Certain sections of the Sri Brah dambal High School are held in the building. The hostel is also held in the building. The Executive Engineer has been addressed regarding the rent which has to be paid for the portion occupied for the hostel. The rent for the entire building and open premises has been fixed as Rs.134 per mensem. Rs.50 may be fixed for the hostel. A sum of Rs.500/- may be taken as the rent that may have to be paid for the hostel for 50-51. The total estimate is therefore 4,490 plus 500, 4,990. The Deputy Warden and the cook and servants who have worked during 49-50 may continue during 50-51 also. It has been the practice to collect Re.1/- for establishment charges and Re.1/- for Room rent and electric charges from each paying boarder per mensem. So the working expenses may be Rs.500 less taking the No. of paying boarders at 25.
