Despatch Abstract.

National Cadet Corps - Junior

Division - Transport of arms and ammunition to units - Expenditure - Sanctioned.

Office of the
Director of Public Instruction,
Madras.

C.No. 1134-W4/50. Dated 10-7-1950.

19202.

From

The Director of Public Instruction,

Madras.

To

The Secretary to Government,
Education Department, Fort. St. George,
Madras.

Subject:-

Sir,

National Cadet Corps- Junior Division- Transport of
Arms and Ammunition to the places where there are National
Cadet Corps Units- Payment of Travelling Allowance and other
charges.

Supplies by Govt.
authorities.

I have the honour to submit that arms and ammunition
intended for the several units of the N.C.C. have to be trans-
ported from Madras to the several towns where there are N.C.C.
units and deposited safely in Police Stations or Armouries. The
Inspector General of Police has instructed the District Superin-
tendent of Police to provide Police escorts wherever necessary.
The Liaison Officer, N.C.C. Junior Division, Madras informs me that
the arms and ammunition should be directly handed over to the N.C.C.
officers from schools concerned who will take necessary steps to
transport them safely along with the Police escort. But the N.C.C.
officers will have to be paid Travelling Allowance for their
journeys to Madras and back and also the transport charges viz.,
coolies, cart hire ^{and} porter charges at both ends and the Railway ~~freight~~
freight.

2. In the N.C.C. Act and Rules, there is no provision for
claiming Travelling Allowance for journeys for this purpose, and
of a similar nature. Since they are regular N.C.C. officers I
presume that they are eligible for allowances as per paras 2 (g)
and (f) of schedule II under Rule 36 of the N.C.C. Rules.

3. Regarding the manner in which payments are to be
made to the N.C.C. officers I propose to adopt the following

procedure so as to ensure speedy and easy arrangements:-

I shall direct the managements of schools concerned to advance necessary funds to the N.C.C. officers to meet the expenditure on Travelling Allowance and transport charges and request them to submit their claims after the completion of the journeys to the respective District Educational Officers. The District Educational Officers will be authorised to scrutinise and countersign the bills and pass for payment to the managements concerned. The managements may make disbursements to the N.C.C. Officers and maintain proper acquittance, stamped wherever necessary. The above procedure may kindly be approved.

4. As it is not possible to give an estimate of the expenditure for the above purpose, I request that Government may be pleased to permit me to incur the necessary expenditure from the current year's budget allotment under "Allowances and Honoraria" for the N.C.C. Junior Division and to apply for additional funds if necessary in the final Revised Estimate.

5. As the school-year has already begun and the working of the N.C.C. units will be started during the current month itself the arms and ammunition have to be distributed to the schools concerned as expeditiously as possible. I request the favour of very early orders.

Yours faithfully,

Sir, Subject: N.C.C. - Junior Division - Transport of arms and ammunition to units - T.A. bill of N.C.C. Officers - Claim for D.A. for halts.
R e f: G.O.No.Ms.2050 Education dated 15-7-1950.

In my letter R.C.No.1134-W.4/50 dated 10-7-1950 I recommended the payment of railway fare and daily allowance for the period of the rail and road journeys as per paras 2(e) and (f) of schedule II of the N.C.C. Rules to the N.C.C. Officers deputed for the transport of arms and ammunition from Madras to the schools having N.C.C. Units. Daily allowance for halts in Madras in that connection was not recommended on the idea that there may not be any necessity for the N.C.C. Officers to halt in Madras. Further in para 2(c) of Schedule II of the N.C.C. Rules the daily allowance is permitted during the period of camp training. Therefore, daily allowance for halts in Madras for the purpose above referred to was not, presumably, included in G.O.No.2050 Education dated 15-7-1950.

The N.C.C. Officer D. Royal, Board High School, Chittoor was deputed to transport arms and ammunitions and he had to travel twice to Madras and had to halt for 3 days on 29 and 30-9-50 and on 4-10-50. He has claimed daily allowance for these 3 days also in addition to the T.A./D.A. for the journeys. It is but fair that

some compensation should be paid to the N.C.C. Officer for the expenditure incurred by him during the period of his stay. The rate of D.A. for the halt may, therefore, be kindly allowed at Rs.5/- per diem as fixed in para 2(c) of schedule II of the N.C.C. Rules for the period of camp training. The total expenditure that may be incurred for this purpose allowing on an average two days halt for each N.C.C. Officer deputed from the 21 schools outside Madras will come to Rs.210/- only in 1950-51. This amount will be met from the budget allotment or by reappropriation and no additional allotment will be necessary. In the above circumstances I request that sanction may kindly be accorded to allow daily allowance for halts at Rs.5/- per diem to the N.C.C. Officers deputed for transport of arms and ammunition and also to include the expenditure under the same budget head as sanctioned in G.O.No.Ms.2050 Education dated 15-7-1950.

Yours faithfully,
