No. 864/50-3-An, dated 28-6-1950.
Sir,

"Sumerian Survivals in Toda Ritual" - Museum
Bulletin - Printing - Sanction.

His Royal Highness Prince Peter of Greece who was doing anthropological research among the Todas last year, made an interesting discovery about Sumerian elements in Toda ritual. At my request he has been pleased to permit this Museum to publish a short paper of his on "Sumerian Survivals in Toda Ritual" in the general section of the new series of the Madras Museum Bulletin. His Royal Highness, Prince Peter has also sent us ten excellent colour transparencies to illustrate the paper. The Superintendent, Government Press informs me that there will be no difficulty in printing these illustrations. His Royal Highness agrees with me in the belief that the Madras Museum should have the privilege of first publishing the interesting discovery about a Madras tribe, namely, the Todas.

I request that the Government would be pleased to sanction the printing at the Government Press of 400 copies of the above paper as a Bulletin of the Madras Government Museum. Three hundred copies of the Bulletin may be sent to me for sale and for distribution to institutions having exchange relations with this Museum, and one hundred copies may be kept for sale at the Government Press.

Yours faithfully,

A. Aiyappan
Superintendent.
