Sub: Government Press - Stores - Linotype Metal -
Sanction - Requested.

I submit that due to locking up of metal in the set-up matter there is no regular supply of metal of the Linotype machines. There is therefore need for ten tons of Linotype metal to keep the Lino Department working.

Quotations were called for from the dealers in Madras and in Bombay. The quotations offered by the Non-Ferrous Metal Refinery, Bombay is the lowest viz., Rs.1,750/- per ton F.O.B. / F.O.B. Bombay excluding sales tax, and packing charges, which are charged extra. The total cost including incidental expenses i.e., Sales Tax, Freight and remittance charges is about Rs.19,500/-. I therefore request that sanction may be accorded for the purchase of 10 tons of Linotype metal from the Company referred to above at a cost not exceeding Rs.19,500/-.

The expenditure will be met out of the allotment under "56 Stationery and Printing - II. Printing - Government Press - F. Other Expenditure - 4 Stores purchased in India".
