EDUCATION DEPARTMENT

FROM THE DIRECTOR OF PUBLIC INSTRUCTION, MADRAS

To The Secretary to Government,

Roc.No:1799 K3/49 dated 6th June 1950.

Sir,

SUB:--Schools--Government Training School, Pudukottai
Admission of a fresh batch of students during
1950-51--Sanction--Requesting--

~~-X-X-X-X-X-X-X-X-X-X-X-X-X-X-X-X-X-X-X-X-X-X-X-~~

During the School year 1948-49, a Government Training School for men and women was opened at Pudukottai, with 2 Secondary Grade and 2 Higher Elementary Grade Training Sections- Vide this office letter Roc.No.323K2/48 dated 17-9-48, disposed of in Government Memorandum No.71200 A/48-3 Education dated 9-12-48. The then Special Officer for Education, Pudukottai appointed the necessary staff for the school, by transferring teachers from the various Government Secondary Schools in the Pudukottai Territory and hence, no separate staff was sanctioned for the School. The training school was located in the same building as the Government Secondary School, Gandhinagar, Pudukottai, and the latter was used for practising purposes by the trainees. For want of accommodation no fresh admissions were made during 49-50 to any of the Training classes. The students who were admitted during 48-49 completed their course in March 1950. Since there were no junior students there was no work for the staff of the Government Training School after the T.S.L.C. Examination in March 1950, and the teachers etc., on the staff of the Training school, were therefore reverted to their permanent posts and hence the Training School virtually ceased to exist.

2) As there is still need for more trained teachers I consider that the Training School should be continued at Pudukottai during 1950-51. I suggest that one Secondary Grade and one Higher Elementary Grade sections may be opened. I request that Government may kindly approve of my proposal.

3) I also consider that it is necessary to have separate staff for the Government Training School, and therefore request that sanction may be accorded for the employment of the following staff for the school, for a period of two years from the school year 1950-51.

Two L.T. Assistants including the Headmaster
(for the two sections)

One Clerk and One Peon.

As regards the specialist teachers required for the Training School like Drawing Master, Physical Training Instructor and Music Teacher, there is no need to appoint full-time teachers for the Training School alone, as there will not be sufficient work for such teachers, in the Training School which will consist of only two sections- one Higher Elementary Grade and one Secondary Grade - The possibility of securing the services of those employed in the other Government Secondary Schools in Pudukottai town, on payment of suitable allowances for the additional work, will therefore be examined and necessary proposals submitted to Government in due course, in this regard.

4) Necessary provision exists in the current Year's budget, towards payment of stipends to students, pay and allowances of staff etc.,

Ref: Your letter no 1795 K3/49 to G. B. S. Re. the
continuance of the Govt. Eng. School, Pudukottai
and admission of fresh batch of students
during 1950-51

Please say urgently whether
the ^{tr. school} cannot be started ~~later~~ ^{with two sections} without
the ~~extra~~ staff proposed in the letter cited. On the
last occasion the School with two
sections each under Secondary grade and
higher elementary grade was worked with
the help of teachers ~~transferred~~ from the
various Govt institutions. As the School
proposed to be started from the next year
will have only one section in each of the

his grades it should be easier to manage
it without the separate staff proposed.
Please send a very urgent reply.

T.M.REPLY No.1799-K3/48.

From

The Director of Public Instruction,

To

The Assistant Secretary to Government,
Education Department, Fort St.George, Madras.

Reference:-Your telephonic message No.14991-A/50 Edn. dated 13.6.50
regarding continuance of the Government Training School,
Pudukottai.

It is stated in the telephonic message referred to above,
that on the last occasion the Government Training School, Pudukottai
consisting of four sections, was worked, with the help of teachers
from various other Government institutions. This is not correct.
What was actually done, was, that the then Special Officer for
Education, Pudukottai, transferred four L.T. Assistants from the
various Government Secondary schools in the Pudukottai territory
to the Government Training School and these four school Assistants
had full-time work in the Training school alone. These L.T. Assistants
have now been retransferred to their respective schools, and the
superfluous staff, if there were any, in those schools has been
transferred elsewhere, or discharged from service. Further, there
is need for a Training School in Pudukottai, and as such the Government
Training School is likely to become a permanent institution. In the
circumstances I request that my proposal to employ separate staff for
the school may kindly be approved.

SCHOOLS - Govt. Trg. School, Pudukottai - Continuance - Employment of
addl. staff - Sanctioned.

Read: Letters from the D.P.I., No. 1799 K3/49 dt. 6-6-50 & 15-6-50.

ORDER/MS. NO. 2062 EDN., DATED 18/7/50.

The Govt. approve the proposal of the D.P.I. that the Govt.
Trg. School at Pudukottai (with one Secondary Grade section and one
Higher Grade section) may be continued during the academic year 1950-51.
They sanction the employment of the following staff in the Trg. School
for a period of one year in the first instance, on the usual scales of

SCHOOLS - Govt. Trg. School, Pudukkottai - Admission of
fresh batch of students during 1950-51.

The D.P.I. in his letter on pages 1-3 c.f. has submitted proposals for

(1) the continuance of the Govt. Trg. School at Pudukkottai with one Secondary grade section and one Higher Ely. Grade section during 1950-51;

(2) the employment for a period of 2 years from 1950-51 of 2 L.T. Assts. (including the Headmaster), one clerk and a peon.

2. The Training School in Pudukkottai opened during 1948-9 had 2 Secondary grade and 2 Higher Elementary Grade Training sections. The necessary staff for the school was found by transferring teachers from the various Govt. Secy. schools in the Pudukkottai area and hence no separate staff was sanctioned for the school. When the school ceased exist after the examn. in March 1950, the teachers were reverted to the permanent posts. The D.P.I. now states that it is necessary to have separate staff for the school and has proposed the staff referred to in item (2) above. He has not justified the need for separate staff. As the school will have only 1 Secy. grade and 1 higher elementary grade sections as against 2 sections each in the previous year, the case for separate staff has become weaker.

The D.P.I.'s proposal to open a Training School may be approved but he may be informed that as in the previous year the necessary staff may be found by transferring teachers from the various Govt. Secy. schools in the Pudukkottai area.

The remarks of Finance may be invited.
