It will be seen from pp.5-9 of G.O.2861 Edn. d/15-11-48 that it is not usual to allow T.A. to the students of the Presidency College ^{showing} the subjects, Zoology, Botany, History and Geography in respect of instructional tours. There seems to be no justification to make a departure at this stage and allow them T.A. Education may be requested to modify the draft excluding ^{these students on the subject} them from the scope of the present proposal. Subject to this suggestion, the draft may be accepted.

Please see the Fin. Dept. note on p 2 ante. What is proposed in the draft order on pp 1-2 ante is payment of t.a. not to the students but to the members of the staff ^{who are accompanying the students during their annual field work} and establishment of the Presidency College. This ^{has} been permitted in the previous years in respect of Zoology, Geology, & Botany staff. In G.O. 872 Edn. of 29.4.47, educational tours by history & Geography students and payment of t.a. to the staff accompanying the students have also been permitted. (Hons course in Geography ~~was~~ introduced in the Presidency College from last year).
