Sub: VISUAL EDUCATION - Central Film Library - Office
of the Director of Public Instruction, Madras -
Purchase of films - Request for allotment.

Ref: G.O. Ms. No. 191 Education Dated 24-1-1950.

In their order referred to above, Government have
deferred the proposal of the Director to purchase films, filmstrips
etc., during the current year under visual education.

At present there are only 270 films and 125 filmstrips
in the Central Film Library and the number of films and filmstrips
available now in the Central Film Library may not be sufficient to
lend to the educational institutions in the State in view of the
fact that many schools in the State are likely to purchase
projectors and other necessary equipment from the unspent amount
of Visual Education fees available with them. Moreover films
relating to subjects like Mathematics, arts and crafts, Music,
Gardening etc., have not been purchased so far.

In 1949-50 a sum of Rs.1,227-0-0 was realised from the
schools and colleges ~~taking~~ ^{taking} loan of films from the Library and
during 1950-51 it is expected that a larger number of schools may
borrow films from the Library and the hire charges payable by them
during this year will be much more than in the previous year.
Under these circumstances I request that Government may be pleased
to sanction a sum of Rs.2,500/- towards replacements of films worn
out by use during the current year.

Yours faithfully,

D. V. Santambh

Sir,

Ref: G.O.Ms.No.2070 Education dated 19-7-1950.

In their order quoted above, Government have sanctioned a sum of Rs.2,500/- towards the purchase of films required for replacing those worn out in the central film library.

2. M/s. Metro-Goldwyn Mayer (India) Limited, have since offered for sale a 16 m.m. film entitled "Boys' Town" for Rs.2,000/- As the film is found to be of great Educational value in view of the fact that it shows in pictures how a typical self-governing school can be run and a spirit of self-reliance infused into the pupils and as it demonstrates through pictures how self-Government for Boys can be established in schools it is proposed to purchase it for use in the Central Film Library. I may also add that the film is very useful for training Colleges which have now increased in number in the State and which have to educate the

teachers in the methods of citizenship training. In addition to the cost of the film given above a sum of Rs.200/- has to be borne by way of freight and other charges for getting the film from United States of America.

3. In addition to Rs.2,200/- towards the purchase of the above film, I request that Government may be pleased to sanction a further sum of Rs.1,100/- towards the cost of 5 Godrej almirahs (for keeping the films and film-strips safely) which has been already met out of the allotment of Rs.3,000/- under the head "Direction" which was done in view of urgency, and since there was no provision under Visual Education for 50-51. As the provision for furniture under 'Direction' is hardly sufficient to purchase office furniture, I request that the sum of Rs.1,100/- may kindly be sanctioned so that this may be reimbursed and transferred now to that head.
