ABSTRACT

Elementary Education - Panchayat Schools -
Increase in the teaching grant in the case
of teachers working in schools in special
tracts - sanctioned.

From SRI T. PRAHAKARA RAO NAMUDU B.A.,
Inspector of M.L.C.S. Local Boards, Madras 1.

To The Secretary to Government,
Education Department,

Port St. George.

L. Dis. No. 14912/50

dated 5--6--1950.

Subject:- Elementary Education - Panchayat Schools - increase
in the teaching grant by 50 per cent in the case of schools
in the hill stations - Recommended.

In G.O.No.872 Education dated 14-5-1940 and G.O.No.870 Education dated 29-4-1947 Government have sanctioned increased rates of teaching grant by 50 per cent to the aided schools in the Wynad Taluk in Malabar District and in the Kolli Hills in Salem District. In view of the above orders of Government, I considered it equitable that the rates of teaching grant payable to panchayat school teachers in the hill stations are also increased by 50 per cent as in the case of aided elementary school teachers. The extra cost involved in adopting the increased rates of teaching grant by 50 per cent would be Rs.1,800/- per annum. I request that Government may be pleased to sanction enhanced rates of teaching grant to panchayat school teachers in hill stations by 50 per cent as in the case of elementary school teachers.

Sub: Ele. Edn. - Panchayat Schools - Increase in the teaching grant in the case of schools in the hill stations.

Ref: From the Inspector of Municipal Councils & Local Boards, No. 14912/50, dated 5-6-50

At present teachers employed in elementary schools under private management and those in Panchayat schools are assessed grants at certain rates & scales with reference to their qualifications. While grants to schools are under private management are disbursed by the P.C.O's, the Inspector of Municipal Councils & Local Boards is the authority competent to sanction grants to Panchayat schools. The Inspector has power to sanction grants in respect of 226 teachers employed in schools under Panchayats. The total provision made in the current year's Budget for grant to Panchayat schools is Rs. 9,25,00/-.

2. In the case of teachers in aided ele. schools working in special areas such as hill roads or unhealthy localities grants are admissible at 50% in excess of the rate fixed for similar teachers in ordinary areas. While the concession has been in force for teachers in elementary schools under private management, Panchayat schools working in special areas are assessed grants only at the rates admissible to teachers in ordinary areas.

3. The Inspector of Municipal Councils & Local Boards suggests that Panchayat school teachers in special areas should also be assessed grants at 50 percent in excess of the rates admissible to such teachers in ordinary areas as in the case of aided elementary school teachers. The extra cost involved has been estimated at Rs. 11,800/- per year against the Budget appropriation of Rs. 9,25,000/-. The proposal of the Inspector

is reasonable & may be accepted.

4. Finance may see for remarks.

The letter from the Inspector of Municipal Council and Local Board in the C.F. and the note of Edm. may be perused.

The proposal of Edm to enhance the rate of teaching grants of the Pandeyas School teachers, by Rs 7 may be agreed to. It is presumed that the extra expenditure of Rs. 1800 can be met from the existing provision.
