Sir,

Sub:- TIRUVANNAMALAI MUNICIPALITY - Purchase of equipment -
Municipal High School - Grant - Reallotment in 50-51 -
Requested.

Ref:- G.O.No.1970 (L & P.H.) dated 17-6-49.

I submit that the Government in the above Government Order sanctioned a sum of Rs.2533/- towards the purchase of equipment for the Municipal High School during 49-50. The suppliers did not effect all the supplies before 31-3-50. Consequently the equipment grant could not be drawn before 31-3-50 in full. Only a sum of Rs.473-8-0 was drawn on 31-3-50. The supply of the other articles will be made by the respective firms before 1-6-50 as orders have been placed with them for the supply. The Municipal Council in its resolution No.M.C.M. No. 5 dated 17-4-50 (copy submitted) has resolved to request the Government to sanction the grant for payment in 1950-51. In view of the fact that the supplies could not be made by the firms before 31-3-50, I request that the Government may kindly be pleased to reallot the remaining grant of Rs.2060/- during this year (1950-51), as the schools are in urgent need of furniture and as the financial position of the Municipality is not sound.

Charanam

SUB: Municipal Council--Tiruvannamalai--purchase of
equipment--Municipal High school--grant--Reallot-
ment in 1950-51--requested

REF: Your No.R.C. B2--2473/50 dated 1-5-1950

The Municipal Council in its resolution No. 512 dated 15-9-1949 has sanctioned the indent for the furniture to be supplied to all the Municipal Institutions., Tenders were called for for the supply of the furnitures. On the last date for the receipt of tenders ie., on 14-12-1949 only one tender was received. On the note of the Commissioner, the Council decided to call for open quotations, as there may be savings if open quotations are received. Accordingly open quotations were called for and Government also requested to approve the action. The Municipal Council in its resolution No. M.C.R. 765 dated 16-1-1950 has accepted the lowest quotations. Orders were placed on the respective companies for the supply of furnitures, on 19-1-1950. The companies did not effect the supply before 31-3-1950 inspite repeated reminders. In the absence of an accepted contract, (as orders were not placed on tenders) the firms cannot be penalised for failure to supply on the prescribed date.

One of the companies have now agreed to supply the furnitures before 10-6-1950. The other companies has supplied subsequent to 31-3-1950. I therefore request that in the circumstances re-allotment of grant may be recommended to Government.
