Sir,

Ref: G.O. No. Ms. 1253 dated the 19th April 1950,
Education Department.

I have the honour to convey the thanks of the University for the additional recurring grant that the Government has been pleased to make towards this University. A separate communication will be sent later with regard to the adequacy of the grant and the need for further grants.

The present communication is with regard to a sum of Rs. 3,000/- provided for starting a new Department of Hindi. This amount is hardly adequate for starting a new Department. It would appear that the additional recurring grants made this year are half of what the University felt was necessary. Those, however, were for Departments which are already in existence, and the University will try and do the best it can with the additional funds placed at its disposal. In the case of the Department of Hindi, however, the University would need a grant equivalent to the whole of the expenditure involved in running the Department. This was the basis followed when all the University Departments were originally started, and the minimum amount necessary for running a Department of Hindi would be the salary of a Senior Lecturer in the grade of Rs. 200-500 plus dearness allowance and house allowance. The estimate for this department was given in Appendix 4 of the University's letter dated the 30th May 1940, as a minimum of Rs. 4500/- per year and a maximum of Rs. 9,000/- for a Lecturer. To that has to be added the dearness allowance and House allowance with which it will amount to a minimum of Rs. 5,320/- and a maximum of Rs. 10,140/-.

I shall be very grateful if early orders can be passed with regard to this additional grant so that the department may be started in July next.

Yours faithfully,

R. R. Ramesh

University - Madras - Additional grant for the Department of Hindi.

C.No.11372/50-

From the Registrar, University of Madras, No.V.1243 dated 11.5.50

From the D.P.I. Rc.No.565-K2/50 dated 31.5.50.

The Govt. have sanctioned a half-grant of

Rs.3,000/- per annum (recurring) to the University of Madras for starting a new department of studies in Hindi, the provision made for the purpose in the current year's ~~based~~ budget being Rs. 2,800/-.

The Registrar now represents that this grant is not sufficient and therefore requests the sanction of an additional grant ~~xxxxxxxxxxxxxxxxxxxx~~ so as to cover the full cost of the scheme. The estimated expenditure on the scheme according to the University's estimates is Rs.5,320/- minimum and Rs.10,140/- ^{maximum}. The

Director of Public Instruction who was consulted in the matter recommends the payment of an additional grant of Rs.800/- for the purpose. It may be mentioned that the Govt. are nowadays sanctioning grants to cover half the estimated cost of schemes on Universities. ~~Next~~ In the present financial ^{position} ~~state~~ of the Govt., it will not be possible to undertake schemes involving additional expenditure. Govt.

are cutting down the ~~xxxxxxxxxxxx~~ expenditure on schemes for which provision has been made in the current year's budget.

In the circumstances, there appears to be no case for ~~making~~ ^{sanctioning} an additional grant to the Madras University ^{a grant equivalent to the entire expenditure involved in running} for starting the department of Hindi. It is for orders whether the request of the University for an additional grant for the Department of Hindi so as to cover the full cost of the scheme to the University may be negatived. Finance may see ~~xxx~~ for remarks prior to circulation.

It is, however, for consideration whether the recommendation of the D.P.I. for the payment of an

P.T.O.

additional grant of Rs 800/- per annum towards D.A & house allowance will, in the circumstances stated by him, be accepted. Finance may see for remarks.

Fin (Exp A)

The proposal is to sanction an additional grant to the Madras University for opening a Department of Hindi.

2. A half grant of Rs 3,000 p.a. ^(from 1950-1) was sanctioned to the University for starting the new dept. of Hindi, in G.O. 1267

Edt. 8.20.4.50. The half grant was worked out on the basis of the average pay of the lecturer plus exp. on account of pen and contingencies, as follows:-

45672 EA

19 CF. y (A)

A PIN. y (A)

(1) Average pay of the lecturer in the scale of 200-600	Rs 5076 p.a.
(2) Cost of pen & contingencies	Rs 850
Total	Rs 5926
(3) Half grant	Rs 2963 or Rs 3,000 roundly.

The above estimate ~~does not~~ includes exp. on dearness allowance ~~and house allowance~~ to the lecturer. The D.P.I. has recommended that a grant of Rs 800 p.a. may be sanctioned to cover the exp. on d.a and house allowance, as these allowances have not been included in the original estimate furnished by the University.

av. pay 360.
d.a. 63
Total 423 x 12 = 5076

13 CF. y (A)

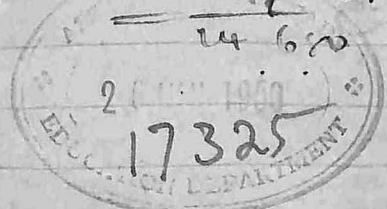

But, as stated above, the grant was not sanctioned on the basis of the estimates given by the University; but on the basis of average pay plus dearness allowance. There is no case, therefore, to revise the grant already sanctioned so as to include dearness allowance.

As regards house allowance, it is not known as what the house allowance drawn by the lecturer is. If Govt. consider that an increase in the grant is necessary to cover the cost on account of house allowance, they may be requested to obtain the particulars of the amount of house allowance to which the lecturer is eligible and examine whether there is a case for increasing the grant.

Since the grant of Rs 3,000 p.a. has been fixed with reference to the av. pay of the lecturer (Rs 360), while the minimum pay of the scale is Rs 200, there is no need to take into account the house allowance and revise the grant. Finance may advise accordingly.

Education (F)

The file relates to the request of the University of Madras for an additional grant towards the ~~cost of~~ expenditure on dearness allowance and house allowance to the staff of the Hindi Department, over and above the grant of Rs.3000/- already sanctioned to the University for starting the Department of Hindi. The D.P.I. who was consulted in the matter recommended the payment of ~~an~~ an additional grant of Rs.800/- for the purpose to the University. This Department proposed to accept the D.P.I.'s recommendation and to sanction a grant of Rs.800/- more to the University. Finance however advise against the proposal, on the ground that the expenditure on Dearness allowance also was taken into account while sanctioning

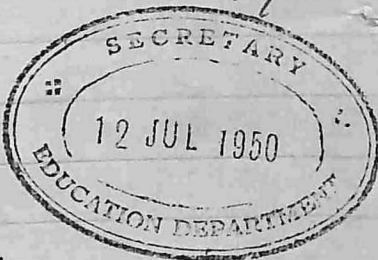

No 11372/50F

15/7

sanctioning the grant of Rs.3000/- and that no separate grant for expenditure on house allowance is necessary.

In the circumstances, it is for orders whether this Department may agree with the views of Finance and if so, whether the request of the Madras University for an additional grant for the Hindi Department may be negatived. The file may now be circulated to H.M.(E.&L) for orders.

The Fin Dept's view may be accepted
8.7.50.

The position as above may be explained to the Registrar and he may be informed that the Govt. regret their inability to increase the grant already sanctioned.
