Education Department.

Sir,

Re. 227-D.6/50 dated 6.7.50

Sub: Grant - Play ground - Madras Christian College School - Land
in Chetput - Improvements to -

Government in their Order No. 805 Edn. dated 12.4.46, sanctioned a half grant of Rs. 81,352/- towards the purchase of 10 acres of land in "Napier Garden" for use as playground for the Madras Christian College School. The school has now about 12 acres of playground the surface of which is reported to be cracked and uneven on account of the soil being mainly clayey and uneven.

In order to make the land suitable for use as playground, the Correspondent of the school reports that it is necessary to spread 200 units of sand and 150 units of gravel and that the expenditure of Rs. 5,200/- on this account cannot be met from the Games Fund of the institution. The receipts from games fees are just sufficient to cover the normal expenses connected with the provision of games. Hence the Correspondent has applied for aid towards the improvement. I submit herewith a copy of the application.

It is reported that as the Management are anxious to provide for the pupils a good playground, the portions meant for Basket Ball, Volley Ball, Tennis and other courts have in addition, to be prepared with brick jelly, gravel etc. The estimated cost of the entire work is reported to be Rs. 5,200/- As the school has commenced functioning at Chetput, the Correspondent is anxious to improve immediately the site of 12 acres so that it may be fit for use in July 50. In the circumstances mentioned above, I request that Government may be pleased to approve a scheme for improvement of playground of the Madras Christian College High School at an approximate cost of Rs. 5,200/-, rendering the Management eligible for a grant not exceeding one half of the expenditure actually incurred on the work.

In view of the urgency the Correspondent is being requested to submit detailed plans and estimates for improvement, for scrutiny by the Joint Consulting Architect.
