Office of the Director of
Public Instruction, MADRAS,
Dated: 11th July 1950.

From

The Director of Public Instruction,

To

The Secretary to Government,
Education Department,

Sir,

Sub: SCHOOLS - Viscountess Goschen Government
Secondary and Training School for Women
Tiruchirapalli - Admission of a fresh
batch of students to the Secondary Grade
Training during the current school year -
Sanction - Requesting.

* * *

With reference to the orders in G.O. No.581 Education dated 16-4-1945, admission to the Secondary Grade Training Class in the Viscountess Goschen Secondary and Training School for Muslim Women, Tiruchirapalli is being made in alternate years only. A fresh batch of students was admitted to the class during last year i.e. 1949-50, and as such, there should be no admission during the current school year. The Inspectress of Girls' Schools, IV Circle, Salem, however requests permission to make admissions to the class during the current year, as there is very great dearth of Secondary Grade Trained Muslim Women teachers. She reports that about twenty students are likely to join the class, during the current year, and that sufficient accommodation, equipment, furniture etc., are available in the school. An additional L.T. Assistant will have to be employed if admissions are made during the current year and the Inspectress suggests that the permanent post of one L.T. Assistant, held in abeyance with effect from the School year 1944-45 consequent on the closure of the Higher Elementary Grade Training Class in the school, may be revived and permitted to be utilised for the purpose.

2. In view of the dearth of Secondary Grade Trained Muslim Women teachers, and in view of the fact that the Secondary Grade Training class in the Viscountess Goschen Secondary and Training School, is the only one in the whole state, which provides, for Secondary Grade Training for women with Urdu medium, I recommend the request of the Inspectress and accordingly request that Government may be pleased to sanction (1) the admission of a fresh batch of students to the Secondary Grade Training class in the Viscountess Goschen Secondary and Training School for Muslim Women, Tiruchirapalli during the current school year and (2) to revive the permanent post of L.T. Assistant in the School which was held in abeyance from 1944-45, consequent on the closure of the Higher Elementary Training Class, and to utilise the same, for the purpose, for a period of 2 years i.e. up-to the end of the school year 1951-52.

3. I request the favour of very early orders of

Government in the matter.

Yours faithfully,

M. M. M.
