Upon receipt of orders in Government memorandum quoted above, Messrs John Dickinson & Co., Ltd., Madras were consulted about watermarking the Cream wove cheque paper with the new design of Madras Government state emblem. They have stated that the existing dandy roll used for watermarking the paper with the old emblem of govt India will have to be re-lettered, if the watermark of the Madras Government Emblem is to be provided for and that the cost of re-lettering would be approximately £40/- or about Rs.266-10-8, which should be borne by Government. They have further stated that the details contained in the design of Madras Government Emblem are not so clear as to be reproduced and have, therefore, suggested watermarking the paper as per their

sketch attached herewith. In the circumstances, I solicit instructions whether the cost of re-lettering the dandy roll involved in the manufacture of the paper with the watermark of the Madras Government Emblem may be borne by Government and whether the paper with the watermark as per the sketch may be orderd.

The Sketch of the water mark of the Madras Govt: State Emblem at p. 15 C.F. may be perused and the file returned to E and PH.

KS 20/9/49 21.9.49.

Is the sketch strictly in accordance with the design of the Emblem? Please put up a copy of the latter for purposes of comparison?

A copy of the emblem is put up at flag (N)

With reference to A.S.'s query above ~~the~~ it is noted that the difference between the water mark sketch and the State emblem is that in the water mark we find six arches in the middle of the gopuram just above the Sarnath lion. They will have to be deleted. E and P.H. may take necessary action in this regard. ~~Perhaps it may not make much difference.~~ ~~The design of the State emblem is put up at flag (N)~~

It is presumed that the motto in Devanagiri should also be inserted below the Emblem in the water mark sketch and that the motto should, in accordance with the latest orders, be in a straight horizontal line.

~~Routine~~

The file has been got back from E & P.H. and is resubmitted with reference to the oral instructions of Addl. Secy.

As already noted on p. 2 N.F. above there are some minor differences between the sketch on p. 15 C.F. and the State emblem of this Govt at flag (N). e.g. (i) There are 7 terraces in the 'gopuram' in the State emblem while there are six only in the 'gopuram' in the sketch. (ii) There are six arches in the sketch at p. 15 C.F. just above the Saranath lion, while in the gopuram in the emblem ~~sketch~~ there are no arches. (iii) The tops of the two 'gopurams' also are not similar. (iv) The bull and the lion on either side of the Dharmachakra in the sketch are not distinctly visible. But John Dickinson & Co who have prepared the sketch at p. 15 C.F. have stated that the details contained in the design of the State emblem of the Madras Govt. are not so clear as to be reproduced and have therefore suggested the watermarking of the paper as per the sketch on p. 15 C.F.

The Company states that the dandy roll at present has 16 marks as per the rubbing and that it will be necessary to strip these existing 16 marks relettering with a further 16 marks as per the revised sketch and for this work and for the addition of the motto "Satymeva Jayate", the maker's charge would be Rs.582/- The Supt. recommends this proposal.

SUPPLEMENT TO PART II

GOVERNMENT OF MADRAS.
Abstract.

Coat of Arms - Madras Government State Emblem - Motto "Satyameva Jayate" - Revised design.

Public (Miscellaneous-I) Department.

G.O.No.Ms. 4029. Dated the 19th November 1949.

Read: G.O.No.Ms. 351, Public (Elections), dated the 8th February 1949.
G.O.No.Ms. 2724, Public (Miscellaneous) dated the 16th August 1949.
G.O.No.Ms.2885, Public (Miscellaneous) dated the 29th August 1949.
G.O.No.Ms. 3296, Public (Miscellaneous) dated the 26th September 1949.

Ref: Letter from the General Superintendent, Public Works Workshops and Stores, Madras, No.W.3963-M, dated the 9th November 1949.

ORDER:

In G.O.No.3296, Public (Miscellaneous), dated the 26th September 1949, the design of the State Emblem together with the motto as finally approved by the Government of India was communicated to the Superintendent, Government Press, Madras and the General Superintendent, Public Works Workshops and Stores, Madras and they were requested to adopt the new design of inscribing the motto "Satyameva Jayate" in all the stationery, seals etc. to be supplied in future to all Courts, officials and departments of Government etc. According to this design, the motto is to be printed horizontally (without border lines) just below the Emblem. The General Superintendent, Public Works Workshops and Stores, Madras has now suggested that, as the Madras Government State Emblem is a circular Emblem (unlike the Government of India's State Emblem which is not enclosed in a circle), the inscription of the motto in a straight line below it does not present a good appearance and that it would be more appropriate if the motto were inscribed below in an arc following the border of the Emblem.

2. The Government have considered the suggestion and they accept the proposal of the General Superintendent. They accordingly direct, ~~that~~ in partial modification of the orders in G.O.No.3296, Public (Miscellaneous) dated the 26th September 1949, that the motto "Satyameva Jayate" should be inscribed in the Madras Government's State Emblem in an arc following the border of the Emblem (but without any border lines) in all the stationery, seals etc. to be supplied in future. This will also enable the Emblem to be properly centred in the case of seals containing an outer circle showing the names of Courts etc. In seals, the motto should be inscribed inside the seal between the Emblem and the outer circle, in order to economise in space and cost.

3. The General Superintendent, Public Works Workshops and Stores is informed that the seal supplied to the Commissioner for Workmen's Compensation, Madras, with

P.t.o.

the motto inscribed horizontally may, however, continue to be used.
