Roc.No. 7680/50-B2, d/14-6-1950.

Sir,

Sub : SCHOOLS - Secondary - Dindigul Municipality - Teaching
staff - Adoption of Government scales of pay - Council
Resolution No.445, dated 8-6-50 - Sanction - Solicited.
...0...

I submit herewith a copy of this council's resolution
No.445, dated 8-6-1950 together with my note to the Council, dated
3-6-1950 for sanctioning the adoption of the Government scales of
pay for the teaching staff of the Municipal High School with effect
from 1-6-1950.

The necessity for the adopting the Government scales of
pay is explained in detail in my note dated 3-6-1950 to the Council.

I solicit the early sanction.

FORWARDED.

Chairman, Municipal Council,

Copy of council resolution No.445, dated 8-6-50:-

Read letter dated 22-5-50 of the Headmaster, Municipal High
School and the note of the Commissioner, dated 3-6-50 soliciting
sanction of the council for the introduction of Government scales of
pay in the Municipal High School.

Resolution:- Sanctioned to adopt Government scales of pay.

Sd. S.Lazar Ignatius,
Chairman, Municipal Council, Dindigul.

Copy of Commissioner's note, dated 3-6-50 to the Council:-

Year after year inspecting authorities have drawn the
attention of the Council to the vacant posts in the staff of the
Municipal High School and also to the poor results in the public
examinations. Unless the sanctioned strength of the staff is
manned by duly qualified men there is no scope for improving
the efficiency of the school. In spite of repeated advertisements
it was not possible to attract suitable candidates because of the local
boards scales of pay in force in the institution. Even our existing
qualified men are anxiously applying for posts elsewhere presumably
to better their emoluments. In these circumstances it is
imperative to consider the urgent need to introduce Government scales
of pay in the Municipal High School not only to attract fresh men but
also to keep existing staff in a contented state which is the
pre-requisite for efficient work.

As at present the expenditure under salaries and allowances is Rs. 43,764 + Rs. 2,000/- provident fund contribution in all approximately Rs. 45,000/- By the adoption of Government scales of pay the immediate expenditure will be an additional Rs. 2,500/- That is an increase in expenditure by 5%. The ultimate expenditure when all staff reach the maximum, the excess would be in the neighbourhood of Rs. 8000/- but that is not to be reached within the next ten years. So the Council is earnestly solicited to weigh these considerations and sanction the adoption of Government scales of pay in the Municipal High School with effect from 1-6-1950. The sanction of Government will be obtained thereafter. The extra expenditure will be provided for in the Revised Budget
