Sub: Colleges - Engineering Admission
Selecting of Candidates Papers
Recorded.

Report of the Selection Committee
for the year 1950-51

CONFIDENTIAL.

Office of the Director of Public Instruction,
Cathedral P. O.,Madras, 30th June 1950.

From

Sri D.S.Reddi, M.A.(Oxon).,
Director of Public Instruction, Madras.

To

The Secretary to Government,
Education Department,
Fort St.George, Madras.

Sir,

Sub:- Admission to Engineering Colleges - List furnishing -

I am herewith enclosing a copy of the Proceedings of the Selection Committee appointed in G.O.No.Ms.1807, Education, dated 16-6-1950 for selecting candidates for admission to the Engineering Colleges in the Madras State. I am also enclosing a list of the selected candidates arranged according to regions and communities in the order of merit. Though a special reserve list has not been prepared the names have been indicated under each category for filling up vacancies. These also have been arranged in the order of merit. A list of all the applications that have been registered has already been furnished to the Hon'ble Minister and a copy is not, therefore, enclosed.

2. In this connection I should like to mention that when the Secretary interviewed the Hon'ble Minister it was pointed out by the Hon'ble Minister that the selection of A. Samuel George, Serial No.3, Register No.782, Christians, Rayalaseema zone, should be re-considered by the Committee in view of the low marks obtained by him. This question was placed before the Committee and it was decided that the selection should stand as no minimum mark had been laid down and as the quota for the zone was actually 4 as against 3 seats actually allotted. Similarly, it was observed by the Hon'ble Minister that in the selection of Non-Brahmins candidates for the West Coast, a majority of seats had been given to candidates from Malabar. This was also considered by the Committee and it was felt that nothing could be done in view of the fact that the candidates in both districts had to be considered together. If it is now decided to give a minimum representation to each district, then the selections made in respect of several other districts may have also to be re-opened.

P.T.

I request that immediate orders may be issued by Government approving the selections made by the Committee in order that intimation may be given to the candidates many of whom have also applied for admission into different Groups in various Colleges.

Yours faithfully,

Director of Public Instruction.

(3) (5)

Proceedings of the Selection Committee meeting appointed in G.O.No.Ms.1807-Education, dated 16-6-1950, for selecting candidates for admission to the four Engineering Colleges of the Madras State.

****

The Selection Committee constituted according to G.O., cited above met on Tuesday, Wednesday and Thursday, 27th, 28th and 29th June, 1950, respectively at the Director of Public Instruction's Office, Nungambakkam, Madras, at 8 A.M., for the purpose of selecting candidates for admission to the four Engineering Colleges. The following were present:—

1. Prof. A. Viswanathan, Principal, College of Technology, Coimbatore.
2. Prof. V. H. Sadarangani, Principal, College of Engineering, Kakinada.
3. Major B. H. Marley, Principal, College of Engineering, Anantapur.
4. Sri S.B.P.Patabhi Rama Rao, B.A.,B.L., Advocate, member.
5. Sri N.K.Vinayakam, B.A.,B.L., Advocate, member.
6. Lieut-Col. S.Paul., Principal, College of Engineering, Guindy, Secretary.

Sri V.K.Krishna Menon, M.A.,L.T., Deputy Director of Public Instruction, presided on the first two days.

Sri D. S. Reddi, M.A.,(Oxon)., Director of Public Instruction, presided on the last day.

A special feature this year was the introduction of the index card filled in by the candidates which simplified the work of tabulation. The last date for receipt of applications was 15th June, 1950, and if the marks list had been received from the respective Universities as usual during the first week of June the work of tabulating the marks would have been completed and the tabulated list made out by the 19th of June. The Registrar, Madras University, however, stated that he could not send the marks book this year as usual. It was, therefore, decided to go to the University of Madras and get the marks from the original marks book. Accordingly, this was done on the 19th and 20th June, 1950. As the marks book from the Andhra University was not received the Registrar was contacted by trunk telephone and he was able to send the original marks book only on Wednesday the 21st June. Sri S.B.P.Pattabhi Rama Rao, one of the members of the Committee was not in the Station and the first meeting of the Selection Committee was, therefore, fixed by the Director of Public Instruction for Tuesday the 27th June.

On the first day the Committee went through all the relevant orders and instructions issued by the Government from time to time for selecting candidates for the Engineering Colleges. Copies of all the relevant Government orders and other instructions were given to all the members.

A tabulated list of all the candidates who had registered for admission communitywar and districtwar were also given to each of the members. Kind attention is invited to the number of candidates (please see page 1 tabulated register) who had registered for dmission this year totalling 2,284. This includes late applications as well.

At the outset it was decided to condone all the late applications, as it was felt that there was hardly time for the candidates to get the applications and send the same with all the relevant particulars before the last date for receipt of applications. It was also decided to give due consideration to B.A., and B.Sc.,(Hons)., and B.A., and B.Sc., candidates who had passed their examinations. The Principals, were, however, instructed that in all cases at the time of interview the relevant records should be compared and if the candidates failed to produce the same their admission ought to be cancelled if not supported by original record of marks.

It was decided to retain the extra number of 20 seats sanctioned last year and to request the Director of Public Instruction to get the necessary permission from the University authorities concerned for this extra number. The Principal, College of Engineering, Kakinada, however, was of the opinion that he could not admit more than 100 students in ~~this~~ College this year. The Principal, College of Engineering, Anantapur and the Principal, College of Engineering, Guindy, were agreeable to increase their admission by 5 in each College provided the necesssary permission was obtained from the Madras University. The total number seats available for all the four Engineering Colleges was, therefore, 395 distributed as folows:—

College of Engineering, Guindy.	130
College of Technology, Coimbatore	75
College of Engineering, Anantapur	90
College of Engineering, Kakinada.	100

The number of seats reserved for other Governments and States was (25.) 21. The number of discretionary seats set apart for the Government was 12, thus leaving a balance of 358 for allocation to the various regions according to zones and communities. It was decided to allocate only 350 seats at the first instance and to keep 8 seats in reserve ~~in order to re-distribute a few seats~~ as may be necessary to give minimum representation to communities and districts. In appendix A is given the number of seats available for various communities for the respective zones.

In Memo.No.51500-3/49-A-Edn., dated 16th July, 1949, it is stated

that minority communities shoule be considered on a provincial basis but the quota in respect of regions and districts should be maintained. If the minority communities had been selected on a provincial basis it would have been impossible to maintain the quotas for the respective regions. It was, therefore, decided to select the candidates from the minority communities zonewar. Accordingly the selection of the Harijans were taken up first followed by the Muslims and lastly by the Christians. Appendix B, C and D give the names of the selected candidates from the Harijan, Muslims and Christian communities zonewar in the order of merit. It would also be seen that in these appendices a certain number of names in the order of merit is given as a reserve in case the selected candidates do not take advantage of their selection. Where no reserve lists are given it is to be considered that there are no candidates who could be selected.

It would be noticed that from the Harijan community there were not sufficient candidates resulting in the following vacancies:—

Rayalaseema.	1
Circars.	2
Tamilnad	16
West Coast	4
Total	23

In G.O.No.Ms,2096 dated 29th June, 1949, it is stated that where there are not suitable candidates in any particular community such vacancies should be filled by merit irrespective of communities provided that the regional quota and district quota were not affected. Accordingly the vacancies accuring in the respective regions were filled up by candidates from these regions purely by merit irrespective of communities. (vide appendix E).

The candidates from the Brahmin community were next selected from the various zones. The names of the selected candidates in the order of merit are given in Appendix F. Under each zone is also given a list of names in the order of merit who would form a reserve if any of the selected candidates fail to take advantage of their selection.

In Memo.No.51500-3/49-A-Edn., dated 16th July, 1949, it has been stated that Non-Brahmin Backwards should be clubbed with the Non-Brahmin community and the candidates selected so that a minimum of 2 out of 8 seats are given forthe Non-Brahmin Backward community. Accordingly candidates from the Non-Brahmin Backward and the Non-Brahmin community were considered together and the selection made according to merit. It would be

seen that in the Rayalaseema, Circars and the West Coast areas, the ratio of Non-Brahmin Backward to Non-Brahmin is just a little over 1 : 3 and is in accordance with the G.O., cited above. But in the Tamilnad out of 102 candidates to be selected 44 are Non-Brahmin Backward and 58 are Non-Brahmins. It is submitted that the clubbing together of Non-Brahmin Backward with Non-Brahmin has been very advantageous to the Non-Brahmin Backward Community in the Tamilnad. Appendix G gives the Non-Brahmin Backward candidates selected from the Tamilnad in the order of merit. A list of candidates in the order of merit from which selection can be made if any of the selected candidates fail to take advantage of their selection is also given in the same appendix.

The selection of 350 candidates was, therefore, completed. In addition under every zone there was a list of candidates from whom selection could be made if any of the selected candidates were absent. Appendix H gives the first and the last marks of the candidates selected in the various zones communitywar. It would be seen that there is no large disparity in the level of marks between the various communities except the Harijan and those communities which had a bigger quota. Of the 23 vacancies available for want of suitable candidates from the Harijan community it would be seen that 19 seats went to the Brahmin community, 2 seats for Non-Brahmin Backward and 2 seats for Non-Brahmin. It was felt that the selection was very fair according to the rules and instructions issued by the Government from time to time.

Out of the 25 seats reserved for States and Government outside the province no intimation had been received for about 8 seats; 3 from Ceylon, 4 from Indonesia and 1 from Africa. However, it was considered that even at the last minute some urgent communication might be received from other Governments and States outside the province and there ought to be provision for at least a few seats for such an emergency. The Selection Committee with the Director of Public Instruction, Sri D. S. Reddy, M.A.,(Oxon)., presiding decided that it would be in order if 6 of these reserved seats were added on to the 8 seats originally set aside making a total of 14 seats allotted in the following manner to give a little extra weightage to communities and zones which might be not fully represented. The 14 seats were distributed as follows:-

Non-Brahmin.	6
Non-Brahmin Backward	2

10

11

Brahmin.	2
Christians	3
Muslims.	1
Harijans	Nil.

The Harijan community were not given any seats as there were no candidates. The Muslim community was only given one seat as the lowest level of marks of the last candidate admitted was 294. It was felt that the Christian community should be given a few more seats as the level of marks in the West Coast and Tamilnad was very High (356). It was also considered desirable to give 2 seats to the Brahmin community. As no reservation had so far been made for the Agency tract and for Puddukottah two Brahmin candidates with the highest marks and two Non-Brahmin candidates with the highest marks were chosen for these districts. The remaining four seats were alloted to the Non-Brahmin community and 2 seats to the Non-Brahmin Backward. These seats were distributed not on a regional basis but on a provincial basis and the best candidates of each community were selected. Appendix I gives the names of the candidates selected for these 14 seats. Appendix J gives the district representation of the candidates selected for various communities. It will be seen that although the selection was done purely on merit in the various zones yet each district has been adequately reprresented more than the minimum required for such representation.

21466/14

According to Government Memo. No. ~~21466/47~~/47-A-Edn., three seats are reserved for Hindu students from Pakistan. There were nine applications received from such candidates and three of them were selected according to merit vide Appendix K.

Dear Sri Bhaktavalsalam,

Thank you very much for your letter of the 5th Jul.

I am indeed very grateful to you for considering the case of an ex-soldier for admission to the Engineering College. I am sure this will be a very great morale lifter for the Army.

Yours Sincerely

A.A. Rudra

Director of Public Instruction,
Madras, 6th August 1950.

My dear Iyengar,

Sub: Engineering Colleges - admissions -

Four vacancies have arisen owing to the selected candidates not joining, three at Anantapur and one at Coimbatore. At a meeting which I had with the Hon'ble the Chief Minister and the Hon'ble Minister for Public Works it was decided that these 4 seats may be allotted to the following candidates:

I presume that closes the matter finally. 7/8/50

1. Muthuveeru (Non-Brahmin, Ramnad, Reg.No.1783) son of Mr.R.S.Subbiah Pillai, Collector of Tinnevelly.

2. M. Sivaramayya (Brahmin, Kurnool, Reg.No.333) nephew of Mr.D.V.Ramaswami, B.A.,B.L.,M.L.A.

3. M.S.Venkateswaran (Brahmin, Tinnevelly, Reg.No.1627).

4. D.S.D'Rozario (Christian, Madras, Reg.No.33), son of Mr.A.C.D'Rozario, Retired Electrical Engineer, P.W.D.Madras.

Orders are being issued accordingly.

Yours sincerely,

To
S.A.Iyengar, Esq., I.C.S.,

--

Colleges - Engineering - Admission.

--

From the D.P.I., d/- 30-6-50.

--

The total no. of seats available in all the Govt. Engg. Colleges is 395, distributed as follows:-

College of Engg., Guindy ..	130
College of Techy., Coimbatore	75
College of Engg., Anantapur	90
College of Engg., Kakinada ..	100

These include the extra no. of 20 seats sanctd. last year which is proposed to be retained with the permission of the University. Out of these, 21 seats are reserved for students coming from outside this State as follows:-

Travancore-Cochin Union ..	2
Ceylon	2
Ceylon Indians who have retd. to India	2
South East African students	2
Coorg	2
Orissa	2
Hindu refugee students from Pakistan	3
Indonesia	4
Jammu and Kashmir ..	2
	21

In addition, 12 seats are reserved for discretionary allotment by the Govt. in consultation with the D.P.I. The balance of the seats available are apportioned between the four groups of districts in the State, the groups being -

First group: Cuddapah, Kurnool, Bellary Anantapur and Chittoor;

Second group: Visakhapatnam, E.Godavari, W.Godavari, Krishna, Guntur and Nellore;

Third group: Madras, Chingleput, N.Arcot, S.Arcot, Salem, Coimbatore, Tanjore, Tiruchirappalli, Mathurai, Ramanathapuram, Tirunelveli and the Nilgiris.

Fourth group: Malabar and S.Kanara.

The seats so apportioned are filled up accg. to the rule of communal proportion intended to protect the weaker sections of the people separately for each of the above groups of districts. The proportion referred to is as follows:-

N.-B. Hindus ..	6 out of 14 seats
Backward Hindu Communities ..	2 "
Brahmins ..	2 "
Harijans ..	2 "
Anglo-Indians and Indian Christians	1 "
Muslims ..	1 "

The

The two seats reserved for Backward communities are to be merged with the six seats reserved for Non-Brahmins. Both Non-Brahmins and candidates belonging to the Backward communities will be eligible to compete on merit for the eight seats, provided that where the selection of Backward Hindus is for less than two seats, the deficit will be made up only from the Backward Hindus.

The Selection Committee in its Proceedings at p.5 C.F. has stated that the no. of seats reserved for other Govts. and States was 25. This is not correct as the actual no. of reserved is 21 as pointed out at p.1 ante. Leaving the seats reserved for other Govts. and States and the seats reserved for discretionary allotment by the Govt., the Committee decided to allot 350 seats accg. to zones and communities as detailed at p.13 C.F. - whereas the total no. of seats available for allotment to the various regions accg. to communites is 362.

It would be observed that from among Harijans there were not sufficient candidates, resulting in the follg. vacancies:-

Rayalaseema	1
Circars	2
Tamilnad	16
West Coast	4

	23

Of these 23 vacancies, 19 seats were allotted to the Brahmin community and two seats for Non-Brahmins and two seats for Non-Brahmins-Backward. It is stated that these vacancies were filled up by candiates from the regions concerned purely on the basis of merit irrespective of communities with ref. to G.O.No.2096-Edn., d/- 29-6-49. Thus, the Brahmins and Non-Brahmins including Backward N.Bs. got 19 seats and 4 seats extra resply. as shown below:-

Brahmins	..	68 instead of 49
N.Bs. and N.B.Backward		205 instead of 201
Indian Xians	..	26 against 26
Muslims	..	25 against 25
Harijans	..	26 instead of 49

350		350

It is stated that intimation has not been recd. for the about 8 seats out of 21 seats reserved for other States and Govt. and that the Selection Committee therefore decided to add on 6 seats out of these 8 to the 8 seats which it originally set apart and to distribute the 14 seats as follows:

N.Bs. ..	6
N.Bs.Backward	2
Brahmins ...	2
Christians ..	3
Muslims ..	1
Harijans ..	Nil

The Harijan community was not given any seats as there were no candidates. The Muslim community was given only one seat as the lowest level of marks of the last candidate admitted was 294. It is stated that it was considered desirable to give 2 seats to the Brahmin community and 3 seats to the Christian community, the level of marks in the West Coast and Tamil-nad being very high (356). In Memo.16669-A/2/50, dated 22-6-50, the DPI was asked to see if one of the seats for the Circars might not go to the Agency area but no reservation was made for the Agency tract and for Pudukottai. Out of these 14 seats, the Committee selected one Non-Brahmin and one Brahmin from Pudukottai and one from Non-Brahmin and one Brahmin from the Agency area.

Excluding the two seats allotted to Non-Brahmin candidates from Pudukottai and from agency area, the Committee allotted 4 seats to Non-Brahmin and two seats to Non-Brahmin Backward. It is also stated that these seats were distributed not on a regional basis but on a provincial basis and that the best candidate of each community was selected. This procedure adopted by the Committee was not proper. It shd. have made the selection for the 14 seats on a regional basis only.

It may be mentioned that leaving 350 seats selected by the Committee on regional basis and the 12 seats reserved for discretionary allotment by Govt., the seats remaining to be filled on regional basis are 12 plus 4 out of 21 seats reserved for students coming from outside this State. Out of these 16, 14 seats have been allotted by the Committee on a provincial basis. This action

of the Committee may perhaps be ratified and ~~six~~ two seats remaining unfilled may perhaps be considered sufficient to meet an emergency in case other Govts. and States apply at the last moment for these seats.

Attention is invited to the D.P.I.'s remarks on para 2 of his letter at p.1 C.F. In the circs. stated therein, no action seems called for in the matter of selection of A. Samuel George and in the matter of selection of candidates from the districts of Malabar and S.Kanara.

The case may now be circd. to H.M.(P.W.) and H.C.M. for approval of the selections made by the Committee.

3.7.50.

The following Statement shows the seats secured by the different Communities: —

	Rayalseema	Circars	Tamil Nad	West coast	Total
Kapus	5	11	9	1	26
Muslims	3	6	13	3	25
Reddis	3	6	13	4	26
Brahmins	6+1+1	13+1	25+13+4	5+4	68 = 73
N.Bs & backward classes	25. +1	5+1	102+3+5	23+1	200

The Brahmins get ~~about~~ a little more than 14 p.c.

3/7/50

S. The Selections made by the Committee may be approved

3.7.50

H.M. (P.W.) The D.P.I has explained to H.C.M & myself. The selections made by the Committee has been approved by the D.P.I has been asked to furnish the Selection letter in discarding seats have already been approved the list was given to the D.P.I HM 3.7.
