CL. No. 59/50, Dated the 15th July, 1950.

Sir,

Subject:- Madras Educational Service - Lecturer in
Chemistry, Stanley Medical College, Madras:
New post - Filling of - Proposals.

Reference:- G.O. Ms. No. 1437 HecK, dated 24-4-1950.

IN paragraph 4 of the G.O. referred to above, a new post of non-Medical Lecturer has been sanctioned in the Organic Chemistry Department of the Stanley Medical College, Madras, temporarily, for a period of one year from 1st July 1950.

In his letter Ref. No. 41332 E.2 dated 22nd May 1950 (copy enclosed) the Surgeon-General with the Government of Madras, has recommended that Sri T.K. Meenakshisundaram, Assistant Lecturer in Chemistry, Stanley Medical College, Madras, may be appointed to the temporary post of Lecturer in Chemistry sanctioned in the G.O. under reference. As there are probationers awaiting re-appointment to the Chemistry Unit of the Madras Educational Service and as there are also a number of qualified and suitable Assistant Professors and Assistant Lecturers in Chemistry who are seniors to Sri T.K. Meenakshisundaram, and I am unable to support the recommendation of the Surgeon-General.

2. Sri C.T. Philip is a probationer in the Chemistry Unit who has to be considered for appointment to the present

present vacancy. But he is on other duty as a Research Officer in the All-India Radio, under the Government of India, and is not available for appointment to the present vacancy. Dr. B.S. Srikantan, Assistant Lecturer in Chemistry, College of Engineering, Guindy, is the next junior probationer in the Chemistry Unit of the Madras Educational Service, who has to be considered for re-appointment as Lecturer in Chemistry. Dr. Srikantan officiated as Lecturer in Chemistry, Government Arts College, Rajahmundry, from 6th November 1946 to 19th December 1946 and reverted to the Subordinate Educational Service for want of a vacancy in the Madras Educational Service. In G.O. Ms. No. 2182 Edn., dated 3rd September 1948 he was deemed to have been regularly appointed to officiate as Lecturer in the Madras Educational Service with effect from the 6th November 1946. I recommend that the Government may be pleased to appoint - Dr. B.S. Srikantan to officiate as Lecturer in Chemistry, Stanley Medical College, Madras, in the post sanctioned in G.O. Ms. No. 1437 Health, dated 24th April 1950.

Yours faithfully,

Copy of letter Ref.No.41332 E2 dated 22-5-50 from the Surgeon-General with the Govt. of Madras to the Director of Public Instruction, Madras.

Ref: Stanley Medical College - Madras - Post of Lecturer in Chemistry - Promotion of Sri T.K. Meenakshisundaram - Regarding.

*

In forwarding herewith a copy of the letter No.62/50 dated 1-5-50 from the Principal, Stanley Medical College, Madras, I strongly recommend that the Government may be addressed to promote Sri T.K. Meenakshisundaram to the post of Lecturer in Chemistry which was sanctioned in G.O.Ms.No.143/PH dated 24-4-1950.

* The post of a lecturer in Chemistry has been sanctioned temporarily for a period of one year from 1-7-1950.

At present the Chemistry Dept. is in charge of an Assistant Lecturer (of the subordinate Edl. Service) Sri T.K. Meenakshisundaram I suggest that he may be promoted to the temporary post of Lecturer sanctioned for this college from 1-7-50 for the following reasons:-

1. He possesses all the qualifications for the post of a Lecturer.

(viz) He holds a I Class B.Sc.(Hons.) Degree with Chemistry as the main subject and has been awarded the medal by Madras University for Proficiency in Chemistry. He holds a II Class L.T. degree of the Madras University.

He has a teaching experience of nearly 12 years of which seven years have been spent in the Stanley Medical College Chemistry Dept. and the remaining period in arts colleges teaching for Intermediate and degree courses in Chemistry.

He has been in sole charge of the Chemistry Dept. in this college since July 1946 and has been doing his work to the entire satisfaction of the authorities.

He has been organizing the department for starting the Organic Chemistry class from July 1950.

In view of the above reasons, I strongly recommend that the Government may be addressed regarding the appointment of Sri T.K. Meenakshisundaram to the temporary post of Lecturer in Chemistry in this college.

M.E.S. - Dr. B.S. Srikantan - Reapptd. as Lecturer in Chemistry,
Stanley Medical College.

Read: G.O. No. 1437-Health, dated 24-4-50.

From the D.P.I., No. 59/50, dated 13-7-50.

G.O. (Ms.) No. 2167 Edn., dated 2-8-50

Sri C.T. Philip, Asst. Lecturer in the M.E.S.S., is re-
appointed to officiate as Lecturer in ^{Organic} Chemistry in the M.E.S. in
the Stanley Medical College, Madras, without prejudice to his
appointment as Research Officer in the All-India Radio.

2. Dr. B.S. Srikantan, Asst. Lecturer, College of Engg.,
Guindy, is re-appointed to officiate as Lecturer in ^{Organic} Chemistry in
the M.E.S. in the Stanley Medical College, Madras w.e.f. the date
of his taking charge, VICE Sri C.T. Philip on other duty.

NOTE:-

Just as non-Medical Asst. Lecturers in the Medical Colleges
belong to the Educational Subordinate Service, so the
newly sanctioned non-Medical Lecturer's post ^(in the Stanley Medical College) should be taken to
belong to the Madras Educational Service.

The S.G. recommends the 'promotion' of Sri T.K. Meenakshi-
sundaram, Asst. Lecturer in the Edl. Subordinate Service, who is
now working in the Stanley Medical College. But this candidate
is far junior in service. Sri C.T. Philip and Dr. B.S. Srikantan
had acted for some time as Lecturers previously and are thus
probationers in the M.E.S. There is no reason to deprive them of
their re-appt. to the post and to appoint Sri Meenakshisundaram
over them. The D.P.I.'s recommendation for Dr. Srikantan's
posting may be accepted. As Sri Philip is on other duty, it is
